

BOMBARDMENT OF SAO PAULO AGAIN RESUMED

Federal Cavalry Engaged in Ineffective Raids During Night.

By United Press
BUENOS AIRES, July 25.—Bombardment of Sao Paulo was resumed by Brazilian forces late yesterday with great damage to the city, according to radio messages here today.

There was severe fighting at the rebel outposts outside Sao Paulo City during the night.

Number of Raids

Federal cavalry carried out a number of raids, penetrating Sao Paulo at scattered points, but were forced to retire.

The luxurious Hotel Esplanade, one of the finest hotels in South America, has been damaged by the federal bombardment. It was being used as a hospital by the revolutionary forces.

Other buildings damaged, according to a radio received by the Buenos Aires afternoon newspaper Larazon, include the branch of the National City Bank of New York, the British Bank of South America, the London and Brazilian Bank, London and River Plate Bank and other Brazilian and French owned banks.

Want Armistice

"The rebels sent out a new request for an armistice so that the remainder of the civilian population could be evacuated," the dispatch to Larazon says, "but it was refused."

The newspapers estimate that more than 200,000 civilians still are in the city and in grave danger from the bombardment despite efforts by both sides to protect them.

A majority of the American colony has left.

A message from Bage said an insistent rumor was in circulation that a rebellion has broken out in the Brazilian State of Sergipe, and that the Governor had requested aid from Federal garrison in the State of Rio Grande do Norte.

MOB TARS AND FEATHERS GIRL

Fifty Citizens of Maryland Town Face Arrest.

By United Press
MIDDLETOWN, Md., July 25.—Dorothy Grandon, 21, of Martinsburg, Pa., was tarred and feathered Thursday night by a mob of fifty men on the county road between Myersville, Md., and Middletown.

Fifty business men, merchants and citizens of Myersville, face arrest on charges of being members of the mob. Sheriff Ingomar of Frederick County, after questioning the Grandon girl at the home of James Whip, a farmer, announced warrants will be sworn out.

Whip was threatened with death because of his rescue of the girl from the mob. With J. O. Shepley, a Myersville merchant, Whip was one of the men who fought through the mob and found the girl covered with tar.

The girl said she had been visiting at the home of Mrs. Volla Kennedy. Thursday Mrs. Kennedy received a letter from Sheriff Ingomar ordering her to leave the county.

Promoted

JAMES M. OGDEN

City Attorney James M. Ogden will become corporation counsel, Aug. 1, when the resignation of Corporation Counsel Taylor E. Groninger becomes effective. Groninger will take charge of the public service commission valuation of the Indiana Bell Telephone Company.

Mayor Shank has commissioned Ogden to choose his own successor as city attorney.

RIKHOFF OBEYS MAYOR'S ORDER

But Who Loses in Bureau Changes Is Obscure.

Just who was loser in the shake-up of the police accident prevention bureau, directed by Mayor Shank last week, was a trifle obscure today as Police Chief Herman F. Rikhoft announced his plan of carrying out the board of safety order.

After city council passed an ordinance requiring promotion of the trafficmen in the bureau to sergeants over Shank's veto, Shank ordered the incumbents transferred so others of his choice, might get the benefit of the increased pay.

Rikhoft said he would obey orders and transfer Miss Mary Moore, his stenographer, to replace Miss Rachel Bray in the bureau, and Motorcycleman Harry Smith and Trafficman Jack O'Neal to replace Trafficmen Edward Glenn and Frank Owens.

However, Rikhoft said he would put Glenn and Owens on traffic duty, entailing no reduction in pay, and was trying to arrange to transfer Miss Bray to juvenile court, provided he could get a policeman from the court to serve as his stenographer.

WHY MOTHERS GET GRAY

Police Kept Busy Answering Bogus and "Peepers" Calls.

The extent of the human imagination tested itself Thursday night and as a result police made two false emergency runs.

William, 6-year-old son of Mrs. Clara Walters, 1436 Oliver Ave., went into the house after bread and butter. Suddenly he ran to the front porch and told his mother two colored men were in the house.

When police arrived he described the two burglars, both with striped trousers and white shirts. He said one of the men ran up stairs and hid while the other one hid downstairs. The officers searched the house and found no trace of them.

What police believe to be a "peeping Tom," was reported by Mrs. W. V. Kinsley, 4052 Grandland Ave., Thursday night. The officers could find no trace of the prowler.

BILLMIRE CLEW FRUITLESS AGAIN

Police Scour Vicinity of Carmel in Vain.

Police and friends continued search today for Dell Z. Billmire, 52, of 719 E. Thirty-Fourth St., missing since July 8.

Description of a man wandering near Carmel Thursday was similar to that of Billmire, Marvin J. Hamel, Kiwanis Club secretary, said. Lieutenant Winkler and squad, with Hamel, rushed to the home of D. W. Henshaw on Spring Mill Rd., near Carmel, scouring nearby roads without success.

Robert Collins, living on an adjoining farm, told police he saw the man sitting under a tree by the roadside when he came home from a harvest field. As Collins approached the man arose and rapidly walked south on Spring Mill Rd. The closest police ever got to him was when they met a lad on the roadside who said he had seen a man answering Billmire's description twenty minutes before.

Relatives at Pittsburg, Kan., and Ft. Worth, Texas, where Billmire might have gone, have seen nothing of him, according to word from there.

Over 1,800 rural carriers over Indiana were asked by Postmaster Robert H. Bryson to watch for Billmire.

LOGANSPOUT HOLDS MEN

Two From Indianapolis Arrested on Charge of Handling Liquor.

Police had word today from Logansport that Mike McCabe, 25, and Thomas Campbell, 20, colored, of Indianapolis, were in jail there on a charge of transporting liquor. Forty-five gallons of alcohol were found with them in a high-powered automobile, police were told.

ALFRED KAUFFMAN

Alfred Kauffman, second vice president of the Link-Belt Company, in charge of Indianapolis operations, has been elected to the presidency of the company, and will have charge of operations and sales, according to announcement today at the Chicago office of the firm.

Directors, it was announced, have created an executive committee consisting of Charles Piez, Kauffman, Thomas B. Marston of Chicago, and Staunton B. Peck of Philadelphia.

There are nine Link-Belt plants in operation.

Kauffman's headquarters will be in Indianapolis because the Ewart and Dodge plants, located here, are the company's largest operations. Kauffman has been general manager of these two plants since 1914.

In 1915 Kauffman was made second vice president. In 1901 he entered the company's employ as draftsman in the engineering department. In 1908 he was appointed superintendent of construction and in 1909 he was promoted to sales engineer in charge of West Virginia territory. In 1913 he was made assistant to the president with offices in Chicago, and later became general manager of the Philadelphia works.

Kauffman has been actively identified with the city's industrial and civic life as a director of the Associated Employers of Indianapolis, former president and present executive committee member of the local branch, National Metal Trades executive committee member of the Indianapolis Foundrymen's Association. He is a member of the Indianapolis Chamber of Commerce, Rotary Club, Indianapolis Athletic Club, Indianapolis Country Club and Highland Golf Club.

MRS. FLEMING IS 'TAKEN CARE OF'

Eliminated in Seventh District Chairman Race.

Mrs. A. F. Fleming, Indianapolis, was removed today as a possible seventh district chairman by her appointment as director of a travelers' bureau at Republican State headquarters.

Mrs. Fleming was slated for the vice chairmanship. It is stated, but it is said she was not in sympathy with one faction at headquarters, she was sidetracked and "taken care of" with the lesser position.

While no definite appointment has been made, Mrs. Julia Belle Tuttle is looked upon as certain choice of George V. Coffin, county G. O. P. chairman, as vice chairman.

Among those speculated upon as possible selections for Seventh District vice chairman are Mrs. J. D. Hoss, Mrs. Thomas Gardner and Mrs. Arthur Robinson.

Mrs. Vivian Wheatcraft, State vice chairman, went to Martinsburg today to attend a county mass meeting of women.

SPECULATORS TO POCKET PROFITS, FARMER ASSERTS

Grain Growers Will Get Nothing Out of High Prices, Is Claim.

By United Press
WHEATON, Minn., July 25.—"The speculator and not the farmer is pocketing profits from present livestock and grain markets."

"Now that prices are up the farmers have nothing much to sell. So far as agricultural relief is concerned, the present situation means nothing. It is a fictitious market."

This is the statement of F. W. Murphy, chairman of the executive board of the American Council of Agriculture. He is a dirt farmer himself.

Nothing for Farmer

"The farmer is getting absolutely nothing out of the present market," Murphy told the United Press.

"Even if he had grain to sell he could make no profit on the market today, for it costs \$1.75 to produce a bushel of wheat, 60 cents to produce a bushel of oats and \$1.10 a hundred to produce hogs for market," he said.

"On the first of July when prices started upward the average farmer had not more than 10 per cent of last year's crop in storage. This he needs for feed until the new crop is harvested, and what he doesn't feed he must save for seed until this year's crop is in and he is sure of seed for the next year."

"On today's market the purchasing power of the farmer is only 70 per cent of what it was in 1913. The farmer's purchasing power depends upon prices at the primary market and not at the terminal market."

"The farmer has to pay the freight to the terminal market and he has to pay the freight from the terminal market to the farm on what he buys. Freight rates are twice as high as they were in 1913."

Carry-Over Small

"There is such a good crop prospect in the Northwest, but conditions are such everywhere else that there will be a world shortage of between 300,000,000 and 400,000,000 bushels of wheat. There is a carry-over from last year of less than 100,000,000 bushels and on this basis the present market price for wheat should be at least \$2 a bushel in Minneapolis. Farmers up here need at least that much for wheat to pay out."

Murphy said the American Council of Agriculture organized here July 11 and 12, will have an important announcement early next week.

HIGHER SANITARY LEVY IS REFUSED

Must Appeal to Council, Shank Says.

The sanitary board must take its appeal for a higher tax levy to the city council, Mayor Shank told board members today. He refused to remove a two cent cut in the department's budget.

The board asked for 11.5 cents and received 9.5 cents, the same as this year. The extra money was needed to operate the new sewage disposal plant, it was said.

Efforts to hold the 1935 levy to \$1.05 or below were continued today over protest of department heads. R. Walter Jarvis, park superintendent, finally succeeded in getting a 7.5 cent levy for his department, after it had been reduced to 7 cents.

Joseph L. Hogue, city controller, and the mayor conferred today on making reductions in some other levies to give the added levies to the park board and board of health.

HABEAS CORPUS SUIT

Woman Takes Steps to Escape Sentences

Habeas corpus proceedings were filed in Superior Court five today by Lawrence Shaw, attorney, for Katie Milton, 513 Cincinnati St., who was sentenced twice in city court within two years, but whose sentences were suspended and revoked. Defendants named are: Judge Delbert O. Wilmet, Sheriff George Snider and Miss Margaret Elliott, matron at the Indiana Women's Prison. Plaintiff said her first sentence of \$100 and costs and second of sixty days in the women's prison last March were discharged. She declares that according to the Supreme Court ruling the city court which suspends judgment for misdemeanor cannot enforce judgment after expiration of the period.

CHILD STRUCK BY AUTO

Cut About Head, But Injuries Are Not Serious; Driver Arrested.

Claude Douglas, 5, colored, of 728 W. Eleventh St., was suffering today from cuts about the head received late Thursday, when struck in front of his home, by an auto driven by Alfred Wilkins, 2105 All-free St. Wilkins was slated for assault and battery.

Michael Abrams, 3266 N. New Jersey St., had a narrow escape from injury when his car overturned at Washington Blvd. and Thirty-Third St., after it had sideswiped a car driven by Mrs. C. E. Wise, 4002 N. New Jersey St. No arrests were made.

ALL WAS NOT STILL

\$300 Damage Caused by Explosion in Attic.

Velko Tasich, 30, of 1241 N. Tremont Ave., is wondering today whether white mule might make a better explosive than a drink. He was arrested Thursday night when firemen were called to his home to fight a fire said to have started when a thirty-gallon still in the attic exploded. Damage was \$300.

Police found thirty-nine gallons of white mule and 400 gallons of mash. Tasich was charged with operating a still.

NEW SENSATION ROCKS WINDFALL

Woman Who Shot Rural Carrier Disappears.

By Times Special
TIPTON, Ind., July 25.—Windfall, stirred when Mrs. Emma Osborne, prominent farmer's wife, shot Albert Dennis, former rural mail carrier, was rocked again today when it became known that Mrs. Osborne had been missing from her home there since Wednesday.

Officials here learned of Mrs. Osborne's disappearance, when Joseph Osborne, her mother-in-law, came here to see Sheriff Linnis in regard to a \$1,000 bond which she had signed to obtain her daughter-in-law's release on charges of assault and battery with intent to kill.

An automobile, owned by Osborne, was found deserted in Elwood. Authorities believe Mrs. Osborne drove there and caught a train for Chicago.

Mrs. Osborne had charged that Dennis annoyed her.

BAPTISM TO BE HELD IN POOL

Immersion of 700 Will End I. B. S. A. Meeting.

By United Press
COLUMBUS, Ohio, July 28.—A strange combination of religious fervor and reckless pleasure is on Saturday afternoon's bill at Indianola Amusement Park.

While the other concessions of the park run wide open, the big swimming pool will be cleared of bathers for what is expected to be the largest single baptism in history.

Seven hundred persons will present themselves for immersion, thus avowing their faith in the teachings of the late Pastor Russell—that "millions now living will never die."

The service will climax a week of inspirational meetings attended by approximately fifteen thousand members of the International Bible Students Association.

LAST RITES ARRANGED

Mrs. Cora Biddinger Dies at Home of Daughter.

Funeral services for Mrs. Cora Biddinger, 63, who died at the home of her daughter, Mrs. Jesse Morse, 936 N. Oakland Ave., Thursday of dilatoriness of the heart, will be held at 2 p. m. Saturday at Centenary Christian Church, Eleventh and Oxford Sts. Burial in Crown Hill cemetery.

Jesse C. Biddinger, her husband, who has been an invalid for eight months, was for twenty-seven years on the merchant police force.

Surviving: The husband; a son, Wesley, of 5016 Park Ave.; two daughters, Mrs. Morse and Mrs. Elizabeth Desselberg, 1114 Ewing St., six grandchildren and one great-grandchild.

EXAMINERS FIND EXCESS EXPENSE

Recommend Better Book-keeping in Mine Bureau.

The State Board of Accounts today made public its report of an investigation of the State Department of Mines and Mining, charging \$107 excess expense had been turned in by Calry Littlejohn, chief inspector, and his deputies. Littlejohn was charged with \$63.45. A. C. Dally, a deputy inspector, was charged with \$19.95. Both refunded the money. Other deputies charged: John Ellison, John Slevely and Thomas Gill-espie. All the expenses were reported from the Terre Haute House, Terre Haute. The examiners say receipts presented by inspectors show lodging at the hotel when an examination showed they did not register until the next day, the report says. Littlejohn said it had been the practice to include other expenses in those turned in as lodging at the Terre Haute hotel. The examiners recommended a new system of bookkeeping be instituted in the department.

Recommend Better Book-keeping in Mine Bureau.

The examiners also filed their report on the industrial board finances, commending the method and efficiency manifested in the bookkeeping system. One factory inspector, Edward T. Love, was charged with \$20 excess hotel and meals. No other charges were made. The period covered was from Oct. 1, 1921, until April 30, 1924.

Tax Cut Is Seen

By United Press
TERRE HAUTE, Ind., July 25.—Reduction in the tax rate in Vigo County was seen as a possibility today following certification to the county auditor of assessed property valuation of \$4,000,000 over that of last year.
