

TRACK LABORER IS WOUNDED BY VILLAGE SMITH

Hancock Sheriff's Office
Says Jealousy Caused
Trouble.

Jimmy Vincenzo Milano, 28, laborer in a C. I. & W. track repair gang at New Palestine, Ind., was in Methodist Hospital today with a bullet wound in a shoulder. His condition is not serious.

Bert Smith, village blacksmith of New Palestine, was in Hancock County jail at Greenfield.

Deputies of Sheriff New were investigating a story that Smith shot Milano because of alleged attentions the laborer had paid to Mrs. Smith. Officers said they were told Milano drew a knife on Smith before Smith fired.

Feeling ran high at New Palestine after the shooting. Greenfield officers said. While railroad officials were rushing Milano here a deputy sheriff speeded to Greenfield with Smith because of reported threats by other members of the track repair gang.

'DIP' SUSPECTED IN COOGAN CROWD

Is a Bad Back Wearing You Out?

Do you get up these summer mornings lame, stiff, achy all over? Is each August day but a weary round of throbbing backache and torturing pains? Are you so tired, nervous and dispirited it seems you just can't keep going? Then why not cleanse your system of the impurities that are making you feel so miserable? Why not help your weakened kidneys as so many Indianapolis folks have done? Well kidneys keep the blood stream pure. Sluggish kidneys pave the way for slow poisoning of blood and nerves. Don't wait for some serious kidney trouble. Use Doan's Pills before it is too late. Doan's have helped thousands. They should help you. Ask your neighbor!

"Use Doan's," Say These Indianapolis Folks:

F. M. DOWN, 826 E. Prospect St., gave the following statement Sept. 20, 1922:
"I had a dull backache and a pain across my kidneys that made it hard to stoop or straighten. My kidneys were disordered. I used Doan's Pills and they fixed me up in good shape."
On Nov. 5, 1923, Mr. Down added: "Doan's Pills gave me a permanent cure and I haven't been troubled since."

LEGION LEADERS EXCHANGE WISHES

Quinn and Sir Douglas Haig
in Sympathy.

Hope for a sympathetic understanding between the United States and Great Britain which "may continue for all time and become still closer" is expressed in a message to John R. Quinn, American Legion national commander from Field Marshall Sir Douglas Haig, on the tenth anniversary of the beginning of the world war.
The message from the former British Legion, forwarded by the London Post of the American Legion, reads: "Heartiest thanks for the kind telegram greetings from your National commander on this memorable anniversary. Please assure him all classes of the British Empire share his wishes that sympathy and understanding between the United States and Great Britain may continue for all time and become still closer."

SECOND TEST OF BRAKES ALLOWED TWENTY BUSES

Only Three Pass First Inspection by Traffic Officers.

A second opportunity was given today to twenty bus drivers operating motor buses out of the Kentucky Ave. station to prove to Traffic Inspector Michael Glenn that their buses can be stopped within thirty feet while traveling twenty-five miles an hour.

At the first test, conducted Thursday afternoon in the 100 block on Kentucky Ave., only three of twenty-three buses inspected by Glenn, Lieut. Louis Johnson and Sergeant Shine passed the tests. Glenn said that owners could repair the brakes and be ready to pass today. He said he would file affidavits for violation of the brake law against those failing to pass.

Glenn said the main faults were that the bus brakes gripped only on one wheel. Tire-braking power would be useless if this wheel were on a wet surface, he said. Two buses required sixty-five feet to stop.

Seven motorists were arrested on speeding charges Thursday night. Herschell Brackwell, 28, colored, 949 Roache St., was arrested for failure to appear in Thursday speed court.

Others charged with speeding were: Fred J. De Armond, 32, Lexington Apts., Eleventh St. and Capitol Ave.; Henry S. Cole, 21, of R. R. M.; Charles Kohler, 19, of 839 N. Hamilton Ave.; Wilbur G. David, 19, 1414 1/2 S. Senate Ave.; J. P. Meriam, 31, of 629 E. Fifty Second St., and J. E. Ray, 43, Acton, Ind. Earl Sebastian, 19, of 542 1/2 S. Illinois St., was charged with driving while intoxicated, and resisting arrest.

Edward Oats, 23, colored, 526 N. West St., is charged with failure to display lights and auto numbers.

DAIRYING BUREAU ESTABLISHED BY U. S. GOVERNMENT

Dr. C. W. Larson Will Act as
Head of New Department.

By NEA Service
WASHINGTON, Aug. 8.—The importance of the dairy cow and the growing complexity of American agriculture have finally been recognized with the establishment of the new bureau of dairying in the United States Department of Agriculture.

Dr. C. W. Larson, head of the new bureau, was head of the dairy division of the bureau of animal industry, from which the bureau has sprung. He was born on a farm in Iowa and for the last twenty years has been actively interested in the improvement of dairying.

Although several European countries have been famous for their cows and dairy products no country has gone forward in this industry as rapidly as the United States. Foreigners frequently comment on the safety of our milk supply and the marvelous machinery developed for handling milk from the time it is taken from the cow with the milking machine until it is delivered to the consumer in a sterilized bottle, cleaned, filled and capped by machinery.

Also the health of dairy cattle has been wonderfully improved, particularly in the eradication of tuberculosis, which is going on at an increasing rate. Each year shows an increase in the consumption of milk because it is becoming one of the safest foods and long has been recognized as one of the most nutritious.

MINERS' TRAIN TO RESUME RUNNING

Service to Be Regulated by
Working Time.

A miners' train between Terre Haute and Blackhawk, Ind., recently discontinued by the Chicago, Milwaukee & St. Paul Railroad, was ordered into service again today by the public service commission on petition of the miners' union at Blackhawk. The train will operate according to days and time the mine is being worked.

A reparations and coal freight rate reduction suit by the Wabash Valley Electric Company against the C. & E. I. Railroad before the commission was dismissed without prejudice on motion of the petitioners.
Mooreland, Ind., was ordered to make reductions in its electric rate. The commission reported net income was in excess of a fair return. The Indiana Electric Corporation was authorized to issue \$125,000 common and \$120,000 preferred stock and \$510,000 in bonds for additions.

SAMARITANS AID GIRL WITH BABE FOUND ON ROAD

Deserted by Husband, Young
Mother Tries to Walk to
Vincennes.

A young woman with a three-week-old baby was at the home today of Mr. and Mrs. E. H. McAvoy, 2538 Bellefontaine St., who assumed the role of Good Samaritan Thursday after they had found her along the roadside near Camby travel weary and crying.

The young mother who gave her name as Mrs. Louisa Smith, of Springfield, Ill., told Camby residents her husband had deserted her a month ago.

The girl, according to D. C. Morgan, Monon agent at Camby, was trying to reach the home of her brother, Charles Barner of Vincennes.

Residents at Camby raised a purse for the girl to send her on to Vincennes, when McAvoy came along in his automobile. He volunteered to take the girl to his home.

It was stated at the McAvoy home today that the girl would be put on the train for Vincennes this afternoon.

East Side Lawn Croton

The lawn of Clyde E. Titus, 736 Middle Dr., Woodruff Pl., was selected as the best kept in the district bounded by the Belt Railroad, Brookside Park, Michigan St. and the Monon in the "well kept lawn contest" of the East Side Commercial Association. Titus received \$50. Six other prizes were awarded.

Fred Atkins Speaker

Fred C. Atkins will discuss "Corn Products" before fellow members of the Exchange Club at the Chamber of Commerce Monday noon.

ROAD AUTHORITIES EXPLAIN DELAYS

Bridges Take Longer Than
Highways to Plan.

Delay in bridge building on State highways where the pavement is completed was said today by highway commission officials to be caused by the fact that plans and specifications for bridges required a longer time for preparation than the road itself.

The situation is said to have existed from the beginning of the commission's operation when the National Road was taken over. Road specifications follow a standard, practically, while bridges have to be designed for the particular location. The maintenance department is building run-arounds where it is possible and where taxpayers demand it, although it costs from \$200 to \$1,000 for each. Detours cost the State nothing.

THOUGHT OCEAN TRIP WOULD RESTORE HEALTH

"It was Tanlac that got me back on health's highway and the going is so good that it gives me real pleasure to praise Tanlac." This statement was made recently by Ralph Redden, proprietor of the Radio Garter & Suspender Co., 236 Nineteenth St., East Moline, Ill.

"This spring I felt so run-down that I was planning an ocean trip with the hope of bringing back my lost energy. But luckily I avoided this heavy expense and loss of time by taking Tanlac. This medicine accomplished the very thing I was seeking and supplied me with a 100 per cent good health."

"Before taking Tanlac meal time had little attraction for me and I was troubled with stomach disorders. But when the call to meals comes now I am eager to go, for I have an unfailing appetite and perfect digestion. In fact, Tanlac has put me in top-notch fettle and I think it great."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.
