HEALTHY WOMEN, HAPPY HOMES

Good dispositions succumb. Irritability and snappy retorts take the place of happiness and amiability. Sunshine is driven out of homes, in fact, they are often wrecked, and friends are estranged because women suffer with ailments peculiar to their sex. The use of Lydia E. Pinkham's Vegetable Compound will overcome such ailments and restore health and happiness. Do not resort to strong stimulants or narcotics when this great strengthening, healing remedy made from roots and herbs is always within reach.—Advertisement.
