

NEW TAX LEVY PREPARED FOR CERTIFICATION

Rate Next Year Will Be
\$1,055—Passed at
Special Session.

Joseph L. Hogue, city controller, today was preparing the 1925 city tax levy and budget for certification to county auditor Harry Dunn, following its passage Monday night by the city council in special session.

The levy of \$1,055 on each \$100 of taxable property was passed after a caucus by councilmen and a brief discussion on the floor. The budget ordinance calls for an expenditure of \$4,155,647.68 for the city next year. The tax rate this year is \$1.0875 or \$2.25 higher than next year's rate will be.

Two efforts of Councilman Lloyd D. Claycomb to amend the section establishing the sanitary board tax levy failed, those opposing pointing out that they did not want to alter Mayor Shank's figures on the cost of city government.

Claycomb first moved to add a cent to the sanitary board levy which the mayor had reduced 2.5 cents. Councilmen Ira L. Bramblett and John E. King voted favorably, but it was lost by negative votes of President Walter W. Wise, Otto Ray, Ben H. Thompson and Theodore J. Bernd.

Claycomb immediately submitted another amendment which would cut the general fund from \$8 to 67 cents and give the extra cent to the sanitary board. In this motion only Councilman King supported him. Following this the levy and budget were passed unanimously.

"I am told by Frank Lingenfelter, city engineer, that the new sewage and garbage disposal plant cannot be operated unless the sanitary board is given more money," said Claycomb.

By-Products Net \$80,000
Councilman Ray said he learned the board received \$80,000 a year from by-products of garbage which was not shown in their budget. He also supported Mayor Shank's contention that increased property valuation would give the board more money on the same levy as this year.

"If all departments could operate this year, they can do it next year," said Councilman Bernd. "What we need is full time among employees we now have."

The new levy follows:
General city purpose.....\$.58
City sinking fund......07
Police pension......005
Firemen pension......005
School health......01
Park general......01
Park district bond fund......045
Recreation fund......015
Track elevation......015
Tuberculosis prevention......005
Sanitation maintenance......005
Sanitation bond fund......015
Board of health......01
World War Memorial fund......005
Thoroughfare plan fund......005
Street resurfacing......01
Flood prevention......01
Total.....\$1,055

An ordinance authorizing a bond issue of \$1,000 to pay the city's part in paying projects jointly with the county was passed under suspension of rules. Streets to be improved include Twenty-Fifth from Rural to Vandies Sts., Thirtieth St. from the Monon to Orchard Ave., and Martindale from Sutherland to Roosevelt Aves.

THIRD DOWNTOWN SAFE IS ROBBED

Regina Corporation Loses
\$54 to Yeggmen.

While detectives still were investigating the Charles Holloway & Sons office and Solomon's restaurant safe breakings of Sunday night, another looting of a strong box in a downtown building was reported today.

James Mahon, 1103 N. Keystone Ave., sales manager for the Regina Corporation, 485 Century Bldg., said \$54.86 was taken by yeggmen who pried off the top of a small safe. The robbers overlooked \$400 in a lower compartment. This job bore some similarity to the Solomon robbery, where a hole was chiselled in the back of the safe.

Mahon said the fact that entrance was gained by shaking a back window, thereby unlocking it, led him to believe some one familiar with the office was involved in the robbery.

Auto Left on Rims
W. D. Bushong, Esther apartments, Thirty-Second St. and Central Ave., reported to police today that four tires, valued at \$250, were stolen from his machine Monday night.

Last Call

JOSEPH SMORZKA

Funeral services for Joseph Smorzka, 86, Civil War veteran and fireman here for twenty-eight years, who died Monday at his home, 102 N. Pexel Ave., will be held at the residence at 2 p. m. Wednesday. Burial in Memorial Park cemetery.

"He was one of the finest men I ever knew, and one of the best fire fighters the department ever had," said Capt. Phil Kyle, one of the oldest firemen still in service.

Mr. Smorzka joined the fire department in 1874, serving at the old Engine House No. 6 at West and Washington Sts. He retired in 1902, before motorization. He was the driver and was declared one of the best horsemen in the fire department. It was said he had never had an accident in his long career.

He had lived here fifty-four years.

DEMOCRATS TO GIVE J. W. DAVIS ROYAL WELCOME

State-Wide Fan-Fare of
Oratory Is Planned for
Sept. 18 and 19.

Democratic politics in Indiana will hum with the formal opening of the campaign Sept. 18, according to leaders today.

A meeting will be held in every county on that day. State candidates and other orators are expected to cover the State in one great fan-fare.

On Sept. 19 John W. Davis, Democratic candidate for President, will invade Indiana on his swing from the West. He will speak at Gary.

A delegation of House Democrats including Charles A. Greathouse, national committeeman; Thomas Taggart, Walter Chambers, State chairman; Dr. Carleton B. McCulloch, candidate for Governor; and other State candidates will meet the Davis caravan at Gary and proceed by automobile to South Bend and Ft. Wayne the next day.

It is planned to make the Davis invasion one of the outstanding events of the campaign. Mass meetings are planned at South Bend in the afternoon and in Ft. Wayne at night.

Democratic leaders expressed satisfaction at the result of the Maine election, when it was pointed out that the Democratic candidate for Governor running on anti-Klux tick et ran far ahead of the Democratic candidate for Senator.

Reports are coming into State headquarters of McCulloch for Governor clubs formed among colored voters. One club at Shelbyville boasts more than 500 members.

AUTO BANDITS SOUGHT

Police spread a net across all in coming roads early today following a telephone call from Sheriff Winter of Lawrenceburg, Ind., who said that three bandits in an open car bearing an Ohio license held up Job Lowe of that city as he was driving to Cincinnati.

Lowe, the sheriff said, knocked one of the bandits from the running board of his car and ran over him and made his escape. Two other men picked up their injured companion and placed him in their auto and fled, driving toward Indianapolis. The men failed to get anything from Lowe.

Steering Wheel Brakes
Guy Steel, 2577 Burford St., suffered slight face and hand cuts today when he lost control of his machine on W. Raymond St., near the Illinois Central Railroad. Steel said his steering wheel broke and his car crashed into a telephone pole. Auto was badly damaged.

CORONER HEARS TESTIMONY ON KILLING OF BOY

Victim of Fatal Truck Accident Buried Before Sunday—4 Others Hurt.

Coroner Paul F. Robinson, today heard testimony upon the death of Hyman Calderon, 4, son of Mr. and Mrs. Gabriel Calderon, 1145 S. Capitol Ave., who was killed instantly Monday afternoon at Maple and Morris Sts., when he was struck by a lumber truck.

Religious ceremonies were held immediately for the boy with burial at the Turkish cemetery.

Oscar Hood, 41, of 1707 Ashland Ave., driver of the R. P. Foster Lumber Company truck that struck the boy, was slated at the city prison on a charge of involuntary manslaughter, and released on his own recognizance. Witnesses and told Sergeant Tooley that the lad ran from the truck, directly in the path of the truck, which was moving slowly. Hood stopped and picked the boy up, but the front wheel had passed over his head.

Guy Steel, 2577 Burford Ave., was injured about the legs and body when an auto he was driving over the tracks of the Illinois Central Railroad at Raymond St., crashed into a telephone pole when the steering wheel broke. William Barlow, R. R. B. Box 243, owner of the auto, was uninjured.

Miss Helen Gibson, 18, of 450 E. Washington St., was charged with assault and battery following an accident at Vermont and Pennsylvania Sts., when her auto is alleged to have struck William Penrose, 16, of 909 W. Twenty-Eighth St. Penrose was slightly injured.

Edward Timbs, 1054 W. McCarty St., was charged with assault and battery Monday. Police say his auto struck Carl Hamel, 16, of 818 Arbor St., at Blaine and Morris Sts., bruising him about the head and body.

Morris F. Stafford, 1521 Roache St., received a cut hand when he was thrown against the wind shield of his auto, that ran over the curb at 714 Massachusetts Ave., when he swerved suddenly to avoid a collision.

NORTH STAR IS READY TO OPEN

Theater, Burned Aug. 26, Is
Remodeled.

The North Star Theater, Twenty-Fifth St. and Central Ave., badly damaged by the fire which started in a laundry next door Aug. 26, will be reopened tonight. A. C. Zaring, proprietor, announced.

The theater has been remodeled, the fire having left practically nothing but the four walls. Repairs, including new screens, projection machine, resurfacing and redecorating, cost about \$5,000.

Zaring said work on his new 1,400-seat neighborhood theater at Central Ave. and Fall Creek Blvd. probably will start in thirty days. The theater will be as modernly equipped as big downtown houses, he said.

M. E. DELEGATES ARRIVE HERE FOR ANNUAL SESSION

Five Out of Seven District
Superintendents Will Be
Appointed.

Bishop Joseph P. Berry of Philadelphia, who will preside at the sixty-third session of the Indiana annual conference of the Methodist Episcopal Church opening tonight at the East Tenth Street M. E. Church, conferred today with members of the cabinet of this district.

This conference, it was pointed out, is unusual in the history of the Methodist Church in this State, as five out of seven district superintendents will be appointed.

This is brought about by a rule passed by the church limiting the service of superintendents to six years out of twelve. Retirement of four of the district superintendents is caused as a result, and a fifth asks to be retired because of illness.

Dr. Harry A. King of Indianapolis, superintendent of this district, if he is reappointed, will start his third successive year in that capacity and will be senior superintendent.

Appointment of the district superintendents by Bishop Berry in addition to the assigning of more than 350 ministers.

Ministers and other representatives began arriving here in large numbers this afternoon. They are registering at the East Tenth St. church and being assigned to homes of the city, where they will be entertained.

Tonight, the ministers and other guests will be welcomed to Indianapolis by Earl R. Conder, president of the Church Federation of Indianapolis.

The conference sessions will get underway Wednesday morning, closing on next Monday.

Campaign DAY BY DAY

Maine remained regular in every respect and elected a Republican Governor by between 30,000 and 40,000 majority in Monday's election. Republican Senators, Congressmen and State legislators were also elected.

To prove it is sincere in its support of the Davis-Bryan ticket, Tammany Hall will stage rallies in every district in greater New York tonight.

In Chicago, Senator Borah is conferring with members of the Republican national committee preparatory to taking the stump for President Coolidge.

Senator La Follette told labor leaders in Washington that their independence have an absolutely even chance to win.

John W. Davis is resting for two days at Estes Park, after wrestling with the maze of Klan complications in Denver.

Senator Wheeler, campaigning in New York State, added Secretary Mellon to the list of Republican officials he is attacking, charging that Mellon blocked his investigation of rumored irregularities in the prohibition enforcement department.

Stolen Car Recovered

Earl Carmichael, 23, and Clarence Jobe, 23, both of 1502 N. Illinois St., were returned here from Richmond, Ind., Monday night and slated at the city prison by Detectives Irick and Giles, on charges of vehicle taking. The boys are alleged to have been in a car owned by Paul Harmon, 1302 N. Capitol Ave., taken from in front of his home last Saturday.

COUZENS FIGHTS TO RETAIN SEAT IN U. S. SENATE

Regular Republicanism and
Klan Figure in Michigan
Primary.

By United Press
DETROIT, Mich., Sept. 9.—Coolidge policies and prohibition were the chief issues as Michigan Republicans went to the polls today to choose between Senator Couzens, a candidate for renomination, and Federal Judge Arthur J. Tuttle, who is sponsored by most of the regular Republican leaders and the anti-Saloon League.

Governor Alex J. Groesbeck seeking a third term against six opponents was also the storm center of a red hot political fight and several Congressmen had contests on their hands, but Couzens and Tuttle were the main attraction, with Couzens' victory over Judge Tuttle, who is sponsored by most of the regular Republican leaders and the anti-Saloon League.

Don't miss it.—Advertisement.

Tuttle and the Coolidge supporters are calling upon the voters to send a staunch administration man to Washington.

Senator Couzens has announced his intention of voting the Coolidge-Dawes ticket, but he continues to insist on his right to use his own judgment in Congress. He will be loyal to the President and his party as long as they are loyal to the people, he says.
