

COUNCIL ORDERS COMMISSION FOR STUDY OF MARKET

Tangle Seen When Thompson Protests Legality of Resolution.

Parliamentary maneuvers of delicate design featured the city council meeting Monday night causing members today much concern as to what was really done, and what will have to be done.

A resolution of Councilman Lloyd D. Claycombe providing appointment of five citizens to study conditions at the city market and recommend improvements started the fireworks which continued to glow today. This commission was to be given a salary of \$1,000.

Claycombe urged adoption of the resolution as the "only solution to the market problem." He admitted he was not ready to pass on what should be done to the market, and said proposed expenditure of \$189,000 was too much to spend without investigation.

King Saves Day

President Walter W. Wise spoke for the resolution, followed by Theodore J. Bernd and Ira L. Bramblett. Heydon W. Buchanan spoke in opposition, saying the resolution "shifted responsibility" and "put the council back where it was." When called to a vote the resolution failed with only four favorable votes, Councilmen Buchanan and Ben H. Thompson voting "No." Councilman John E. King arrived later. With his favorable vote the resolution was declared passed, although Councilman Thompson protested, saying no resolution could be introduced and passed in the same meeting without unanimous consent.

In direct retaliation, Thompson called out the market contract ordinance, hoping to defeat it and set

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edward's Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force you to unnatural action. If you have a "dark brown month"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night just to keep right. Try them. 15c and 50c.—Advertisement.

BRITISH PREMIER DEFIES LIBERALS

Speech Will Probably Lead to General Election.

By United Press. LONDON, Oct. 7.—Defying opposition and scoring Liberal tactics, Premier MacDonald probably made certain a general election by his speech today at the first Labor party conference since labor came into power.

"I should not complain if a challenge came on vital issues," MacDonald said. "But the Liberal proposal to investigate Editor Campbell (a communist charged with sedition, against whom proceedings were dropped by the government) is in the spirit of medieval crookedness and torture."

When MacDonald predicted a vic-

tory at the polls he was wildly cheered. MacDonald defended the Anglo-Russian treaty, but repudiated communism, denouncing it as "detestable."
