

FORGET-ME-NOT TO BE CELEBRATED SATURDAY, NOV. 8

Disabled Vets Hope Drive
Will Be Successful—
Many to Help.

CINCINNATI, Nov. 4.—Thousands of American soldiers confined in hospitals and other institutions throughout the United States, their bodies racked by pain from injuries suffered in the World War, the flooding the National headquarters of the Disabled American Veterans with letters that breathe fervently that this year's "National Forget-Me-Not Day," to be observed on Nov. 8, will be crowned with success.

According to communications received from mayors and civic officials in more than seven hundred cities and towns, the sacrifices made by these men, who went away strong of mind and body, in defense of their country, and returned incapacitated by the ravages of war, will not be forgotten.

Preparations have been made in more than seven hundred cities and towns for the distribution of these little forget-me-nots by hundreds of thousands of women, girls, college and school students, boys and girl scout organizations and other bodies in order that funds will be forthcoming to perpetuate the work outlined by the Disabled American Veterans of the World War in behalf of their helpless comrades.

Voluntarily, once again thousands of theatrical and movie celebrities have come forward with offers to assist in every possible way to put this year's "National Forget-Me-Not Day" across on a goal that has never been reached before.

Women's clubs, patriotic and veterans societies and fraternal organizations have promised their fullest cooperation and assistance. The radio will be used by Governors and mayors as well as civic officials to acquaint the people with the object of the day, that the most generous response possible may be forthcoming.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets—the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, causing pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 50c. —Advertisement.

Gould Trial Lawyers Smoke at \$10 Per Puff

By E. R. HIGGINS
Nea Service and Indianapolis Times Artist.

EVERY time a lawyer opened his mouth during the suit between heirs of Jay Gould it seemed to me that I could see dollars roll out and take wing. This is the most expensive litigation in the annals of American law.

I witnessed Edwin Gould hesitating one-half a minute before answering a question and realizing that that delay cost the litigants \$20.32.

One of the attorneys puffed a cigar at about \$10 a puff. The trial costs \$2,500 an hour and lasts four hours a day, three days a week, and it has been going on for weeks.

However, and whereas, old Jay Gould was a crafty sort. He invested his money so that it works even while the heirs sleep. Their income is \$2,000,000 a year. The trial, proceeding at its present rate of twelve hours a week will cost only \$1,500,000 if it lasts a year.

Every minute of the hearing before Referee James A. O'Gorman costs the Gould heirs \$41. Yet none of the Goulds who appeared as witnesses seemed to be in any particular haste to answer questions.
