

SAFETY ADVISORS OUTLINE PROGRAM

State Committee Holds
Formal Meeting.

The safety advisory committee recently appointed by Governor Elmer F. Branch and the public service commission to cooperate with Commissioner Frank T. Singleton in promotion of safety on Indiana highways and railroads held its first formal meeting today with Singleton.

Means of promoting safety were discussed and the complete functions of the unofficial body outlined. No legislative program is to be undertaken but the committee will provide such aid and information as desired by legislators seeking safety legislation.

The committee: Walter Pritchard, Indianapolis, motor clubs; H. N. Sherwood, schools, State Superintendent of public instruction; B. C. Byers, general superintendent, Big Four Railroad; P. H. Crane, secretary, Indiana Farm Bureau Federation; Ell F. Seebirt, mayor of South Bend, and John D. Williams, director, State highway commission.

PEGGY MARSH MARRIED

British Officer Husband of Seeker of Field Fortune.

By United Press
LONDON, Jan. 3.—Peggy Marsh, whose greatest claim to fame was her fight in the Illinois courts for a share of the Marshall Field fortune for her son, is honeymooning on the continent today with Capt. K. R. G. Fenwick, late of the Royal Horse Guard. They were married New Year's day at the Marybone registry office.

BOY COASTER IS KILLED

Sled Crashes Into Building, Architect's Son Dies.

By United Press
BEDFORD, Ind., Jan. 2.—A New Year's night coasting party ended in the death of Cecil Hill, 13, the son of William Hill, an architect.

Young Hill, with several other boys, was coasting on a steep slope near the public square. Hill was guiding the sled and lost control, crashing into the side of a building. Others riding on the sled escaped injury.

MARION THEATER BURNS

Blaze Discovered Just Before Afternoon Performance.

By United Press
MARION, Ind., Jan. 2.—Loss from the fire which swept the Royal Grand Theater here New Year's afternoon was estimated today at \$25,000.

The blaze was discovered a few minutes before the afternoon performance was to begin. The Royal Grand, the oldest theater in Marion, was built forty years ago.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germs that lead to serious trouble.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, catarrhal bronchitis and other respiratory troubles. The emulsion in Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation. Creomulsion is absorbed on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to serious trouble.
