depths as shown on plan; grading the  
 ways to a uniform width of 13 feet.  
 All to be as shown on plans and as  
 needed.

Persons interested in or affected by said  
 described public improvement are hereby  
 notified that the Board of Public Works of

city has fixed Wednesday, Jan. 7th, 1925, 2 p. m., as a date upon which re-  
constructions will be received, or heard.  
Against the amount of \$100,000, each  
piece of property described in said roll,  
and will determine the question as to  
whether such lots or tracts of land have  
been or will be benefited by the amount  
named on said roll, or in a greater or less  
than that named on said roll.  
Said assessments roll shall also contain  
specific assessments, with the names of own-  
ers and descriptions of property subject to  
assessment, is on file and may be seen at  
the office of the Board of Public Works  
of said city.

**DEPARTMENT OF PUBLIC WORKS.**

**OFFICE OF THE BOARD.**

**Indianapolis, Ind. Dec. 27, 1924.**

**TO WHOM IT MAY CONCERN:** Notice is hereby given by the Board Public Works of the City of Indianapolis, Indiana that on the 26th day of December, 1924, at its regular meeting, it has adopted the following resolution, to-wit: That the Board do hereby certify that the following named persons are the successful bidders showing the prima facie assessments for the following described public improvement authorized by the Improvement Resolution Numbered \_\_\_\_\_ Local Sewer Improvement Resolution No. 11778.

\_\_\_\_\_, May 17 1924.

Resolved by the Board of Public Works of the City of Indianapolis, State of Indiana, that the construction of the following sewer and drainage system, to be located by the property holders whose property abuts thereon, and not intended or appropriated for public use, and for lateral drains, be, and the same is, here-ordered in and along

**TWENTY-SIXTH STREET.**

From Northwestern Avenue, to Annetta Street.

More particularly described as follows: Beginning at the intersection of Sixth Street at the east property line of Northwestern Avenue, thence west in Twenty-Sixth Street to a point 23 1/2 feet from the east property line of Annetta Street, thence said sewer shall consist of Vitrified pipe 12 and 15 inches in diameter.

And said sewer shall be appropriated and shall be constructed in accord-

work with the profile and specifications now on file in the office of the Department of Public Works, the city. The cost of said improvement shall be apportioned against and paid by the property holders whose property is benefited thereupon the city of Indianapolis, the city is benefited by said improvement, all according to the method and manner provided in Act No. 124 of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," passed March 19, 1915. The improvement is deferred, and is to be paid in ten equal annual installments, with interest at the rate of 8 per cent per annum, beginning on the date assigned to the contractor in payment for such work, unless the property owners have caused assessments to be made before said date. Under no circumstances shall the city of Indianapolis be

be held responsible for any and all claims and demands against said work, or for said work, or for the collection of same, or for the payment of any bond or bonds, certificate or certificates, or for the payment for such work, except for such moneys actually have been actually received by the City from the actual collection of such moneys as said city is said above entitled. Act required to be passed by the City Council. All proceedings had, and work done, and assessments of property, collections of assessments, and issuance of bonds therefor shall be provided for in said above entitled Act.

Persons interested in or affected by said public improvement are hereby notified that the City of New York, New York has fixed Wednesday, Jan. 7, 1925, 2 p. m., as a date upon which re-

disbursements against the amount assessed against each piece of property described in said roll, and will determine the question as to whether such piece of property is to be taxed and how much it is to be taxed, and if the land has been or will be benefited in the amount named on said roll, or in a greater or less sum than that named on said roll.

Said assessment is not showing said prime assessments with the names of owners and descriptions of property subject to be assessed, but the same may be seen in the office of the Board of Public Works said city.

**FOR THE IMPROVING OF PUBLIC WORKS**

DEPARTMENT OF PUBLIC WORKS  
OFFICE OF THE BOARD

Indianapolis, Ind., Dec. 27, 1924.

WHO MIGHT IT MAY CONCERN:

Notice is hereby given by the Board of public Works of the City of Indianapolis, Indiana, that on the 27th day of December, 1924, they approved an assessment bill showing the prima facie assessments for the following described public improvement to be authorized by the Improvement Resolution named:

Local Sewer Improvement Resolution No. 2056

Resolved by the Board of Public Works of the City of Indianapolis, State of Indiana, that the construction of a local sewer, including the cost thereof for local abatement by the property holders whose property abuts thereon, and not intended or

Said sewer shall consist of Vitrified pipe 12 inches in diameter, and said sewer shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of the City of Seattle, and the cost thereof shall be apportioned against and paid by the property holders whose property abuts on said sewer.

The city benefited by said improvement, all according to the method and manner provided for in an Act of the Legislature of the State of Illinois, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, assessments, if deferred, are to be paid in an equal number of installments, not less than six, at the rate of 6 per cent per annum. Bond or bonds shall be issued to the contractor in payment for such work, unless the contractor has previously deposited before said bond or bonds are issued. Under no circumstances shall the contractor be held responsible for the liability for any sum or sums due from said property owner or owners for said work or for the collection of same, or for the purchase of materials, or for the duplicate or certificates issued to said contractor in payment for such work, except

[illegible]

Said assessment roll showing said prima facie descriptions of property subject to said assessments is on file and may be seen at the office of the Board of Public Works said city.
