

HOUSE RECEIVES 'BLUE LAW' BILL

Measure to Stop Sunday Amusements Presented.

Proposed legislation requiring strict observance of Sundays and compelling school officials to arrange for display of the American flag on school buildings was introduced in the Indiana House today.

Representative Kissinger, Columbia City, was author of the so-called "Blue Sunday Bill," which is said to be sponsored by the Lord's Day Alliance, and has, at least, sanction of the Ku-Klux Klan.

Under the Kissinger bill it would be unlawful for any motion picture show, theater, poolroom, bowling alley, dance hall, saloon or amusement place to operate on Sunday. No person could employ another more than six days a week or more than twenty-four hours continually.

Seventh Day Adventists and others observing a Sabbath other than Sunday would be exempt from provisions of the bill. Heavy fines, sentences and closing of offending places of business are provided.

Representative Cooper, Terre Haute, introduced the bill requiring display of flags on schoolhouses.

A Puzzle a Day

The drawing represents a square piece of land in which there is a square mansion surrounded by fifteen trees. The puzzle is to divide the lot into five equal and similar parts, each containing three trees similarly situated, with the house eliminated.

Can you do it?
Yesterday's answer:
The monkey climbing the greased pole, 60 feet high, by ascending 3 feet in one second and slipping back 2 feet the next, reached the top in 1 minute 55 seconds.
He is ascending at the rate of a foot in two seconds. At the end of 114 seconds he has attained a height of 57 feet. In the next second he goes up three feet and thus reaches the top of the pole—a total of 115 seconds, or 1 minute 55 seconds.

Do This After Severe Illness

How to Speedily Gain Strength and Put on Needed Weight

Nothing like the wonderful vitalizing vitamins in Cod Liver Oil to help convalescing people to quickly get strong and well—everybody knows that.

But nobody wants to take the ill-smelling, horrible tasting, stomach upsetting oil itself, so nowadays, up to date medical men are ordering a tablet of Cod-Liver Oil and it surely has proved a blessing to thousands of people who have been sapped of their natural strength after a severe illness and especially after the Grippe or a stubborn cough or cold.

Ask Hook, Haag, Goldsmith Bros. or any regular druggist for a box of McCoy's Cod Liver Oil Compound Tablets. They cost but little, are sugar coated and as pleasant to take as candy.

Skinny men and women take them to speedily put on plenty of good, healthy, solid flesh, and for this purpose they are so extremely good that thin men and women often take on 5 pounds or more in 30 days. As a matter of fact, your druggist will return your money if you don't take on 5 pounds in 30 days.

Great for weak, skinny, backward, run-down children, too, and gives them a hearty appetite.
Be sure and ask for McCoy's, the original and genuine Cod Liver Oil Compound Tablets—60 Tablets—60 cents.—Advertisement.
