

## FEAR NOT RIGHT KIND OF EGOTISM, PASTOR TELLS US

Rev. Philpott Gives Good  
Advice to Young  
Folks.

CONTENDING that "a certain amount of egotism, self-esteem and respect is essential to character," Dr. A. B. Philpott, pastor of the Central Christian Church, Sunday delivered a sermon of interest to young people.

"The fellow who hasn't self-respect, esteem and who doesn't think much of himself, doesn't amount to much," Dr. Philpott said.

Continuing, he said: "I have too much respect for myself to do certain things and to go with certain kinds of people. The Bible says, 'Let not a man think too highly of himself than he ought to think.' I believe that the feeling of self-pride is a barrier to vice. I feel that I can't afford to do certain things."

"Young people, think of yourself as well as others. You have certain rights—self-respect, the right to guard and guide yourself."

"The reason so many young men are failures is that they just don't think anything of themselves. They choose questionable companions with no thought of themselves and they get into trouble."

"The winning virtue is the right kind of self-respect. I like to see young men and women have a certain pride, not egotism in the accepted sense of the word."

"Man must think of himself before he can think of others. If I have no respect, no principle of life and no idealism, what good can I do for others?" Dr. Philpott asked.

—brings joy to you and your friends.

EVERY man, woman and child wants to have strength and correct weight. It means the joy of living. To be minus strength and underweight often proves loss fighting-power in the body. It often means you are minus nerve-power, minus red cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S.S.S., since 1895, has meant to thousands of underweight men and women a plus in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, fatter, happier, and you feel it, too, all over your body.

More red-blood-cells! S.S.S. aids Nature in building them by the million! There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today. It will give you more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

## COURT BILL DRAWN UP

Bar Association Takes Step to Relieve Crowding of Docket.

A committee of the Indianapolis Bar Association, including Senator Thomas A. Dally and Representative Charles E. Belinger, is drafting a bill designed to replace the present city court with four municipal courts, judges to be appointed by the Governor. Marion County Legislators Saturday night were guests of the association at a dinner at the Indianapolis Athletic Club.

The city judge now handles 32,000 cases a year.

"Promiscuous arrest of persons and their alleged trial in city court is an infamous crime and a disgrace to civilization," said Attorney William L. Taylor, in an address.

## INDIANA SCHOOLS IN FOURTH PLACE

State Jumps From Seventeenth Rank.

Indiana now ranks fourth in education in the United States, according to an article by Donald Du Shane, Columbus, Ind., in the Indiana Teacher, issued today. The State jumped from seventeenth place in 1918, according to Du Shane, who quotes from the United States Bureau of Education statistics as modified by Leonard P. Ayres, noted educator.

California ranks first, New Jersey second and Ohio third, according to the statistics.

Points of comparison included statistics on attendance and on per capita expenses and other expenditures.

According to Du Shane, Indiana's rise was due to three "carefully planned laws"—the school attendance law, the minimum wage law of 1920 and the Johnson "home rule" law providing a financing system.

Granted Wish to 'Die With Boots On.'

DAVID A. GRESH  
St. will be held 9 a. m. Wednesday at St. Peter and Paul Cathedral. Burial in Holy Cross cemetery.

Captain Gresh, who had been ill for some time, returned to work Thursday. When the blaze at the

storeroom looked as though it might be serious, he entered the building. Old rags and refuse in the basement caused a dense smoke and Gresh came out of the building and sank to the ground. Artificial respiration by firemen and hospital attaches was in vain.

When Gresh was seriously ill Christmas he told his family he "wanted to die with his boots on and not go like this."

Besides his wife, a brother, three sisters and two grandchildren survive.
