Greencastle Scene of Important State College Basketball Battle Tonight—Swarm of Fans Expected.

By Times Special GREENCASTLE, Ind., Jan. 20.—The De Pauw University basketball team is ready for the Butler invasion tonight and supporters of the Tigers hope for an upset of the dogs which will find the local collegians on top at the final gun.

De Pauw played the Washburn team on even terms at Crawfordsville last week until the final ten minutes of the game when the Scarlet broke loose with a flock of goals. The team hopes to keep up the pace against the Pagemen tonight.

A capacity crowd at Bowman gymnasium is assured for the scrap. Coach Morrison said he would start the following line-up: Stewart and Ward, forwards; Sturridge, center; Puckett and Hirt, guards.

Puckett is a new cog in the machine who earned his place by a fine showing against Franklin. He is a sophomore who has been coming along fast in the past few weeks.

A long drill was held Monday in basket shooting.
