## COLDS SOON ENDED BY HEALING CREAM

If the Children are feverish, fretful from a head cold or catarrh with nostrils clogged, and head all stuffed-up, just apply a little pure antiseptic cream into the nostril. It penetrates through every air passage, soothing and healing swollen, inflamed membrane and they obtain instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Nothing clears the head so quickly. Count fifty. All the stuffiness, dryness, struggling for breath will be gone. This is so much better than drugging children that every mother should use Ely's Cream Balm.—Advertisement.
