

NO SPEED COPS NEEDED

License Bureau One Place Where Motorists Are Slow.

There are fewer automobiles in Indiana now than in 1924, or auto owners are displaying more than the usual propensity to procrastinate, according to H. D. McClelland, manager State auto license bureau.

"License applications will have to come in faster than they are now or we'll go below the 1924 record," McClelland said. "Last day is Feb. 15. After that, if any auto driver hasn't a 1925 license he can tell it to the judge."

Calendar Calls for Trials Will Be on Feb. 3 and 4.
