

MANUAL ATHLETIC FIELD ASSURED—CITY AMATEUR NET CARD DRAWN

Alumni Association and School Board Reach Agreement—Two Sites Available for South Side Project.

The rumor that Manual Training High School was to have an athletic field was confirmed today. C. B. Dyer, 2023 N. New Jersey St., chairman of the Manual field committee, said the alumni association of the school will purchase a field and the school board will furnish a fence, bleachers and a field house. A satisfactory agreement has been reached between the school board and Manual committee.

Dyer said the movement was started by a high school fraternity organized in 1907, of which he is a member. Accordingly, letters have been sent to all the old fraternity members and to many others of the Alumni Association. Donations are already coming in, led by Dyer with a \$100 contribution.

The location of the field has not been decided. Two places are in view and until a choice is made the exact location will be withheld. One is but eight blocks from the school, he said, and the other eleven.

Always before the school teams have been forced to practice at Garfield Park, about two miles away. The first site in mind would cost \$10,000, Dyer stated, and the other \$8,000.

It is a well-known fact that the South Side High School is greatly in need of an athletic field. Football, gridiron, baseball diamond and running track will be provided.

A campaign is on for funds. Contributions may be paid over a period of years. Checks should be mailed to C. B. Dyer, 234 Massachusetts Ave., and made payable to J. P. Frenzel Jr., or Roy Salm, and

O'CONNELL'S MOVE MAY BLOCK SCANDAL PROBE

Jimmy Asks Immunity If He Presents Himself for Examination—Other Testimony Not Worth Much.

By HENRY L. FARRELL
United Press Staff Correspondent
NEW YORK, Jan. 29.—Investigation of the Dolan-O'Connell baseball scandal by the district attorney's office may be blocked permanently by the demand of Jimmy O'Connell for immunity if he presents himself for examination.

Assistant District Attorney Brothers, who is in charge of the investigation, practically admitted the testimony of the several players already examined has been only a repetition of that given to Commissioner Landis and that little may be accomplished if O'Connell and Dolan are not examined again.

"It would be impossible for me to grant immunity to any one at this time," Brothers said. Commissioner Landis promised that any one connected with baseball would appear at the district attorney's call, but Dolan and O'Connell are not connected with baseball at this time.

The two principals in the scandal, banished by Landis, are not in the jurisdiction of the New York courts and extradition is not practical.

The entire Pacific Coast is in sympathy with O'Connell and it is not likely the Governor of California would turn over for a criminal trial a youngster who is looked upon as the "goat."

Another angle to the case is that O'Connell might be able to repudiate his confession.

TWO MORE MARKS GO TO NURMI

Paavo Adds to List of Records—Frigerio, Walker, Is Beaten.

By United Press
NEW YORK, Jan. 29.—Two more world records, giving him a high run of fifteen since he arrived in this country, were marked up Wednesday night in Madison Square Garden by Paavo Nurmi, the unstoppable Finn.

Setting a killing pace that caused Jole Ray, America's best, to quit after two laps, Nurmi won the one-mile-and-a-half feature of the Millrose games in the record time of 6:28.5, and he flashed past the mile-and-one-eighth mark in a new record time of 5:30.15.

While Europe's greatest runner was living up to his reputation, the greatest walker from the other side, Ugo Frigerio, Olympic champion at Antwerp and Paris, was badly beaten by Willie Plant, American champion.

Plant got away in the lead in a 5,000-meter race and "walked the Italian almost through the track," winning the event by almost three-quarters of a lap in 22:06.4. It was a record, as the event never had been contested on an indoor track.

The veteran, George Goulding, Canadian champion, was ordered out of the race by his physician, who said a bad heart might result in a fatality. Goulding had trained a year for the race.

Georgetown's two-mile relay team, Brooks, Holden, Sullivan and Marsters, broke the record for the second time since Saturday night by doing the distance in 7:44. Marsters, who ran the anchor, did his half mile in 1:54.5, which equaled the indoor record for the distance.

By Times Special
NEW YORK, Jan. 29.—Paul Berlenbach, who has stopped numerous opponents, now wants to take the place of Tommy Gibbons as the challenger of Gene Tunney for the so-called American light heavyweight title.

"Gibbons got his challenge in first and he has first call on Tunney," Berlenbach said. "It let akes down his challenge I'll put in mine."

Berlenbach started as a middleweight, but has taken on pounds within a year and cannot challenge Harry Greb for the middleweight championship any more. He fights Tony Marullo of New Orleans in the Garden Friday night. Marullo is a lightweight.
