The school was wired for electric lights through efforts of the club. Extension of English car line and lighting of Christian Park will be asked.

## Industrial Unrest Traced

The root of industrial unrest in America comes when employer and employee have lost faith in each other, asserted Sherman Rogers, international president of the Optimist Club, at the local club dinner Wednesday night at the Lincoln. Approximately 500 persons attended.

## State Contractors Elect

Max Irmshar of Ft. Wayne was re-elected president of Associated Building Contractors of Indiana. Other officers chosen at close of convention Wednesday at the Claypool: C. C. Pierson, secretary-treasurer; J. H. Owens, field secretary, and H. A. Fenton, general counsel, all of Indianapolis.

## STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets "arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without grating, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 50c. —Advertisement.

## FARMERS' LOSS FEARED

Arguments Put Forward Against Present Market Bill.

Passage of the cooperative marketing bill as it now stands would result in restriction of old contracts that would effect considerable hardship on certain classes of farmers, persons seeking amendments to the bill argued today.

Southern Indiana tobacco growers, freed by courts of contracts made with Kentucky burley associations, would be forced back to their original status and would be required to share deficits suffered by the associations during the slump in the tobacco market four years ago, it was said. The same situation would arise in Lake County also, it was said, in reference to a now defunct milk producers' association. Amendments seeking to clear this difficulty were killed when the bill passed second reading Wednesday.
