

FAMINE BLIGHTS WESTERN IRELAND

Thousands in Danger of Death by Starvation as Result of Potato Crop Failure.

By United Press
DUBLIN, Jan. 30.—Eye witnesses to the suffering and distress in western Ireland due to failure of the potato crop, brought word to Dublin today that underlying conditions in the blighted areas are worse than in the black year of 1847, when thousands eventually died by the roadside of starvation.

Those who saw conditions in Conemaugh and Donegal this week declare fatalities of 1847 will be exceeded unless relief measures are immediately augmented.

Ill-clad women and children, deprived of warmth and food through excessive rainfall of the past weeks, are living in freezing hovels, with practically nothing to eat. Their men are in despair, with the potato crop blighted and fuel nearly unobtainable.

On the western and northwestern coast housing conditions, normally exceedingly poor, now are appalling. Pierce gales have whipped the roofs from many cottages.

As one passes from town to town, signs of famine are apparent. Children, with sunken cheeks, lie in sodden beds of hay, huddled together for warmth and crying for food.

Nurses are busy throughout the stricken areas, fighting pestilence, while male volunteers are trying to get fuel to the sufferers. In normal times the peat bogs furnished fuel to the West, but now the rain-soaked peat is unfit for fuel.

The vicinity of Athlone, where farmers normally are self-sustaining, was said by eye witnesses to be in a frightful condition. Continuous rainfall has soaked everything.

To make matters worse, the river Shannon, famed in song, has flooded and devastated farms along its banks, forcing many farmers to leave their homes.

Old Folks Can Grow Younger During 1925

Feel Younger Anyway—If Willing to Take Good Advice

Nowadays old folks are increasing their strength, vitality and endurance by the use of Cod Liver Oil, which, according to medical men, is full of vitamins and is the greatest body builder in the world.

Of course they don't take the nasty tasting, evil smelling, stomach upsetting oil itself. Few sensible people do that in these enlightened days, when

McCoy's Cod Liver Oil Compound Tablets—sugar coated and easy to take—are sold in every drug store in the land—60 tablets for 60 cents.

Old people who want to keep young and vigorous as long as they can will find that these Tablets are just what they need to keep in first-class condition.

Scientists tell us that "Cod Liver Oil is useful during every stage and age of life" but at no time is its wonderful building power more clearly demonstrated than in old age.

Why not get 60 tablets today and increase your already decreasing energy and strength. Take them for 30 days and note the pleasure you get from feeling younger again.

There is no question but what they will help you and of that you are the judge—if they don't help—your money will be returned by the druggist from whom you bought them—for McCoy's Cod Liver Oil Compound Tablets are rigidly guaranteed. Be sure, however, to get McCoy's—the original and genuine. Ask Hook, Haag, Goldsmith Bros. about them—Advertisement.
