

## VISITORS THROG INTO WASHINGTON FOR INAUGURATION

'Probably Rain' Is Forecast of Weather Bureau—Hotels Crowded.

By United Press  
WASHINGTON, March 3.—Visitors, politicians and office holders, thronged into Washington today for the inauguration Wednesday of Calvin Coolidge as thirtieth President of the United States.

"Increasing cloudiness and warmer, probably followed by rain," was the early weather forecast as capital residents prepared for their day of days. Hotels are crowded. Bunting and flags festoon the principal buildings.

**Frenzy Lacking**  
There is not the victorious political frenzy of the old inaugurations. The zeal the Capital displayed for its world's championship baseball is not in evidence, but quiet, good humored thousands are waiting—indoors today, because of the below freezing weather—for the significant ritual of the induction of Coolidge and the Sixty-Ninth Congress at noon Wednesday.

Military trappings and uniforms are on display in preparation for the parade which will include all branches of the military service and many State delegations down Pennsylvania Ave., following the ceremonies. A squadron of tanks, troops of cavalry and companies of the other branches are parading the side streets.

Coolidge remains aloof from the bustle. He omitted today part of his daily walk and returned to his desk to work on the few bills Congress has enacted this season.

Col. John Coolidge, the President's father, was to arrive late today from Vermont.

## KIDNEYS NEED LOTS OF WATER AT TIMES

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally. else we have backache and dull misery in the kidney region, severe headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.—Advertisement.

### Lines to be Extended

Supreme Court Ruling Limits State Bus Regulation.

Following decision Monday of the United States Supreme Court denying right of States to interfere with interstate commerce passing over its roads in vehicles, W. H. Hiner, president of Red Ball lines, announced his company would extend the Richmond line to Dayton, Ohio; the Montezuma line to Paris, Ill., and the South Bend line to Niles, Mich. Under the ruling it is believed the public service commission would have no jurisdiction over lines. The Moorhead bill placing bus operation under the public service commission passed the Indiana House Monday.

ABOVE—BROADWAY M. E. CHURCH. BELOW—NEW METHODIST CHURCH SITE. LOWER LEFT—THE REV. JOHN W. McFALL. RIGHT—THE REV. CHRISTIAN O. WEBER.

Completion of an agreement whereby the First Moravian Church will purchase the building of Broadway Methodist Episcopal Church, Broadway and Twenty-Second Sts., for \$60,000, was announced today by Dr. Charles E. Cottingham, president of the Broadway trustees.

The Moravian Church at Twenty-Fifth St. and College Ave., was destroyed by fire Dec. 28. The Broadway congregation will retain possession for fifteen months.

Broadway plans erection of a new church plant to accommodate more than 3,000 persons, on the north bank of Fall Creek at Broadway, Dr. Cottingham said.

### New Churches Formed

Tentative plans for the new building will be discussed with Edward F. Jansson, representative of the Methodist Board of Architecture, Chicago, at a quarterly conference Friday night. The present building was erected in 1908. The Rev. John W. McFall is pastor.

Services of the Moravian Church have been held at a residence at 658 E. Twenty-Fifth St., since the fire. R. W. Bauman, president of trustees, said. The Rev. Christian O. Weber is traveling through the East raising funds for purchase of the building.

The size of the congregation has trebled since Rev. Weber became pastor six years ago, Bauman said. Three branch churches have been established.

Third church, which was organized this year, is using its parsonage for a temporary chapel. Erection of a new structure at Thirty-Eighth St. and Emerson Ave. is planned.

**More Buildings Planned**  
The Rev. Vernon Couillard is pastor of the Second Friends Church and Colonial Park Church. During the absence of Rev. Weber, Rev. Couillard is serving all four of the churches.

Second church plans expenditure of more than \$30,000 for a church structure to be built over the present basement. Temporary quarters will be converted into parsonage when the new building is built, George Golder, president of trustees, said.

Colonial Park Church, the fourth congregation, plans to purchase a lot at Sixty-First St. and Cooper Ave. as a site for a new edifice.

Five Accused of Running 'Blind Tiger' Place.

Police Chief Herman F. Rikhoft today ordered Capt. Charles Sumner, his special investigator, and Capt. William Paulsel to investigate thoroughly charges that five colored police officers had rented a place at 837 Persimmon St., in which to gamble and sell "mule" whiskey.

Accused officers are Patrolmen Plaz Jones and Admiral Harris, Detectives George Snead and Edward Traube and Trafficman Thomas Hopson. The charges were made, police said, by Miss Ruth Floyd, 22, colored, 1925 Cornell Ave., arrested with three men Monday night on vagrancy charges in a raid on the Persimmon Ave. place by Lieutenant Eshenburt and Patrolman Eller.

The men held with Miss Floyd were Franklin Johnson, colored, 731 Indiana Ave.; Simon Abanathy, 33, colored, W. Pratt St., and Frank Goral, 40, of 821 N. Illinois St., whom police charged they found intoxicated and asleep.

afraid he can't take care of me, either. And I can't work. It was my sickness and doctor bills that took all our money. I have little Charles William to care for, I can't leave him."

Tears were in her eyes as she speaks—silent, bewildered tears.

But her neighbors are kind. When news of the tragedy came Mrs. Nellie Short, who lives across the fields, took the little family into her home.

"Davis was a pal of my husband's," said Mrs. Short. "Mr. Davis subletted two and a half acres from us. They were buying it like rent. They just moved here from the city last fall and had intended to build a better house in the spring. She hasn't anything. I don't know how much they have paid on their land, but my husband won't be hard with them. How they will eat, though, I don't know."

### Little Girls Play

Florence, 3, sat in a corner in the Short home, playing with blocks. Another little girl, Ina, the oldest, helped her mother take care of the baby. The children are warmly dressed. Ina, who goes to school, wore a sailor suit of blue. Freedra, 5, and Ina talked in low whispers. Only the mother's tears suggested the tragedy that had overtaken them.

Mrs. Davis said her husband was a former soldier and a member of the Modern Woodmen.

He formerly was a preacher. "He was such a good man," she said. "Only Sunday he went to church—at Garfield Church of Christ, Broadway and Boyd Aves. He helped in mission work, and he always said grace before every meal."

Mr. Davis had been employed by Holcomb & Hoke Manufacturing Co., 1545 Van Buren St., for three years.
