Your interests, Mr. and Mrs. Customer, are always first with us. We aim to please you no matter how far we will have to go. Try us and see.

This sale is proving a bonanza for couples just going to housekeeping.

Just about a week ago we started selling the stock of furniture, stoves and rugs that we bought from Wheeler Bros. at less than 30 to 50% from their wholesale figures, and, being an enormous purchase involving a sale of about \$100,000 at retail prices, you naturally will realize that although thousands of people have made purchases since the opening that there still remain more household goods that has not been sold than what has been delivered to our customers' homes. Therefore, we present this page full of items that we have gathered together from all over this vast store that we can offer you at the most remarkable savings that makes it unbelievable that such prices could be quoted. The only way to realize it is not to forget that Wheeler's sold their entire stock to us at the enormous discount of 30 to 50% off what they had to pay real dollars for, and for that reason only can we quote such unbelievable prices. From those who have purchased last week we know there is not one who would sell their purchase for anything like what they paid for it, so low have the prices been at which they bought. To you we offer the same opportunity, it makes no difference whether you need one piece of furniture or whether it be a whole houseful, the savings to you are so wonderful on such modern up-to-the-minute home needs that you will just want to buy. The most liberal house in the world is THE KIRK CO., who give to everyone the benefit of "Plenty of Credit." We have but one price for everyone, a price marked in plain figures on each and every ticket in this store, so you can read the price yourself, just the same as the salesman who will show you what you want. Be sure and come tomorrow and select the pieces that you want and have them charged to your account and pay for them a little at a time as suits your own convenience. No need of waiting another day—have your home fixed up as you would want it. OLD CUSTOMERS, THOSE WHO ALREADY HAVE ACCOUNTS AT THIS STORE, PAY NO MONEY DOWN, BUT ADD THEIR NEW PURCHASES ON THEIR ACCOUNTS.
