

GUNMEN SOUGHT IN NEW MURDER

Fourth Mysterious Killing in Two Weeks.

By United Press
CHICAGO, May 11.—Three Chicago gunmen were hunted today for murder of Frank Cochrane, 40, at Crown Point, Ind., the fourth Indiana mystery slaying in two weeks. Cochrane's skull had been smashed with an ax.

Vengeance is the motive, Indiana police believe. Cochrane's testimony as chief witness for the State resulted in conviction of two men who took part in murder of Attorney Thad Finch of Gary, Ind., about a year ago.

Frank Erlane, Thomas Hoban and Edward Fitzgerald, wanted in connection with the Finch murder, are believed by police to have killed Cochrane. Cochrane was the only witness to the Finch murder.

Cochrane, an electrician, was killed Friday night.

So far police have been unable to solve the Chesterton mystery in which a young girl was shot, dismembered and burned.

A Prisoner of Love

Polly was the daughter of missionaries living in China. Came the revolution. Polly was captured by Chinese bandits and held for ransom. Her terror was indescribable until she learned that the bandits were led by a white man—a young American—one of her own race to whom she thought she could turn for help. But she had yet to learn to what depths of degradation a white man can sink. The memory of those terrible days will remain with her to her dying day. She has written about it under the title "My Captain" in True Story Magazine for June. And this is but one of 18 big features. Get the June True Story today.
