DRAMA LEAGUE LAUDED
"Community Need," Says Mrs. Hughes at Luncheon.

"This drama League is a clearing house, coordinating the efforts of those interested in good drama," declared Mrs. Elizabeth Watson Hughes, president of the Indianapolis center of the Drama League at the annual spring luncheon at the Spink Arms, Saturday at which she presided.

"The organization fills a place in the life of the community not taken by any other. We should develop the use of the drama in all phases of social life."

Covers for seventy were laid at a large U-shaped table, decorated with yellow flowers and ribbons. Honor guest and speaker was Prof. Rolla A. Tallcott, Butler University, who will leave in June to take up work in Ithaca, N. Y. Following the luncheon he read "The Valiant," by Holworthy Hall and Robert Middlemass.

**PIMPLES ON
FACE AND HEAD**
Itching and Burning Terrible. Cuticura Heals.

"My trouble started by little pimples coming out on my face and the back of my head. After a few weeks the pimples scaled over and the itching and burning were something terrible, causing me to scratch. I lost rest at night because of the irritation."

"I heard about Cuticura Soap and Ointment and sent for a free sample. After using it a few times I got relief so purchased more, and after using about four boxes of Cuticura Soap and three boxes of Cuticura Ointment I was healed." (Signed) Miss Dorothy Welch, Dare, No. Dak., July 16, 1924.

* Use Cuticura Soap, Ointment and Talcum for daily toilet purposes.

MARtha Lee Says BUSINESS GIRL CAN USE ABILITY IN MAKING HOME

When she was 24, Jane Blank gave up an excellent business position to marry Jim Brown, newly established in his own business.

The Tangle

LETTER FROM SALLY ATHERTON TO BEATRICE SUMMERS, CONTINUED.

Just at that moment, Bee, Leslie and the strange man began to dance. In all my life I have never seen such perfect harmony and rhythm. It was not only astounding in its grace, but there was in it an arresting quality which made the whole thing something unnatural.

And perhaps the one great surprise of it all was the fact that Leslie was doing it.

I do not think, Bee, I have seen Leslie dance since we girls used to dance together at boarding school. Then she was rather spiritless and bored, but that night she was like a living flame under the lurid sensuousness of the gliding measures.

Until then I had always thought the tango a more or less banal performance. That night for the first time I realized its marvellously subtle invitation and its almost eerie grace.

Leslie seemed to have forgotten everyone in the room, even the personality of her partner. She was transfixed in the dance. Her whole body was clothed in a witchery and a glamour that was more than exotic.

Her partner smilingly said something to her and for a flashing instant she looked into his face. Then for a vivid moment I saw a Leslie Prescott that I had never known. I saw a woman that, had Leslie herself confronted her, she would have proclaimed her a stranger.

I felt a hand clenching my arm. I turned to look into the contorted face of Sydney Carton. He recoiled immediately. "Pardon me," he said, "I think the heat of the room affected my heart a little."

His heart was affected, Bee, but it was not a physical affection. It was because Sydney Carton had suddenly learned that he would have given long years of his life to have Leslie Prescott gaze into his eyes with the rapturous look he had just seen upon her face.

Unconsciously, I found my eyes focused on the opposite corner of the room, where I had seen Leslie's husband the moment before. He was standing there as though carved in stone. I could not interpret his thoughts. His white face was as hard as marble and almost as blank. I knew, however, that whatever had been his thoughts, they were disturbing enough to draw the blood from his face.

There was a salvo of applause. The dancers had stopped abruptly. Leslie seemed to awake as from a dream, and then I caught a look from the third man in this queer triangle—the man who had been dancing with her. It was the piercing glance of a man dying of thirst with a glass of sparkling water just beyond his reach.

My heart almost stopped beating. I wondered if Leslie knew, and if she knew what was going to be the outcome.

Had Jack Prescott still possession of her heart? If not, what was the status of the other two. I could not tell. Leslie's face was another enigma.
