

SIGN COMPANY ATTACKED IN PROBE REPORT

Cusack Firm Violates Court
Order, Land Agent
Charges.

That the Thomas Cusack Company not only has repaired signs on boulevards without permission of the park board, but actually is utilizing park board property for its billboards is a statement in a report Fred J. Mack, land agent investigator for the board was to submit to the board today.

Mack, delegated to investigate a request the company made at board meeting May 21 to repair its sign at Thirty-Eighth St. and College Ave., said today he found the repairs already had been accomplished.

Court Order Cited

This action, according to Mack, is in direct violation of a court order which authorizes the Cusack company to maintain its present signs within 500 feet of parks and boulevards only on condition they shall not be renovated.

One hundred feet of land administered by the park board is occupied by a Cusack sign on Northwestern Ave. between Twenty-Third and Twenty-Fourth Sts., Mack said. T. K. Canfield, manager of the display department of the Cusack company, said Francis P. Hamilton, city building commissioner, had ruled the company was "entitled to make 50 per cent repairs on signs every six months."

Request Explained

The repairs in question, he said were finished ten months ago. The permit he seeks is to finish the other 50 per cent.

The poster department of the company has a sign on the Northwestern Ave. location, J. A. Kirkpatrick, manager, admitted. However, he denied knowledge of its being on city property.

HAWKINS BOND FIGHT DELAYED

Will Stay in Jail Until First of
Next Week.

Morton S. Hawkins will remain in Marion County jail until the first of next week, it was made certain today when J. J. M. La Follette, Indianapolis attorney, failed to appear before Federal Judge Robert C. Baltzell to arrange for bail.

Judge Baltzell leaves early Friday for Sumner, Ill., to spend Memorial Day with his family and will not return until Monday.

La Follette said he would confer with Hawkins in county jail this morning. He did not go. Hawkins is able to give \$20,000 bond, La Follette said.

Hawkins was returned here Tuesday night to stand trial on charge of using the mails to defraud through the Hawkins Mortgage Company of Portland, Ind., and subsidiaries.

Mexican to Have Chief Role

Ernest Gillen, a handsome young Mexican, is the latest extra to win a leading role. Gillen was elevated by Director Henry King to be Alice Terry's leading man in "Any Woman."

PRETTY NICE INCOME

By Times Special
LETHBRIDGE, Alberta, May 28.—J. H. Anderson, a farmer near Magrath, Alberta, reports that his income from a forty-acre field of wheat in the 1924 season was \$2,000 or \$50 an acre.

They Sure Do Strange Things
Actors must do strange things in preparation for motion picture parts. Edmund Lowe has been practicing swimming under water for the past three weeks in order to be able to remain beneath the surface a full minute for the climax scenes of "Kiss Barriers," his new picture. A full minute is a long time. Few men can hold their breath half that time. It was only by practicing daily that Lowe was able to enact the feat for his picture.

Another London Story Filmed
Duke Kahanamoku, the celebrated Hawaiian swimmer, plays a featured role in the Paramount film version of "Adventure," Jack London's novel. Pauline Starke, Tom Moore, Wallace Beery and Raymond Hatton play leading roles.

CHILDLESS HOMES

Read Mrs. Benedict's Letter
Praising Lydia E. Pinkham's
Vegetable Compound

"When I was married about a year and a half I took Lydia E. Pinkham's Vegetable Compound because of ill health. I did not have any children. I now have two healthy little girls. Last spring and summer I got all run-down, irregular, and I had awful headaches, and my back and side hurt me so that I could stay up only a short time. My limbs would get so tired and ache till I could cry. I started to take the Vegetable Compound again and used the Sanative Wash, and it was not long till I was relieved. Now I do all my own work and help others. I sure praise Lydia E. Pinkham's medicines to any one I meet that is suffering from similar troubles. I think if mothers with girls would give it to them when they come to womanhood it would make them stronger. People who have known me all my life are astonished to see me now as I was always sickly when in my teens and until I started taking the Vegetable Compound."—MRS. MARY R. BENEDICT, 313 Payson St., Kewanee, Ill.—Advertisement.

La Follette said he would confer with Hawkins in county jail this morning. He did not go. Hawkins is able to give \$20,000 bond, La Follette said.
