

SAINTS FOLLOW MILLERS HERE TO TANGLE WITH BUSH'S TRIBESMEN

Finale With Kelleyites Today, Then
New Series Opens With 1924 Champs
—Carmen Hill Scores Shut-Out.

By Eddie Ash

The contest at Washington Park this afternoon was to wind up the Miller series, and on Sunday the St. Paul Saints, last year's champions, will invade the Tribe lot to clash with the Bushmen. Saint-Indian battles always get the fans excited and attendance is expected to show an increase while Nick Allen's aggregation is here.

Dutch Henry was slated to face the Millers on the mound this afternoon and Minneapolis had McGraw and Watson ready for the job of flogging the Tribesmen. The series stood two to one in the Indians' favor previous to the finale today.

New Fielder Due

Outfielder Wild Matthews, purchased from Washington and New Orleans Friday, is expected to report to Manager Bush Sunday. Washington transferred Matthews to New Orleans ownership, but when Matty refused to join the Pelicans, the Indianapolis offer of \$5,000 made by Owner Smith, was accepted.

Matthews has seen service with numerous clubs and has spent much time in the American League. He was with Milwaukee in the A. A. a few years ago and was a star. He bats and throws left-handed and is fast.

The purchase of Matthews means a wild struggle looms among five men to fill the regular outfield posts at Washington Park. The fly chasing brigade now consists of Reh, Allen, Christenbury, Clarke and Matthews. In order to get within the player limit, Pep Florence, third catcher, probably will be sold.

Two Hits Off Hill

Carmen Hill turned back the Millers Friday, 8 to 0, allowing only two hits. It was quite a stunt to blank the slugging Kelley crew and the fans got a great kick out of the conflict. The Indians knocked out Dumont in the third inning. Harris relieved and held the locals in check, but dropped out for a pinch hitter in the eighth.

See took Harris' place and the Indians walloped him for four runs, boosting their total to eight for the afternoon. Krueger poled a homer off See with Hodapp aboard.

Hodapp played a fine fielding game at second and Reh started in left field. Krueger got two hits, a double and a homer, Hodapp three singles and a double, and Yoter two singles. Reh, Schreiber, Allen and Schmandt also hit safely and the Tribe hit total was eleven.

Smith and Fisher hit singles for the only safe drives off Hill. The veteran Tribe right hander received much applause as the game progressed. It was "kids' day" and "ladies' day" and the crowd numbered about 2,700.

KEARNS SAYS DEMPSEY IS THROUGH IN RING

N. Y. Boxing Commissioners Told Champion Doesn't Intend to Defend Title—Too Busy Traveling.

By Henry L. Farrell

United Press Staff Correspondent

NEW YORK, June 13.—In an effort to get back in good standing, Jack Kearns has told the New York boxing commission that Jack Dempsey never would fight again, it was learned today from a reliable source.

Kearns and Dempsey are on the inactive list because of their failure to give the commission a definite answer about their intention to accept or reject the challenge filed by Harry Wills.

Kearns Was Flippant

When the commission gave the champion twenty-four hours to answer the challenge, Kearns sent a flippant letter in which he said Dempsey had accepted the challenge several years ago and that it was up to the commission to put up the money and promote the match.

At that time it was obvious Kearns didn't know he was going to lose Dempsey or that the champion was going to retire. Since Dempsey has shown a disposition to get away from the ring, Kearns has picked up Mickey Walker, the welterweight champion and it was for the purpose of getting a renewal of his manager's license that he visited the commission and found he was in the hole.

Not Accountable Now

Kearns told the commission that he could not do business for Dempsey and he pleaded that he should not be held accountable for a fellow who never is going to fight again.

"I don't know what to do with that fellow," Kearns said today. "He's jumping all over the world and I can't get hold of him. He has kicked a good million dollars out of our lap. He could have had two big fights this summer, but the chance is gone now."

BUTLER VARSITY WINS

The Butler varsity basketball team defeated an alumni aggregation Friday at Irwin Field, 13 to 7. Pat Page, who pitched the day before against Chicago in an alumni game, tried it again without so much success. Pat didn't get much help at critical times from alumni players, who bobbled six times.

The Butler alumni and Wabash alumni were to play at Crawfordsville this afternoon.

DIAMOND TITLE TO CRIMSON

Big Ten Baseball Honors
Won by Indiana University—Ohio Slips.

Indiana University baseball team is the champion of the Big Ten. When Michigan defeated Ohio State at Ann Arbor on Friday, 4 to 2, the hopes of Ohio were dashed. With two games remaining with the Wolverines Ohio had to take both in order to win the title.

The Buckeyes dropped the first contest and so the I. U. fans were not kept in suspense very long. Jablonowski, star hurler of Michigan, had all the better of it against Miller, the Ohio ace. "Jab" allowed only three hits. The two runs scored off him were the result of a homer by Karow.

Michigan was to meet Ohio State today at Columbus, but the game will not change the leadership.

With the Ohio-Michigan game today the only one left to play the Big Ten standing is as follows:

Indiana	Won	Lost	Pct.
Indiana	6	2	.750
Ohio State	5	3	.625
Michigan	4	4	.500
Illinois	4	4	.500
Iowa	4	4	.500
Minnesota	4	4	.500
Wisconsin	4	4	.500

PHILLIPS AND GRAY OF BUTLER IN BIG TOURNEY

Local Athletes Qualify in National Intercollegiate at Chicago—Great Field of Stars Compete.

By United Press

CHICAGO, June 13.—Representatives of sixty-two colleges and universities—the cream of the collegiate tracksters—were to compete in the national collegiate track and field meet at Stagg Field this afternoon.

The field of contestants is probably the greatest ever assembled for a single college meet. Besides the country's best known university stars, many obscure colleges have entered "dark horses" who are expected to give the big time performers stiff competition.

Among the less famous athletes who give promise of sensational performances are James Rees, Texas University miler; Herman Phillips, Butler, middle-distance man; J. C. Gray, Butler, 100-yard runner; and Herick Hollis, Alfred University miler.

Track Heavy

Although the field includes many athletes capable of breaking world records, condition of the track after a heavy rain Friday night probably will hold down speed in running events.

Friday's preliminaries were run in drizzling rain and heavy wind. Gray and Phillips of Butler were among those who qualified.

Man o' War Colts Favorites

By Times Special

NEW YORK, June 13.—Two young princes of the American track, sons of the great Man o' War, were to go to the post as favorites in the \$50,000 Belmont stakes at Belmont Park this afternoon. American Flag and By Hisself were rated high in the preliminary betting on the 3-year-old class of the metropolitan season and Man o' War's prestige can't suffer if either one wins, for he is the daddy of them both. American Flag was favored over By Hisself.

There were five Kentucky Derby horses in the field of nine young colts at the barrier, for the start of the hike of one mile and three furlongs—Prince of Bourbon, Kentucky Cardinal, Backbone, Almadel and Swope.

Kentucky Cardinal and Almadel are western horses and if either of them wins it will be the first time a Kentucky animal has taken the Belmont since Luke McLuke won it in 1914. Kentucky Cardinal recently was sold for \$50,000.

GRID CHANGE

I. U.—Purple Game Switched to Evanston.

By Times Special

BLOOMINGTON, Ind., June 13.—Northwestern will entertain Indiana in a home-coming football game Oct. 31 at Evanston, Ill., under a change in contract announced today for the two institutions. The Hoosiers were to have met Northwestern, Oct. 31, in the new Indiana Memorial stadium.

The switching of the Syracuse game, however, from Indianapolis to Bloomington gave the Crimson a top-heavy schedule of six home games out of a total of eight scheduled games. Under such an arrangement it would have been difficult for the Hoosiers to frame a satisfactory home schedule for 1926.

On agreement of Indiana to play Northwestern at Evanston, the Methodists immediately made the announcement that the Indiana contest would be their home-coming game.

FEATURE RACE AT HOOSIER

100-Mile Dirt Track Event
July 4—Course Is Improved.

July 4 has been decided as the opening date for the Hoosier Motor Speedway, the half-mile track north-east of the city. The first event of the season will be a 100-mile race, which is carded for 2 o'clock in the afternoon.

Bill Hunt, former manager of the speedway at Winchester, Ind., and Ford Moyer, former dirt track racer, will be in charge of the speedway this year. With their knowledge of the track always have been rough. To get away from this the track management has let a contract for the resurfacing of the speedway with tarvia.

The entry blanks have been sent out and the purse will be such that the best of the half-mile circuiters will be attracted.

Hunt and Moyer say they hope that the track will be fast enough to make a circuit in 30 seconds if possible. The present track record is 31.25 seconds, made by Chance Kinsey, the dirt track racer who was killed recently.

Chief interest at present centers in the revamping of the little course in an effort to make the going somewhat safer for the drivers of the small cars. The two curves of the track always have been rough. To get away from this the track management has let a contract for the resurfacing of the speedway with tarvia.
