

## CONVENTION OF INDIANA RADIO LEAGUE SOUGHT

Nationally Known Men on Program — Inspection Trips Are Planned.

The second annual convention of the Hoosier American Radio Relay League opened today at the Severson, with several hundred members from various parts of Indiana in attendance.

Men nationally known in radio circles are in attendance, including Prof. A. M. Wilson of the department of electrical engineering, University of Cincinnati; John H. Miller, chief engineer Jewell Electrical Instrument Company; P. D. Scott of the American Telephone and Telegraph Company; A. E. Beane, supervisor of radio, ninth district; A. A. Herbert, treasurer American Radio Relay League; E. T. Flywheel, radio engineer; Clyde Darr, director of the A. R. R. L. and R. H. G. Mathews, division manager A. A. R. L.

This afternoon WFBM, Merchants Heat and Light station; Lenore substation of the Central Indiana Power Company and Allied Magnet Wire plant are to be visited. Professor Wilson will speak on "Radio Education" at the Severson tonight. Miller and Scott are also on the program.

Licensed examinations will be held Saturday morning, followed by inspection of the Bell Telephone Company plant. Several speakers will be heard Saturday afternoon, and the meeting will end with a banquet at 6:30 p. m.

### GUEST AT POOR HOUSE

English Woman Remembers Inmates of Institution in Her Will.

By Times Special  
BRIDGEWATER, England, July 10.—Because she was lonely Mrs. Melvina Cobb entered the local workhouse as a "paying guest."

She died recently and her will left about \$1,500 to benefit inmates of the institution.

### Minister Quits After 65 Years

### HOOSIER BRIEFS

**D**R. J. L. STOWERS, optician, should fit himself with a good pair of glasses, his fellow townsmen at Clinton say. He collided with a new traffic signal.

First wheat threshed in Clinton County was on the county farm at Frankfort, in conformity with an old custom.

Many visions of wealth were shattered when drillers for oil in Polk Township, Monroe County, brought in a dry hole. Cost of the well was approximately \$23,500.

Warm weather makes life rather easy for Miss Katherine Frazer, librarian at Seymour. But when the mercury goes to really high marks she finds an increased demand for books.

School days are not yet forgotten by this year's high school graduates at Clinton. They are giving a dance farm.

### OLD KIDNEY TROUBLE LED TO BREAKDOWN. MAN, 66, GETS FIRST REAL RELIEF IN YEARS

**Mr. Wm. C. Udell, Indianapolis, Ind., Says He Feels Ten Years Younger, Thanks to Todd's Tonic.**

"I feel it is my duty to recommend such a wonderful remedy as Todd's Tonic, after the relief I have gotten from it. I suffered for years with kidney trouble, which caused nervousness, loss of sleep and a general run-down condition. After using two bottles of Todd's Tonic I began to get the relief that I had been seeking for years, which I only found in Todd's Tonic and no others. At my age of 66 I feel ten years younger and my whole system is greatly improved. I believe this is a good reason to send my thanks to the Todd's Tonic people and to recommend this wonderful remedy to all who suffer." —Wm. C. Udell, 3212 Clifton St., Indianapolis, Ind.

Todd's Tonic, with its wine-like flavor, is pleasant to take.
