

PASTOR ASKS ALL TO STUDY SIMPLICITY

Kerlin Conducts People's Service at First Evangelical Church.

ONE of the last lessons that we learn is that true wisdom, most profound knowledge and penetration manifest themselves in a superior simplicity," Edmund Kerlin said Sunday at the First Evangelical Church while speaking at a People's Service.

He took as his theme, "The Simplicity of Christ," in which he drew lessons upon which his subject was based.

"It is far more difficult to be simple than it is to be great," said Kerlin, according to Kerlin.

Continuing, he said: "Simplicity, then, far from having any connection with weakness, is the last result of intelligence, wisdom, power. Because in Christ were hid all the treasures of wisdom and knowledge, he was great enough to manifest an unexampled simplicity.

"This simplicity was apparent in his life. While the nation was asking, 'Where is the promise of his coming?' the rugged forerunner, pointing to one clad as simply as any of the common people, said, 'There standeth One among you whom ye know not; behold the Lamb of God.'

COUNCIL HEARS REQUEST

Indications are that County Will Receive Appropriations.

Indications that members of the county council will approve requests totaling more than \$100,000 for improvements to the Courthouse and county institutions were made today following a special meeting.

Ordinances for appropriations were read by Harry Dunn, county auditor. Council will act up on the request at 9 a. m. Tuesday.

An ordinance asking approval of a \$25,000 bond issue for a new bridge over the canal on Meridian was read. Of the \$100,000, \$50,000 will be utilized for construction of new court rooms at the Courthouse.

HUSBAND HAS COMPLAINT ON MANHOLE LID

Mr. Fixit Finds 'Objectionable Lettering' Only Picture of Circus Lady.

Let Mr. Fixit do some of your work. He will help you obtain needed civic improvements. Write him at The Times.

By Mr. Fixit
A wife's antipathy to the harassed Order of Pedestrians has prevented one of Mr. Fixit's correspondents from joining that noble order, it was revealed today. However, he expressed anger at the pernicious gasoline-driven vehicles and the sound issuing when they strike a manhole.

DEAR MR. FIXIT: In front of 856 N. Dearborn St., there is a manhole lid which does not fit, and every time an auto comes along it has the huffs. Will you kindly see if it can be fixed? Would send 1 cent membership fee for it to join the hops, but my wife is mad at it and will not let me. F. A. F.

W. P. Hargson, clerk of the street commissioner's office, promised Mr. Fixit to repair the rascally manhole at once.

William Schoenroff, chief clerk of the street commissioner's office, ordered employees to investigate "objectionable lettering" on one of the W. Washington St. bridge posts, at request of a citizen, but they found nothing but a picture of a ravishing circus lady riding bareback.

DEAR MR. FIXIT: I read in The Times about preventing the younger people from selling pop and candy on the sidewalk. I don't think that is any worse than allowing tin cans to accumulate for over six months when we have informed the board of health about this condition. I live in the neighborhood of Webb St. and Southern Ave., and if you intend to send some one out here to remove this trash, all right; but, if not, tell the board of inspectors not to bother these young people who

expect to earn a few pennies for pleasure money. Hoping that you will attend to this right away, I remain.

A TAXPAYER.
Please put this letter in your column for the benefit of other readers of The Times.

The board of health will investigate this situation you describe. Officials have asked Mr. Fixit to indicate specific street addresses in all complaints transmitted, so they may be able to find the location at once.

To a hard-belled south sider. Police have promised an investigation of the condition you described in front of the apartment house now being built. Let Mr. Fixit know if you fail to obtain satisfaction.

HIKE FATAL TO BOY

Colored Youth Dies As Result of Bullet Wound.

A hike from Guthrie, Ky., to visit his sister at 225 Indiana Ave., proved fatal to James Grimes, 16, colored, today.

He, and another colored boy and a white boy from Terre Haute slept at Six Points, Ind., behind a sign board last week. A shot was fired from somewhere, lodging in Grimes' shoulder. He died at the city hospital. Sheriff of Hendricks County has been unable to find who fired the shot.

DEAR MR. FIXIT: I read in The Times about preventing the younger people from selling pop and candy on the sidewalk. I don't think that is any worse than allowing tin cans to accumulate for over six months when we have informed the board of health about this condition. PROBE HAWKINS 'PAUPER' CLAIM

Examine Convicted Man Regarding Assets.

Morton S. Hawkins, convicted in Federal Court of using the mails to defraud, and sentenced to fifteen years at Leavenworth, Kan., was to be examined at 2 p. m. today as to the amount of his wealth.

Hawkins attempted to appeal his case to the United States Circuit Court of Appeals under a pauper proviso with the Government bearing part of the expenses.

At a hearing in the Federal Circuit Court at Chicago Saturday he was denied a reduction of his appeal bond of \$50,000 and Homer Elliott, special assistant attorney general, was instructed to examine Hawkins as to the amount of his assets.

POLITICS WARNING GIVEN

Hamilton Predicts New Building Code Will Be Defeated.

"Petty politics" will spell defeat for the new building code, now under consideration by city council, was the prediction of Francis F. Hamilton, building commissioner, today.

Hamilton indicated politicians were seeking to destroy the ordinance because it requires department inspectors to demonstrate their qualifications. The code would authorize five inspectors, if necessary, in addition to the seven now employed.

TO ARRANGE SCHEDULE

Final arrangements for the remaining schedule of the Girls' Kitten Ball League, with details of exhibit of products made by girls' classes at the various playgrounds, were to be made at a conference between Mrs. Alice Kessler, assistant recreation director, and four sectional supervisors today.

"There has never been greater interest in the Kitten ball games than this year," Mrs. Kessler declared.

The Indianapolis Times is offering medals to all players on the city championship teams in both boys' and girls' leagues.

NARCOTIC RING ALLEGED HERE

Two Druggists Held to Grand Jury.

Charges that a "narcotic ring" exists in Indianapolis for the sale of narcotics and paregoric were made today by Federal Narcotic Agent L. J. Ulmer, when it was learned two Indianapolis druggists are under bond holding them to the Federal grand jury.

Charles A. Eitel, 57, of 1309 Wright St., is under a \$1,000 bond following his arrest last week on charges of unlawful possession of narcotics and illegal sale.

Bert H. Frink, owner of Frink's Pharmacy, 440 E. South St., is under a \$2,000 bond on a charge of selling paregoric to drug addicts.

Eitel confessed, agents say, to stealing morphine tablets from bottles in three drug stores and replacing the morphine with strychnine and calumel soda tablets. He was arrested while employed at Heider's drug store, 1227 N. Illinois St. He admitted stealing morphine from stores at 1219 Ken-

By Times Special
WALLERON, Ind., July 20.—Charges filed against Norman Kanouse, 14, and Earl Aldridge, 17, by Miss Eunice McKay, who sought equal rights for women at the old swimming hole, were formally dismissed today. Squire Clarence Thompson announced.

The announcement made the pool safe for birthday suits.

The hullabaloo started when Kanouse and Aldridge hung their clothes on a hickory limb and then refused to leave the pool when Miss McKay and two other girls arrived for a dip.

MINERS STAND FIRM

By United Press
LONDON, July 20.—British miners today stood firm in their refusal to participate in the governmental court of inquiry in the coal crisis.

They notified the court when it convened that they would not arbitrate their disputes with owners, which threaten a general strike soon. Meanwhile transport workers met to decide whether they would join the miners if they walk out.
