

## BUDGET GROUP TALKS STATE PAY CHANGES

Committee Considers Increases and 'Equalization' in Salaries.

Salary increases for a number of State officials and employees are being sought through the budget committee, which is meeting at the Statehouse this week in an effort to adjust the salary scale of public employees, it has been learned.

In the case of the State highway commission, it has been learned, several increases have been made in advance.

Among the increases being sought through the regular channel are the following:

**Printing Clerk**  
J. Otto Lee, clerk of the State printing board, \$2,700 to \$3,000 a year. Lee's salary, it has been learned by investigation, is the lowest received by any printing board clerk in the country.

Thomas S. McMurray, State insurance commissioner, whose present \$5,000 salary will revert to the statutory allowance, \$4,000, on Oct. 1. A request has been made that McMurray's \$5,000 salary be maintained, and that his assistants get slight increases.

Charles A. Rockwell, secretary of the State industrial board, \$2,500 to \$3,000 a year.  
Henry A. Roberts, superintendent of buildings and grounds, while not applying for a raise for himself, has asked that salaries of janitors be boosted from \$85 a month to \$100.

**Highway Equalization.**  
Because of the premature action of the highway commission in effecting increases, it is understood the budget committee will devote considerable time there to "equalization."

In the last few weeks the highway commission has made the following increases:

Mrs. Mary Olive McConnell, auditor, from \$190 to \$200 a month.  
Russell Bosart, clerk, from \$165 to \$175 a month.

Fred Kellam, an engineer, from \$250 to \$375 a month.  
James T. Hellett, another engineer, from \$250 to \$375 a month.

James T. Hellett, another engineer, from \$200 to \$255 a month.

**HE NEEDED \$77 A WEEK**  
Brick Layer Couldn't Get It So He Turns Burglar.

**By Times Special**  
NEW YORK, Sept. 30.—"Why didn't you seek other honest work?" Judge Cohn asked Joe Barra, 20, who had lost a profitable bricklaying job and turned burglar.

"I'll be darned if I'd work for less than \$77 a week," said Barra and they took him away to Elmira Reformatory, where he will work for nothing.

**JACKSON TO SPEAK**  
WESTFIELD, Ind., Sept. 30.—Governor Jackson has accepted an invitation to deliver an address at the homecoming to be held here Friday.

## TWENTY-FOUR LESSONS IN PIANO PLAYING—TWENTY-FOURTH LESSON: B FLAT MINOR

SECOND SERIES

Copyright, 1920, by W. Scott Grove, Scranton, Pa.

### LESSON NO. 24.

This lesson concludes the course of piano or organ instruction as originated by W. Scott Grove for home study. It takes up the study of the key of B Flat Minor, relative of D Flat Major. Having

mastered this chord you are competent to play accompaniments to almost anything that you or your friends may sing. Remember that as a general rule a chord that you strike in the accompaniment of a song should contain the note of the melody that is sounded at the same time by the voice. If all of a sudden in the middle of a song something goes wrong, study out what is the matter. It is probably a change of key which you, with your newly acquired knowledge of fundamental chords

in all keys, should be able to recognize without difficulty. You must, of course, accommodate your accompaniment to a change of key. You will be astonished to discover how easy it is to do this—how easy it is to slip from one key to another by changing, perhaps, only one note of a chord. Memorize these chords. Memorize the letters and the relation of the notes of each chord to one another, which you will find to be the same in the corresponding chord of every chart that you have

studied. Memorize with eyes and with fingers as well, so that, starting with the first chord of any key, you can play the other chords of the same key without stopping to think what they are. Practice long and hard. It is persistence that will teach you. You must give attention to the time in which music is written or sung. This is the next most important thing to learn, for by carelessness you not only spoil the rhythm of a song, but you confuse the singer as well. In learning to beat time persistence

is necessary. Indeed, this is the foundation knowledge of music as well as anything else plain work.

Every triad in black letter is marked 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

## HEALTH BODY HEAD RELIES UPON COUNTY

Schloss Confident Council Will Furnish Psychopathic Ward Money.

Confidence that the county council will see its duty and take care of the psychopathic ward at the city hospital by making an emergency appropriation was expressed today by Sol Schloss, city board of health president.

No appropriation, except for care of patients coming from the county outside the city, was made at the regular full council meeting. The ward was opened this year under an agreement by which the county should pay maintenance expense, and the city furnish the place and the attendants. It is used for observation of persons suspected of insanity, who had to be held in the county jail under the old system.

"I am sure the county councilmen will take care of this situation," said Schloss. "The city can't do it, because the county is charged by law with caring for the insane until they are placed in a State asylum." County officials said the city had refused to admit any patients except Indianapolis residents. Schloss said he issued no such order and nobody else issued such an order. Dr. Cleon Nafe, superintendent of the city hospital, said that records will show patients from all parts of the county have been admitted as freely as from the city.

The county appropriated \$20,000 in 1924 for use this year in connection with the ward.

## FAVORITISM IS CHARGED

Plan Commission Split on Permit for Roof.

While rich men violate the building code with impunity, the city plan commission seeks to discipline a man who has put all his savings into his home, Mrs. James H. Taylor, commission member, declared at a meeting Tuesday.

The assertion resulted from a split in the body on the question of allowing a permit for a roof to Charles S. Ward, 1435 Lawton Ave. Members said Ward violated a plan commission rule that he could not build a twenty-four-foot house on a thirty-foot lot. His house now is roofless. Action was deferred.

Mrs. Taylor led the opposition to alleged violation of the building code by the owners of the Spink-Marott Hotel at Meridian and Fall Creek Blvd.

**By Times Special**  
LAFAYETTE, Ind., Sept. 30.—Celebration of the Lafayette Tippecanoe County centennial continued with added vim today following elaborate programs presented Tuesday. Thousands of citizens, former residents and visitors joined in the event.

A parade in the form of an educational review was held Tuesday. Every institution of learning in Tippecanoe County, including Purdue University, City, public, parochial and county schools offered floats. The Purdue contingent was made up of 3,000 faculty members and students.

The procession had six bands. The centennial pageant, "The Heritage," was given at night at the fair grounds. A cast of 3,000 persons took part in the production, which is said to have cost \$10,000. A special musical program was given.

Former De Pauw Athlete Catches Alleged Check Forger.

**By United Press**  
LA PORTE, Ind., Sept. 30.—Harry Smith, 22, alleged check forger, is in jail today because he could not outrun Paul Isenberger, cashier of a La Crosse bank and ex-De Pauw athlete.

Smith broke away from officers and would have escaped had it not been for Isenberger's ability to sprint.

## OFFICE CLOSING DOORS

Deputy County Clerks Will Balance Books Before Settlement.

Offices of County Clerk Albert H. Losche, will close at noon today in order to give deputy clerks an opportunity to balance their books before making the third quarterly settlement with County Treasurer John L. Duvall. According to Miss Blanche M. Morgan, deputy clerk, approximately \$14,000 has been collected in court costs, sheriff's and prosecuting attorney fees during the past three months.

For the same quarter last year \$14,570 was turned over. Including the third settlement, \$50,893 will have been given the county treasurer so far this year.

**HYLAN OUT FOR GOOD**

Refuses Pleas of Progressives to Run Independently.

**By Times Special**  
NEW YORK, Sept. 30.—Mayor John F. Hylan, the man who rose from locomotive cab to lawyer, judge and finally the head of the world's greatest city for eight years, will not try again.

His definite announcement not to head an independent ticket after his defeat in the Democratic primaries by Senator James J. Walker, Tammany designee, came Tuesday. It followed pleas for his candidacy from Progressives who voted for the late Senator La Follette in the last presidential election.

Political observers take the announcement of retirement as a certain sign of Walker's election over the Republican mayoralty candidate, Frank D. Waterman, the fountain pen manufacturer, as New York, under normal conditions is overwhelmingly Democratic.

## ENGINEER WILL GO OVER BELL STATE FIGURES

Municipal League Gets Postponement of Hearing Date.

Indiana Municipal League will employ an engineer to go over the valuation of Indiana Bell Telephone Company property before the hearing on the State-wide survey, which was set for Oct. 5.

Public service commission tentatively accepted Nov. 16 as a date for the hearing, acting on request of the league. A committee headed by Mayor Horace Brown of Noblesville, president, and Mayor Eli F. Seebirt of South Bend, chairman of a committee to protest the proposed rate increase, conferred with the commission Tuesday.

**Artman to Set Date**

Commissioner Samuel R. Artman, who will preside in the case, will definitely set the date.

John W. McCord, commission chairman, said the commission had no desire to be hasty in bringing the case to trial and desired to have support of the Indiana cities. The Municipal League will enlist all Indiana cities in the fight against higher rates.

**Support Valuable**

"Support of the league will be valuable in obtaining presentation of every phase of the case, and give people of Indiana a better knowledge of the problems and difficulties confronting the commission in main-

taining rates which are fair to the public and utilities," said Taylor E. Groninger, special counsel for the commission.

A fund of \$2,700 was raised to hire E. E. Brownell, expert engineer, and staff, of Philadelphia, Pa., and Dayton, Ohio, if proper terms can be reached.

James M. Ogden, corporation counsel, represented Indianapolis at the conference.

**COMMISSION DENOUNCED**

Civic Club Opposes Washington Township Improvements.

Butler-Fairview Civic Club is on record opposing further road improvements in Washington Township under the three-mile road law.

A resolution was adopted following a denunciation by William Bosson, city attorney, of the method of the State highway commission in distributing gasoline tax receipts at a meeting Tuesday at Fairview Presbyterian Church, Kenwood Ave. and Forty-Sixth St.

A committee named by Smith H. Strickland, president, was expected to file a remonstrance against the improvement of Forty-Sixth St. and Forty-Ninth St. between Monon Railroad and Keystone Ave. with the county auditor.

**Are You Sick?**

**DO YOU FEEL OUT OF GEAR?**

Did you ever think that perhaps those old, germ-breeding teeth of yours are the cause of all your misery? You think it will hurt to have them extracted so you go on from day to day growing worse and enduring more pain—much worse than you will experience to have them all out.

Come in and let us prove to you as we have to others that we can extract your teeth with our "MAXOLINE METHOD" without pain.

**It Did Not Hurt**

to have my 16 teeth extracted, nor did I feel sick afterward. I am pleased to be able to recommend the "MAXOLINE METHOD." S. R. CALLIS, 627 N. Alabama St.

### These Four Women Tell of Their Experiences

MRS. ETHEL THURSTON

"For four weeks I suffered with awful pains and inflammation, and was in such misery that I had to bend double to get relief. I could not be touched or jarred, had awful pains all over my abdomen and could not touch my feet to the floor. It was impossible for me to straighten up and the pains never ceased. I thought I would never get any better. I took medicine for some time and finally was afraid I would have to have an operation. I had read so much about Lydia E. Pinkham's Vegetable Compound that my husband got it for me and I soon began to feel that it was doing me good. The awful misery began to leave me, also the backache. I have a good appetite and am gaining in weight. Taking this medicine was the best thing I ever did. I feel it has saved my life. At least it has saved me from a dreaded operation."—Mrs. Ethel Thurston, 324 North Pine Street, Lima, Ohio.

For fifty years Lydia E. Pinkham's Vegetable Compound has been helping women to be strong and well, overcoming backache, nervousness, irregularities, weakness, displacements, inflammation, extreme nervousness and "the blues." It has proved invaluable in restoring strength after childbirth, also in avoiding the annoying symptoms incident to the Change of Life. Many women have written of operations avoided by its use.
