## Before Baby Comes

WONDERFUL! Gloriously  
wonderful is the achievement  
of Mother's Friend in relieving suffering  
incident to motherhood. Its benefits are  
amazing! Its soothing, relaxing qualities  
make the months before maternity com-  
fortable. Yes, you can rub discomfort away  
with Mother's Friend! Mrs. John S. Herr,  
Manheim, Pa., writes: "Mother's Friend  
did wonders for me. I can almost say my  
baby was born without pain."  
Mother's Friend is the formula of an em-  
inent physician and has been used by ex-  
pectant mothers for over three generations.  
Mother's Friend is externally applied. It  
relieves the tension on nerves and muscles  
as month follows month. Finally, it makes  
childbirth a joy!  
Mother! Insist on Mother's Friend—the  
same as used by our mothers and grand-  
mothers—don't wait—start using tonight—  
and meanwhile write Bradford Regulator  
Co., Dept. 30, Atlanta, Ga., for free val-  
uable booklet "Motherhood and the Coming  
Baby" (sent in plain envelope). It tells  
how Mother's Friend can help you during  
expectancy and at childbirth. This booklet  
also tells you many other things you want  
to know. "Mother's Friend" is sold by all  
druggists—everywhere.

an order was written by Commis-  
sioner Samuel R. Artman denying the  
petition on the ground that cur-  
rent could be bought from a large  
distributing company at a much low-  
er figure. On the strength of an  
opinion by City Attorney Robert  
P. Reeves, holding the commission  
had gone beyond its authority in the  
denial, the city council last week  
approved the contract.

St., who for fifty-three years has  
been employed by the Big Four  
Railroad in clerical capacities, closed  
the door of the big office for the

He is 70 years old, and now,

will be retired on a pension. For  
sixteen years Lehr has worked at  
the freight office on S. Delaware  
St. "I used to look out these north  
windows and see Pogue's  
Run," he said.

He has no plans for the future.  
"I might have bought land years  
ago in Florida—could have got it  
then for \$1.50 an acre," he re-  
marked. "In that case, I'd now  
probably be preparing to take a  
trip abroad," he said. "No, I'm  
contented just to stop and take  
a rest—after fifty-three years of  
work," he added.

Oct. 1.—Wabash College stu-  
dents were prepared today to  
walk out if an order from the  
executive committee of the col-  
lege trustees is enforced.  
All student automobiles were  
ordered off the campus im-  
mediately and out of the city  
by Oct. 3. The students still  
retain their cars and show no  
indication that they will dispose  
of them.

Committee from the student  
council has been named to meet  
with the trustees committee in  
an effort to change the ruling  
peacefully, on the ground that  
the college is not educational  
and the automobile ruling is  
therefore too strict.

Lilly Hardware Personnel Now a Part of Vonnegut Hardware Organization  
EVERY EMPLOYEE GIVEN OPPORTUNITY TO AFFILIATE WITH VONNEGUT'S

## To Our Friends and Acquaintances—

Yes! Nearly all of us are over at Vonnegut's now. They bought the "Lilly" property, took over the business entirely after our stock was closed out. We wish to thank our many friends and acquaintances for their valued patronage and assure them it will be a pleasure to serve them in the future at Vonnegut's.

## Already Feel at Home

We feel at home here already because Vonnegut's took the agency for the better lines we carried at Lilly's, and now have ordered in all new, fresh stock in each of these good lines. You know we closed out all the old stock in that sale. Vonnegut's is a wonderful store and they carry such an immense stock of everything in standard, reliable goods—their facilities for rendering service are certainly greater than we presumed it to be possible.

## Vonnegut's and Lilly's

Now that we are here at Vonnegut's, we hope you will come in and welcome us to our new home. You will—won't you?
