

HOMAGE TO BE PAID TO RILEY

Greenfield to Observe Birthday Anniversary.

By Times Special
GREENFIELD, Ind., Oct. 2. — The birthday anniversary of James Whitcomb Riley, Oct. 7, will be observed in Greenfield this year in a big way. Plans have been formulated by the park board and city officials, for observing this occasion in connection with the official breaking of ground for building the Riley Memorial Park. Four thousand school children will be in the big parade, with which the day's program will be opened. The parade will pass the old Riley homestead on Main St., and proceed to the park, where the morning will be employed in planting trees and shrubbery by the various schools of the city and county.

In the afternoon, a program will be given in which it is planned for Governor Jackson to participate, by officially breaking ground for construction of the park. It is also planned to have present, to speak and give Riley readings, nationally known and prominent literary men and women.

Mayors, city officials, schools and their officials, fraternal and civic organizations of surrounding cities and counties, will attend and participate. Many features are being worked out that will be announced later.

The Panama Canal zone, with an area of 436 square miles, had a population of 27,143 in 1924.

Shortridge Echo Starts on Twenty-Seventh Year

Above (left to right) William Otto, Maja Brownlee, Mary Ann Ogden and Collier Young. Below, Armin Ashjian, Marian Ramsey, Marjorie Brown and Nellie Munson.

The Shortridge Echo, the first high school daily in the United States, is becoming quite an old institution. The Echo has shown a marked development in the past twenty-six years. It has kept in touch with the student body and the aims of the school.

The first Echo was published Sept. 24, 1898, and an Echo was given to every student on that date. A drive was then staged for a circulation among the 200 students of Shortridge.

The circulation of the present Shortridge Echo is over the 1,250 mark and a subscription drive is under way.

Editors for this school year are Armin Ashjian and Marian Ramsey. Monday; Marjorie Brown, Tuesday; Nellie Munson and William Otto, Wednesday; Maja Brownlee, Thursday, and Mary Ann and Collier Young, Friday.

RHEUMATISM!

What is it—anyway?

THAT awful agony of swollen joints and inflamed muscles—that miserable pain and torturous suffering, we call rheumatism—what is it?

Here's what it is: It is the result of waste products and impurities in the blood. Impurities that get the upper hand because the system is starving for want of healthy, rich, red blood!

But you just cleanse your blood and build up the red-blood-cells and watch the rheumatism vanish! Why, S. S. S. will aid Nature put so many millions of red-blood-cells in your system that the impurities that cause your rheumatism are driven out—they can't stand pure, healthy blood.

S. S. S. conquers rheumatism! The rich, red, fighting blood that S. S. S. helps Nature build brings ease and comfort to every sore, swollen tissue in your body.

And this great S. S. S. goes right on helping Nature build more and more red cells until your whole body is tingling with life and vibrating with vim, vigor and vitality. You feel like yourself again.

Get S. S. S. right now—build up your blood to where it is pure, red and healthy. S. S. S. is the sure way. All druggists sell S. S. S. Get the larger bottle. It's more economical.

Indianapolis Delegates at Fire Chiefs Meeting in Home Stretch.

By Times Special
LOUISVILLE, Ky., Oct. 2.—Indianapolis delegates to the International Fire Chiefs' Association convention here today entered the

home stretch in their effort to obtain the 1926 convention.

The Hoosiers are buttonholing delegates, their Police and Firemen's Band is playing zealously and the underground political machinery is in operation.

Detroit is considered the favorite for the next convention, because of its geographical location, but the Indianapolis visitors have refused to concede defeat.
