

DUVALL HAILED A LA COOLIDGE

Guided by Same Principles,
Says Uptike.

John L. Duvall, Republican nominee for mayor, has taken for his guidance the principles of Calvin Coolidge, Representative Ralph E. Uptike declared at a meeting of King & Co. employees today.

Duvall recognized the reality of the situation when he told people more public improvements mean higher taxes, but pledged his administration to a program of reduced taxes, if possible, Uptike said.

"John Duvall will be a mayor in fact as in name," said Uptike. "This he pledges in his keynote address and he also has told the voters he will take the police and fire departments out of politics."

Uptike praised President Coolidge, who he said had saved \$300,000,000, and the State administration for its program of economy.

KING CASE SET OCT. 16

Motion to Dissolve Restraining Order
to Be Heard Then.

Special Judge Oren S. Hack, named to hear a petition for a permanent restraining order to prevent members of the State board of health from meeting to consider charges of malfeasance in office on the part of Dr. William F. King, secretary, today set Oct. 16 as the date for hearing on a motion to dissolve the restraining order. Motion was filed Thursday with Judge Hack by attorneys for the board.

The restraining order was granted some time ago by Judge Clinton H. Givan of Superior Court Four, where the hearing will be heard. Motion charged facts alleged in the petition were insufficient to constitute a good cause for action, and that the board had power to dismiss the secretary from office after a hearing. Dr. King is alleged to have raised salaries of employees under him without authority from the board.

THE VARSITY TIMES

INTERESTING ITEMS FROM BUTLER CAMPUS

By Jan's Carvin
RE you going to Illinois?
The above question has been repeated many times on the campus in the last week. Every student who can possibly make the trip to Urbana to see the Butler and Illinois University football teams clash in their annual battle will be on hand.

A special train has been procured by the athletic department, and students will make the journey by automobile. Quite a few of the men students will start to walk, depending on fortune to provide a speedier and more comfortable mode of transportation.

Candidates for class offices were nominated at freshmen chapel Thursday noon. Robert Armer, Minor Conn, Donald Higgins and Robert Pitts, were nominated for president. Martha Domberger, Elizabeth Moschenross, Eldina Stamm, Joan Wall and Helen Warmoth, were nominated for the vice presidency. Leona Blakely, Olga Bonke,

Mary Eller and Dortha Weaver, were nominated for secretary. Robert Orblison, Arthur Schumacher and Thomas Tacoma, were named as candidates for treasurer.

First reports on class work will be filed in the office Oct. 24, according to an announcement by President Robert J. Ale. Students who are low in their work will be given a preliminary warning. If the student has not improved his standing by the second report, he will face dismissal from the university.

Kappa Alpha Theta and Delta Delta Delta sororities held initiation this week for sophomore pledges. Frances Peters, Betty Lee, Florence Eleanor Perkins, Margaret Holdaway, Helen DeGrief, Marylee Orloff, Rosemary Smith, Ocie Higgins, Helen Wilson, Mary McCann
