

## U. S. JUDGE TO ASK BUILDING

More Room Needed for South Bend Court.

By United Press  
SOUTH BEND, Ind., Oct. 9.—Local business men, headed by Federal Judge Thomas W. Slick, are backing a movement to obtain a new Federal building.

The fact that the postoffice is crowded and that the press of business in the Federal Court here will make larger quarters necessary in the near future is the motive for the movement.

Judge Slick said that the Government seldom rents quarters for its office when it is cheaper to build.

He said undoubtedly would play large part in obtaining a new Federal building.

Judge Slick urged the citizens of South Bend to cooperate in urging the Treasury Department to order a new building here.

### NEW STATION ORDERED

Hartford City to Realize Hopes for Bigger Depot.

By United Press  
HARTFORD CITY, Ind., Oct. 9.—The hopes of Hartford City residents that a new railroad station would be built here were realized today when W. C. Nice, local agent, received notice that the Pennsylvania Railroad Company would proceed at once with the construction of a station.

The new structure will be located on S. High St., it was said.

An official of the railroad company will come here within the next few days to supervise the details of the construction.

### You can almost feel RHEUMATISM disappear!

THAT miserable ache from inflamed, swollen muscles GONE! Rheumatism conquered! Driven right out of the system—simply by building rich, red blood. Sounds almost incredible—but it's true! Get this wonderful relief yourself! Thousands are doing it! S. S. S. has been stopping rheumatism by building up red cells in the blood for generations. It will do the same for you. S. S. S. also cleanses your skin of blemishes—increases your appetite—puts power and strength and energy in your body. Get S. S. S. today from any druggist. The larger bottle is more economical.

### Oh Death Where Is Thy?

"When a man dies he has the right to die without interruption," Mayor Shank mused today. "But they took this right away from J. Carlton Guy one night."

Guy is director of municipal theatricals.

"Guy had a dying hero part one night and was just sinking to the ground," Mayor Shank related the tale. "Of course, the orchestra was supposed to play slow sad music, 'Hearts and Flowers' or something of that kind."

Well it was number eight any-

way. Guy was going good but his horror-stricken face became realistic when the orchestra started to play one of those Sousa marches.

"Guy didn't know what to do and the audience tittered."

"Finally he started whispering: 'Number eight, boys; not number nine.'

"The music stopped and Guy's voice was heard clamoring for 'Eight.'

"Oh, boy, that guy Guy just couldn't die!"

### NEW HATS CALL FOR FAT FACES

So Cheek Supports Are to Be Worn.

By NEA Service  
LONDON, Oct. 9.—Three-cornered hats are to be worn this season, says a Paris fashion edit.

And for a woman to look the best in one of them she should have a fat, round face.

So meet the demand of many who have reduced until their faces are but skin and bones, manufacturers are putting out neat little supports to be worn inside the mouth.

The supports rest against the

teeth on each side and give to the cheeks a full, rounded appearance.

Another aid to fashion and beauty is the kiss-proof lip-stick. The paint is guaranteed to be water-proof.
