

CITY SHORT ON GRAVEL, CINDERS MR. FIXIT TOLD

Reader Asks Alley in Rear of Home Be Fixed—Another's Walk Broken.

Do You Know?

The park board meets Thursday afternoon on the third floor of the city hall.

Let Mr. Fixit present your case to city officials. He is the Times representative at the city hall. Write him at The Times.

The scarcity of gravel and cinders is alarming Frank Reid, inspector of the street commissioner's office, who fears he may have to lay off repair men, Mr. Fixit learned today.

DEAR MR. FIXIT: The alley in the rear of our home at 1220 N. Adams St., is almost impassable. Will you kindly see if you can have some cinders put on same?

MRS. S.
It's tough sledding with the budget low, but Reid will try to find some cinders, he promised Mr. Fixit.

DEAR MR. FIXIT: One day last week a truck hauling limbs and brush off Delaware St., south of Fall Creek came north to Thirty-Third St., heavily loaded. Turning east on Thirty-Third St., it ran over my concrete walk breaking it. I was told by a reader of the Times to write you and that you would take care of the rest.

J. O. HADLOCK,
201 E. Thirty-Third St.
The department of improved streets is a little shy of material now. However, they expect some within the next few days and will attend to your complaint.

TO TIMES READER: The board of health will inspect the situation on S. New Jersey St. at once, Mr. Fixit was told.

To L. E. T. Please describe in what block the alley between Hanna and Russell Aves. is located, so Mr. Fixit may investigate your trouble.

DEAR MR. FIXIT: Some time ago we, the taxpayers of S. Audubon Rd. and Beechwood Ave. in Irvington, requested that the sidewalks be cleaned of the mud and you said the

street commissioner would attend to it. If he has been out here, no one knows it, for nothing at all has been done.

When people run for office they claim to be our servants and when they get it, we are their servants. We pay two prices for everything and are taxed for every breath we draw.

TAXPAYERS.
Sorry for the delay. Mr. Fixit received the promise of the street commissioner's department for an investigation.

TO H. P. B.: Your complaint in regard to weeds on Madison Ave. will be investigated by the board of health at once.

TO W. H. G.: The building, you mentioned was inspected by the city building department and received a clean bill of health.

JUDGE MANDATE DENIED

The State Supreme Court today denied the petition of T. Ernest Maholm, attorney, to mandate Judge Pro Tem Joseph Milner of Superior Court Five to name three eligible judges to hear the divorce suit of Elizabeth Gentry against Zane Gentry.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga.—Advertisement.
