

## Fountain Delicacies

Dedicated to dainty service of the appetite, White's new fountain is attracting hundreds of refreshment seekers throughout each day.

Cleanliness is the key-note.

Perfect ventilation, no crowding, comfortable chairs at tables combine to give thorough enjoyment.

EVERY GLASS, EVERY SPOON THOROUGHLY WASHED AND STERILIZED after each using!

In this single provision White's lead is an important step in sanitation.

All fountain drinks, sandwiches and other light refreshments served from morning to night. Special table service of fountain delicacies, 2 to 5 each afternoon.

## Steaks and Chops With a Reputation

Our new CHARCOAL BROILER and the thorough competence of our chef and his assistants account for the growing fame of our steaks and chops. Our specialty. It is our ambition to give Indianapolis the best steaks and chops in this part of the country. No small undertaking, that, but we believe we know how to accomplish it.

# The "You" Idea at Whites

The  
WHITE  
Cafeteria

ON THE CIRCLE

QUICK AND CLEAN

*THE Speedway would not be the Mecca of five continents had Fisher and Allison and the others omitted the "You" idea from its foundation. Indianapolis has attained its place among the cities of the world because it is SERVED by men like Sol Meyer. No public institution, such as White's Restaurant, can maintain leadership through a period of years without a deep-seated appreciation of what its friends want and deserve.*

You and I in this greatest of the world's inland cities, have a large responsibility. For the world has marked Indianapolis as the generic source of Big Things. We must meet the mark. And, really, isn't it hard to be a second-rater in this atmosphere of first-rate achievements!

Here at White's, success depends strictly on how your wishes are met or anticipated. You ARE the jury.

A single phase or development in White's service, the remodeled East Balcony, is the latest effort to anticipate your desires. Here each evening from 5:00 until 8:00 you can order your dinner from the menu and be served while seated.

Apart from our cafeteria service, the same policy of moderate charge prevails. It has all the luxury in service and appointment of any metropolitan restaurant, with the White, "You" idea uppermost.
