

RUCKER SLINGS SOME MUD AT MYERS FORCES

G. O. P. Speaker Asserts
Old Machine Is Backing
Candidate.

The same persons who discredited the city with the Bell-Perrrott machine are behind the candidacy of Walter Myers for Mayor," Alvah J. Rucker, attorney, declared at a Republican meeting Tuesday night at 2307 Prospect St.

Retaliating to what he termed Democratic mud slinging, Rucker flung some moist dirt of his own and also predicted the line-up of the official cabinet for Myers, if he is elected.

"Denny Bush is reported to be on the av'noo attempting to organize the colored population for Myers and it is openly charged he is to be street commissioner, if Myers wins."

It is well reported that Hendricks Kenwinkle, a pillar of the Bell regime, is to be city purchasing agent; that William E. Clauer is to be elevated from his former post of board of works secretary under Bell to presidency of the board. It has been asserted that Frank P. Baker, formerly prosecuting attorney, is to be corporation counsel and that John Zener, the fund collector de luxe, is to be chief of police. Gippy Gavin, in the belief of many, is to be rewarded by the Democratic organization as the head of the street cleaning department.

Rucker said many of those indicted by the grand jury during the Bell investigation are in the front line trenches for Myers now.

The adventurers hope to cover the expenses of the trip by trading with the natives and sales of articles such as might be badly wanted by isolated white traders.

RARE PEARL DISPLAY

Personality Shown by Manikins in London Shop Windows.

By United Press

LONDON, Oct. 14.—Wax figures as seen in the London shop windows are no longer all of the "beauty chorus" variety.

Instead, some frown, some pout, some look downcast, some look peevish.

The new idea in producing wax figures for show window purposes is that the characters shall reflect the individuality of the clothes on display.

Glass eyes and real hair for the figures have also gone into the discard. The new models have waxen hair and waxen eyes.

Jury Frees Youthful Husband in Stabbing

Deputy Sheriff John Sands, Coburn Huntington and His Wife, Mrs. Thelma Huntington.

Verdict of Not Guilty Is Re-turned in Criminal Court
Murder Case.

Coburn Huntington, 18, of 719 N. Alabama St., tried in Criminal Court on charge of second degree murder, was acquitted by a jury which returned its verdict today to Special Judge Frank A. Symmes.

Huntington had been held in jail since May 6, after he fatally stabbed John Williams, 17, colored, with a butcher knife, during an argument in the kitchen of the Wilcox restaurant, 326 E. Market St. The case was given to the jury at 4:15 p. m. Tuesday.

Huntington was jubilant when the verdict was read. He kissed his pretty young wife, Mrs. Thelma Huntington, 18, to whom he was married only three weeks before the tragedy, and shook hands with his friends in the courtroom.

The jury was out for one and one-half hours, having taken eight ballots.

Throughout the trial the youthful defendant sat beside his wife. During a dramatic plea made by Fred McCallister, defense attorney, to the jurors Tuesday afternoon for a verdict of acquittal, Mrs. Huntington wept as she clasped the hand of her husband.

It was brought out in testimony that Huntington and Williams had quarreled over the theory of evolution. Huntington is said to have jokingly called Williams grandfather a "black ape." It was after Williams resented this that they had

met.

Piney is a home-made syrup which millions of people have found to be a dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma, winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Piney into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.

Piney is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2½ ounces of Piney" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Piney Co., Ft. Wayne, Ind.—Advertisement.

Congressional leaders announced a

After ten days of hearings the committee will go behind closed doors with treasury department experts to write the first draft of the new bill.

Flanked by Assistant Secretary Winston and Treasury Actuary McCay, Mellon will give his opinion as to how the \$350,000,000 available to the new cut can best be distributed.
