

THE VARSITY TIMES

INTERESTING ITEMS FROM BUTLER CAMPUS

By James Carvin

University officials decided that drastic action was necessary to prevent congestion in the halls of the Administration Building at the passing of classes, so a number of traffic rules have been put into effect. Students are required to keep to the right at all times and are discouraged from stopping to talk on stairways or in halls.

College organizations have been prohibited placing tables in the halls for sale of tickets to school activities.

Members of the sophomore class will vote for class officers today. Harrison Collier and William Walker are candidates for president. Elizabeth Fletcher, Margaret Elrod and Marianna Kennedy are nominated for vice president. Jane Ogborn, Katherine Gilbert, Irene Bowers and Augusta Bowerman, for secretary; Paulworth Waldo and George Cottrell, for treasurer.

Twenty-eight hours of credit are necessary to vote in the class election.

Interfraternity football will get under way Oct. 25 when the Delta Tau Delta team plays the Tau Kappa Tau eleven.

Chi Rho Zeta will play Phi Delta Theta Oct. 30, while Lambda Chi Alpha, last year's champions, will meet the Delta Phi Sigma team, runners-up in the play last season.

Final game will be played Armistice day. Member of the interfraternity council hope to make arrangements for the game to be played on Irwin field.

Many of the Greek letter organizations have held initiation for pledges in the last couple of weeks. The campus has been enlivened by the stunts which the neophytes were required to perform.

One of the favorites is to forbid

the candidate to speak except when in class. This gives the campus the appearance of a school for the deaf and dumb.

Girls have appeared in classes minus the usual cosmetics, while some of the men have not been allowed to comb their hair.

Ten "worms" of one fraternity were transported thirty-five miles into the country one night this week and left to find their way home.

The following men were pledged to the Skulls Club, honorary organization of men students: Ralph Hitch, Carl Cecil, Clifford Courtney, John Troyer, Jerry Strole, Wilson Daily, Albert Harker, George Cottrell, Carroll E. Nipp, Merla Miller, J. Douglas Perry and Damien Lyman.

Arrangements have been made for obtaining distinctive headgear for the club.

Alpha Chi Omega initiated Mary Elizabeth Swain, Lucinda Smith, Irma Rolter, Gertrude Wyssong, Alice Hollingsworth, Margaret Barlet, Joan McBride, Elizabeth Currie, Grace Martindale and Dorothy Ensminger.

Alpha Delta Theta initiated Virginia Barnes, Juanita Hoehl, Susan Hlatt, Helen Schmitz, Dorothy Shaffer and Helen Tomlinson.

E. U. Graff, superintendent of the Indianapolis public schools, will speak on "Modern Phases of High School Education" at first meeting of the Student Teacher's Association, according to announcement by Douglas Perry, president of the organization.

The meeting will be at 7:30 p. m. Monday at the Zeta Tau Alpha house.

The following have made application for the Rhodes scholarship: Shailer L. Bass, Paul Fink, Brewer Graham, T. C. Jaleski, Damien Lyman and George Mulholland.

GOES BACK TO FARM

Youth Given Sentence by Judge on Theft Charge.

Samuel Wilson, 17, of 3047 N. Gale St., who admitted having served nine months on the Indiana State Farm for grand larceny, was sentenced to sixty days on the farm in Criminal Court by Judge Pro Tem. Frank A. Symmes, after he was convicted on charge of vehicle taking. He was caught by Verne Strange,

1176 Concord St., who charged that he saw Wilson driving his automobile. John Cloyd, 26, colored, 318 W. Seventeenth St., charged with assault and battery with intent to kill, was discharged.

A SEASON OF COLOR

There is surprisingly little black used this year even for day wear. Very dark green, navy blue, reds and the tan shades have quite overshadowed it.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by the highest medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga.—Advertisement.

USED-OR ABUSED?

People have gotten over the idea that "Used Cars" and "Abused Cars" are synonymous. They now realize that it is purely a matter of judgment on their part; that is, judgment in choosing a dependable dealer to buy from.
