POPULARITY OF TIMES NIGHT IS DEMONSTRATED

Telephone Calls and Messages Come to Broadcasting Studio.

Popularity of The Indianapolis Times radio programs over WFBM, Merchants Heat and Light Company, from The Times studio at the Severin, was proven Friday night when the third program was given. Telephone calls and messages showed that many listeners were enjoying every minute of the evening. Carl Pohl, radio editor of The Times was the announcer. This entertainment on the air was arranged by the Indianapolis Music Promoters under the direction of its president, Miss Lillian M. LeMon. There were many enjoyable features. The reports that came in praised the work of the Mitchell Chorus under Mrs. Lucretia Lawson Mitchell. It is composed of twelve young ladies who gave a group of negro spirituals. Miss Elsie L. Mitchell was at the Baldwin grand. Mrs. Mitchell, also a noted dramatic soprano, sang five numbers, including "Swiss Echo Song" and "Swing Low Sweet Chariot." While she was singing, messages were received stating how pleasing her work was. Miss Lillian M. LeMon was at the piano. Walter Price, baritone, received his share of radio honors with his two groups of numbers. Hazel B. Johnson was at the piano. Dr. Theodore Cable, violinist, and a member of the Reginald DuValle Orchestra, gave a violin solo of merit. Red hot jazz, the kind one can step to with much glee, was furnished by Reginald DuValle's Orchestra, a corking good dance orchestra. The orchestra includes The Jolly Gals, violin; Ben Hollman, banjo; Earl Washington and Mason Williams, saxophones; William Willamson, trumpet; Charlie McLaughlin, trombone; Bruce Badenbaugh, bass; Merrill Chandler, drummer and leader.

Do you know that your kidneys have worked without ceasing from the hour of your birth? They filter and remove from the blood stream waste matter which if permitted to remain and re-enter the system, may cause serious diseases. If overworked you can help them by taking FOLEY PILLS, a diuretic stimulant for the kidneys, which gently flush the kidneys and increase the elimination of waste matter from your system. Try them today. Sold by all good drug stores.—Advertisement.
