

COMPLAINT IN POETRY SENT TO MR. FIXIT

resentative.

Do You Know?

White safety zones are being painted on streets where there are no sidewalks to remove the danger of accidents to school children, by order of William H. Book, school board business manager.

Let Mr. Fixit help solve your problems with city officials. He is the Times representative at the city hall. Write him at The Times.

October's dull, drear weather moved a correspondent of Mr. Fixit to address him in poetry today.

Mr. Fixit hereby offers a prize of a load of second hand ashes to the best poem he receives during the next week from an Indianapolis person.

DEAR MR. FIXIT: Underneath the bridge over Georgia Street, There's a hole near Pine about two feet deep;

I wonder would they fixit if they have the dough? Oh! Won't you listen, Mr. Fixit, to my tale of woe.

J. ROBERT ANDRESS, 908 E. Georgia St. Here is Mr. Fixit's answer: Since you've found a hole vexatious, Fixit hopes he's efficacious.

Your tale was told to Bill Schoenroeg, And help is on the way. Hot dog!

William Schoenroeg clerk of the street commissioner's office, also promised immediate investigation of the following complaints.

DEAR MR. FIXIT: I would like to ask you to send some cinders on the north part of Leland St. just north of Ellenberger Dr., so we can get in and out with our cars. The street is full of chunk holes. Last winter the machines got stuck, backed in our yard and ruined our lawn.

W. B. M., 710 Exeter Ave. DEAR MR. FIXIT: Will you please use your good offices in getting our street either cindered or graveled?

We live on Exeter Ave., and at present it is practically impassible; some of the holes are so deep the car axles drag in pulling through them, and of course get deeper in all the time. The bad part is from the Walnut St. alley south to Michigan St.

W. B. M., 710 Exeter Ave. DEAR MR. FIXIT: Would like to know if there is any chance to get the 900 block of Keating Ave. graveled. It is in an impassible condition.

G. E. W. ORDER BRIEFS IN CASE Motor Coach Company Opposes Action of Beech Grove.

Briefs were being prepared today by attorneys on both sides of the fight of the South Side Motor Coach Company to have the public service commission set aside an ordinance passed by the town of Beech Grove prohibiting the company's busses from operating on the principal thoroughfares there.

The brieves were ordered at a hearing Monday before Clyde Jones of the public service commission. Bus company attorneys declared the town had no right to pass such an ordinance. The right to operate over the principal streets is vital to the company, they contend.

CONTRACTOR NOW FINDS LIFE WELL WORTH LIVING

Mr. H. P. Christian, Indianapolis, Ind., Declares Stomach and Other Ills Gave Way to Todd's Tonic.

"I have more than one reason to recommend Todd's Tonic and to be thankful for the wonderful results I obtained from its use. I have suffered a long time with a nervous run-down condition, stomach trouble, liver trouble, and it seemed to me, all kinds of trouble. I began to think that life was not worth while living with all these aches, pains and troubles. One day I was advised to try Todd's Tonic and it surely did more than I expected. It built up my whole system. In plain talk, it gave me a new hold on life and made me feel that life was worth living after all. I have no more rheumatism, no more aches or pains, thanks to Todd's Tonic."

KEEP LOOKING YOUNG It's Easy—If You Know Dr. Edwards' Olive Tablets

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.—Advertisement.
