

STOP SIGNALS ARE IGNORED, MR. FIXIT TOLD

School Children Endangered
by Motorists, Times
Reader Reports.

Let Mr. Fixit solve your troubles with city officials. He is the Times representative at the city hall. Write him at the city hall, 100 North Dear Street.

Automobile drivers get a little absent minded when they approach stop and go signals as well as passing half street cars, a correspondent told Mr. Fixit.

I notice a letter in Thursday's Times regarding motorist passing halted street cars. Would like to call your attention to the way motorists disregard the stop and go signs recently placed at State Ave. and Washington St., and Arsenal Ave. and E. New York St. Our children have to cross these streets in getting to school.

Many times the sign would say "go" for the children; a motorist from the other way would drive up and stop while the one behind him would swing out past him and drive right on just as the children would try to cross the street.

ANOTHER TIMES READER. Perhaps the motorists are not yet accustomed to the new signals. However, the police will investigate.

DEAR MR. FIXIT: Paving of the alley between Thirty-Eighth and Thirty-Ninth Sts. and Capitol and Graceland Aves. has been approved for more than a month. Will you please investigate why it has not been paved? TIMES READER.

Your alley is one of more than a million dollars' worth of improvements suspended because there are no funds to pay paving inspectors. City council refuses to authorize the money to pay them.

DEAR MR. FIXIT: Can you get city service on collection of garbage and ashes at 750 Arlington Ave.?

MRS. G. H. WICK.

Truly Nolen, garbage and ashes department superintendent, will investigate at once.

DEAR MR. FIXIT: By all means, SAFE FOR CHILDREN. Made without opiates, and only of the best California honey and purest ingredients, FOLEY'S HONEY & TAR is safe for children. A trial will prove to you why this has been one of the largest selling cough remedies for over fifty years. "Can't recommend FOLEY'S HONEY & TAR high enough," writes Mr. J. R. Dennis, Spiro, Oklahoma. "A sample treatment relieved me of a severe cough and cold." Refuse substitutes.—Advertisement.

STOMACH UPSET?

Get at the Real Cause—Take
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, craps or pain.

Take one or two at bedtime for quick relief. Eat what you like. Be and live.—Advertisement.

"I DO NOT want to be thin! I just want to be my right weight! I want these hollows filled out. I just want enough firm, plump flesh on my bones to fill out my figure."

Of course you do. You want a figure that you can drape your clothes on—not just hang them on! What's the use of having pretty clothes, if they just hang on you?

And what would you say if you were told you could have the figure you want? A graceful, well rounded body—firm, solid flesh—just enough—just your right weight? You'd be mighty happy, wouldn't you?

Well, then, be happy—because you can have it! Put plenty of red cells in your blood and watch your weight go up to where you want it! That's what's the matter with you! Your blood is impoverished. You need more rich, red blood. S. S. S. is the thing to put red blood in your system. S. S. S. helps Nature build red-blood-cells by the millions.

You just try S. S. S. and watch how quickly you begin to fill out your clothes. Notice your skin clear of unsightly blemishes—your appetite increase—your strength come to flabby muscles and vim and vigor fill your whole system. It's red blood that does it. And S. S. S. surely helps Nature build that red blood. S. S. S. is sold by all drug stores. The larger bottle is more economical.

Do You Know?

City hall officials are seeking to adjust finances to last during the rest of this administration.

there should be a light on the corner of Boulevard Pl. and Hampton Dr. What steps should one take? Another matter. From Forty-Third St. north on Capitol Ave. there are no sidewalks and the children going to and from school are compelled to walk in the street. With the traffic, this is considered more or less a death trap. TIMES READER.

Present a petition to the board of works with plenty of signatures. If you would obtain a street light. William H. Book, school board business manager, will investigate the death trap. The board and the police accident prevention bureau have been painting lines on the street to create safety zones in similar cases. Book will return to this city early next week.

DEAR MR. FIXIT: Last year you or some one calling themselves Mr. Fixit promised they would see that some cinders were placed in the short section of the alley north of Lawton St. Well, Mr. Fixit, we are still waiting for those cinders. I understand we are to have wings in heaven, but that doesn't keep us out of the mud down here.

W. N. GREENE, 1404 Lawton St. Mr. Fixit has his ups and downs as you have apparently in the alley. Frank Reid, inspector of the street commissioner's department, will investigate at once.
