

STIRRIN' the DOPE

By VEDDER GARD

CHURCHILL DOWNS racing opened its fall meeting today at Louisville, Ky. The thoroughbred sport in the Kentucky city always attracts many Indianapolis people, and a number are going to the track on Saturday, on which day the feature is the Pals City Handicap, with a field composed of many of the best handicap performers.

Today's program brought out eighty-two horses which were named for the seven events. There's no shortage of entries at Churchill. The inaugural card looked very attractive with well-balanced fields in almost every case.

It should prove a great start for a great meeting. There will be fifteen days of racing with the wind-up on Nov. 7.

ACROSS THE BOARD TODAY

Two winners at Fairmount track and a few more dollars added to the bank will Mad Boy paid only 40 cents on the dollar to win, but Lierre pulled us over Jauchbar, the other one played at St. Louis, was out of the money. At Laurel, Cobra and South were scratched. Santa Fe was third. The bank roll today is \$377.55.

Churchill Downs meeting starts today and we'll continue our activities to the Kentucky track for the day. The H. P. Whitney entry, YOU ARE AND PANDY, looks worth while. \$10 win, place and show is the play. YOU ARE must go or the water is off. BRAKEMAN seems ready and is worth a \$10 win and place speculation. We still believe in CORNELIAN and will put \$5 across on that 2-year-old.

PAUL MICOU may surprise in the third and he's worth a \$2 win, place and show investment. There will be him up with JOHN FLY in the seventh, for a \$2 across the board party. There's a combination that would pay a hat full.

TAKE a good look at the next football picture that shows a back running with the ball for a good gain. Note how the opposition has been taken out of the play by splendid blocking. That's a big part of the secret of any gain on the grid.

The best ball carrier is helpless with opponents swarming through a paper line like bees out of a hive. When the interference has opened up the way it is then the ball carrier's task to pick the hole in a hurry and crash, not run—that's his job. This has been said a million times—but it's still good.

A number of Indianapolis football fans will help swell the 67,000 crowd that will see the Michigan-Illinois grid battle at Urbana on Saturday. Many will drive through and a special football train will be run over the Big Four. It will leave at 8:30 a. m. Saturday arriving in Urbana at 11:30 a. m. The train will leave Urbana at 6 p. m. and arrive here at 10 p. m.

FOOTBALL fans in this city are making Iowa their favorite over Ohio State on Saturday. We rise to announce that the Buckeyes are very likely to defeat the Hawkeyes, in spite of the new Iowa sensation, Kutsch. The sophomore flash has proved himself a wonder, but Ohio has a great line and plenty of attacking power, as was demonstrated against Columbia.

And here's something to remember. Ohio has a young fellow by the name of Marek who is likely to make the Hawkeyes sit up and take notice. He went good against Columbia and is about due to break loose with something sensational. Don't be so sure that Iowa has the edge. It looks just the opposite to us.

Steve Harter, promoter of next Monday's fight show at Tomlinson Hall, is wishing he could knock out one of the walls and increase the seating capacity of the old building. Steve threw a "natural" in matching Roy Wallace and Tommy Burns.

The fans are clamoring for tickets. The advance sale is one of the largest experienced here in the indoor boxing season for a long time.

A warning to Muncie High School football team: Don't imagine that an afternoon on Tech grid is going to be a tea party. Tech is likely to spring more of a surprise on you, Bear Cats, than Marion did. You may get beat. The Green and White has a powerful aggregation.

THE doctors once said that Jockey Benny Marinelli had only one chance in a thousand to live, after he had been badly injured in a spill at Jamaica last spring. Benny is now not only alive and well, but is back in the saddle working out for a comeback.

One-hundred-to-one shots sometimes go over on the race tracks, but better still, the skill of great surgeons performs miracles in the biggest race of all and win out over the Grim Reaper when Death is the odds-on choice.

Purdue is meeting Wisconsin next Saturday on the football field for the first time in ten years. The last contest was in 1915 when the Badgers won, 28 to 3. In nine games, dating back to 1892 Wisconsin has won seven and lost only one contest. The two teams tied in 1913, 7 to 7.

In a football article a former back field star says that he practiced his ground gaining tactics by slipping through traffic on the sidewalks of the city on a busy day. We must have some of these in Indianapolis. The other day somebody knocked the wind out of us on Washington St. The trouble was we didn't know we were in the game.

BUTLER COACHES

Head Coach Page and Assistants Shift Players to Find Best Combinations for Saturday Struggle.

Hurry 'em up tactics are being employed by Head Coach Page and his "under coaches" at Irwin Field as the Butler Bulldogs are being groomed for the blue ribbon grid show of the season here Saturday when the Irvington warriors do battle with Pete Vaughan's fighting squad from Wabash. The Bulldogs were sent through a strenuous session Wednesday night and the mentors barked instructions until after evening bells.

The Butler coaches have done considerable shifting, but it is thought the line-up used in previous contests this fall will be seen on the field Saturday, when the clash with the Scarlet gets under way. Different combinations have been tried, but chiefly to give more warriors a chance to work in positions they may be called on to fill in case of injuries to regulars.

The locals are strong in reserve strength and they have little to worry about in that department. Coach Page is said to have something "under cover" to spring on Wabash if the going gets tight, of course, he is keeping silent about his plans.

Reports from both camps tell of long injured lists. Woodling, whose strong play at end has featured in the Butler games this season, is on the bench. Helton, Keach, Strole, Reichel and Hensel may be unable to start the game. While the injuries to these men are not serious, they may slow the players considerably.

If these men continue to be on the hospital list, the Butler starting line-up will be plagued with second string men. Strole and Woodling have been regulars at end all season. Wakefield and Konold probably will get the wing assignments.

Puett may start at center in place of Captain Reichel. The back field will present a more imposing front with Nipper at quarter, Northam and Canfield at halves and Paul at full.

Wabash has been well-scouted by Butler sleuths this fall and the Irvington defense has been worked on until it appears formidable to stand up under a bitter attack.

The kick-off Saturday will be at 2:30 and advance ticket sales indicate the largest crowd of the season at Irwin Field.

GRID QUIZ

1. Is it considered hurdling if the man with the ball tries to jump over an opponent who is on his knees?
2. What is the proper procedure of play after a team has scored a touchdown?
3. How many players must be in the line of scrimmage when the ball is put into play?

ANSWERS
1. Hurdling, according to the rules, applies only to the man carrying the ball. If an opponent is on his knees, the player with the ball is not to be penalized for hurdling. Hurdling is considered jumping or trying to jump over an opponent who is still on his feet.
2. The side just scored on shall have the option of kicking off or having their opponents do so.
3. The side holding the ball must have at least seven players on the line of scrimmage when the ball is put into play.

H. S. GAMES

Tech vs. Muncie Feature Contest on Friday.

Technical and Shortridge swing into action on the grid Friday in games here. Muncie is the strong opponent at Tech field, while Shortridge plays at Boys' Prep.

The game with Muncie will give a good line on how the Green and White stacks up in the State. The locals are undefeated by an Indiana club.

Cathedral does not play until Saturday. Reitz High of Evansville will furnish the opposition for the locals at Washington Park.

BRAZIL TEAM IS WINNER

Moffett's H. S. Eleven Uses Passes to Defeat Sullivan.

By Times Special
BRAZIL, Ind., Oct. 22.—Unleashing an aerial attack at the start of the game, the Brazil High School eleven scored two touchdowns in the first half that proved to be a winning margin for victory over the strong Sullivan team, 13 to 0, Wednesday. The last half of the game was played in the rain.

Hardly a half dozen plays had passed when Cliff shot a pass to Dean, who ran it to the two-yard line and Cliff carried it over.

Another pass, Dean to Strong, started a forty-yard run that ended with the ball behind the goal posts. Dean kicked the first try for point. The Moffettmen thereafter resorted to defense.

COLONELS ON COAST

Louisville and San Francisco Open Post-Season Series.

By Times Special
SAN FRANCISCO, Oct. 22.—Baseball is still going on the Pacific Coast. Starting today, Louisville, American Association pennant winner, and San Francisco, Coast League champion, were to open a series of nine games.

Owing to the fact Louisville lost to Baltimore in the A. A. International League series, some of the "kick" was taken out of the series here. Football interest also has put a crimp in the late season diamond event.

HURRY DRILLS IN PREPARATION FOR WABASH

SIX-BOAT PROGRAM ALL SET

Harter Arranges Numerous Features for Monday Glove Show.

Matchmaker Harter of the Washington A. C. today announced the complete card for his fistie show at Tomlinson Hall Monday night. There will be six bouts, one ten-rounder, four sixes and one four. In all, thirty-eight rounds are scheduled.

Harter filled out the program by matching Billy Long, Terre Haute, and Don Carson, Indianapolis, for six rounds; Ted Hunt, Indianapolis, and Johnny Murphy, Indianapolis, six rounds; and George Thornberry, Greenfield, and Butch Sanford, Cumberland, for four rounds.

"Hoosier Special" Booked

The promoter already had two sixes and the main event closed for and he is now convinced his show will pack the hall Monday. He has picked up two slugging, wild-swinging Hoosiers to mix in a four-rounder in the scrap before the night's feature. Light heavyweights from Greenfield and Cumberland will do their stuff in this "special," which is not expected to go the limit.

Roy Wallace, Indianapolis, and Tommy Burns, Detroit, who are to figure in the ten-rounder feature, are the chief drawing card, naturally, but there are other bouts on the program worth the popular price.

Wallace Keeps Busy

Wallace is training every day at the Arcade gym and his followers predict he'll "take" Burns with a haymaker. The complete card follows:

Ted Hunt, Indianapolis, vs. Johnny Murphy, Indianapolis, six rounds, 125 pounds.
Royal Cox, Indianapolis, vs. Johnny Lubeck, Dayton, six rounds, 115 pounds.
Billy Long, Terre Haute, vs. Don Carson, Indianapolis, six rounds, 118 pounds.
Six rounds; Ted Hunt, Indianapolis, vs. George Thornberry, Greenfield, six rounds, 125 pounds.
George Thornberry, Greenfield, vs. Butch Sanford, Cumberland, four rounds, light heavyweights.
Tommy Burns, Detroit, vs. Roy Wallace, Indianapolis, ten rounds, 170 pounds.
First bout at 8:30.

GAME AT PENNSY PARK

J. J. Cs to Meet Harrison Battery B Eleven Sunday.

At Pennsy Park Sunday the J. J. C. eleven will meet the Battery B team of Ft. Harrison. The other Harrison club is playing at Jasonville.

The J. J. Cs have leased Pennsy Park and each Sunday plan to bring in a strong outfit that should furnish good grid sport for the east end fans. A number of the city's leading independent players have been rolled among them several former high school gridsters. Charlie Shine, local K. O. artist, is playing in the J. J. C. line.

The game Sunday will start at 2:30 and popular prices of admission will prevail.

STATE THREE-CUSHIONS

In 109 innings of three-cushion play Lloyd Henderson defeated the Sharts Wednesday night at the Occidental parlor in a State tourney match. The winner had two high runs of four and the loser's best was a three. The score was 50 to 45. Kepner and O'Connor were to meet this afternoon. Ramsey and Rubens are scheduled tonight.

"HAIR-GROOM"

Keeps Hair Combed, Glossy Well-Groomed all Day

"Hair-Groom" is a dignified combing cream which costs only a few cents a jar at any drug store. Millions use it because it gives that natural gloss and well-groomed effect to the hair—that final touch to good dress both in business and on social occasions. Even stubborn, unruly or shampooed hair stays combed all day in any style you like. "Hair-Groom" is greaseless; also helps grow thick, heavy, lustrous hair. Advertisement.

And here is Mulligan's partner, MR. GARRITY. He is not quite the equal of Mulligan in bravery but he is quite as dull-witted. It should not be supposed that Mr. Garrity wears a flower in his lapel every day in the week. In the present instance, Mr. Garrity will inform you, the flower is but a reminder that even if "THE GORILLA" coming to English's opera house next Monday for a week's engagement doesn't get him, there are other troubles in store for him. For he is to be married on the morrow. Advertisement.

PIRATES' CHECKS MAILED

Each Regular of Champs Receives More Than \$5,000.

By United Press
CHICAGO, Oct. 22.—Checks totaling \$142,650.58 were in the mails today addressed to the world champions of baseball, the Pittsburgh Pirates. Checks were mailed Wednesday night after Commissioner Landis attached his signature to the slips.

Twenty-five players, including Manager McKechnie, each received \$3,327.22. Smaller amounts were distributed among utility players and club attendants.

UNCROWNING GRANGE IS NOT AN EASY TASK

Red Going Good Despite Lack of Support—Kutsch and Friedman Strive to Outshine Him.

By Edward C. Derr, United Press Staff Correspondent

CHICAGO, Oct. 22.—It is a tough job to knock the crown off any man's head, and when the 1925 football season is over, Red Grange probably still will be recognized as the gridiron's premier athlete. The fact that he is playing with a losing crown or it may add to its brilliance. But until some other player does some of the things Red has done, Grange still will be king.

In Saturday's games in the Middle West, however, two great back field stars will attempt to unseat Grange and engrave their own names at the top of the list. They are Nick Kutsch, Iowa's flying Dutchman, and Benny Friedman, Michigan's back field ace.

Kutsch's best claim to Red's crown is the fact that he leads the

JOSS PLAYS

Yale Captain Recovers and Returns to Line.

By Times Special
NEW HAVEN, Conn., Oct. 22.—Johnny Joss, Indianapolis, captain of the Yale football team, is expected to take his regular place in the Eli line against Brown at Providence Saturday. He has been unable to do much grid work up to the present because of illness.

Joss practiced with the Yale reserves for a few days and the coaches decided he is strong enough now to assume the leadership of the Eli eleven. There was a weakness in the Yale forward wall last Saturday and Joss is expected to bolster the line.

RACES FOR SCOUTS

Annual bike races for Boy Scouts of Indianapolis will be held at the State fairground Saturday afternoon, starting at 1:30. The event will be in two classes, one for racing wheels and the other for non-racing wheels. There will be a number of races in both divisions.

Gold silver and bronze medals will be awarded. Charles E. Wehr will officiate.

He's Wabash Captain

WHEN the grid warriors of Wabash trot onto Irwin field, Irvington, Saturday, Don Sherman, tackle, will lead the way. He's captain of the Scarlet team and a power in the line. He was carried off the field at Minnesota last Saturday, bruised and exhausted after battling against the heavy Gophers. But he'll be in his regular position Saturday, it is said, and ready to encourage his Little Giants in their efforts to triumph over Butler in the biggest rivalry scrap of the fall locally.

GARY VICTOR

Emerson High School Defeats Manual, 13 to 0.

Emerson High School of Gary defeated Manual at Irwin field on Wednesday by a score of 13 to 0. The northern Indiana team did all of its scoring in the first half. Hughes plunged over with the first touchdown after a steady march after the opening kick-off. The second touchdown was scored by Wood after a forty-yard run.

The south siders fought stubbornly and in the final period held on their two-yard line. Manual's ends, Rice and Woerner, played good defensive ball. Kellermeyer kicked well after Martin was forced out by injuries.

Manual was without the services of Higgins, back field star.

Only a small crowd witnessed the contest.

PRIZE IN NATIONAL HELD UP

'Most Valuable Player' Not to Be Announced Until December.

By Henry L. Farrell, United Press Staff Correspondent

NEW YORK, Oct. 22.—Announcement of the winner of the National League's \$1,000 prize for the most valuable player will not be made until the annual league meeting in December, according to President John Heydler.

It is the policy of the league to give the baseball writers, appointed on the selection committee, plenty of time to consider the merits of each player and what they meant to their teams.

Baseball men believe the American League made a mistake in announcing that Roger Peckinpaugh, the Washington shortstop, had won the honor in the American League, before the pennant season closed.

Peckinpaugh was the big goat of the world's series with a record for errors and many believe it was the burden of trying to live up to his reputation that caused him to collapse against the Pittsburgh Pirates.

There is no way of telling, of course, what player in the National League will be awarded the prize.

Rogers Hornsby, brilliant manager of the St. Louis Cardinals, is sure to be one of the leading candidates as managers are eligible in the National League. He led the league in batting and home run hitting and landed his team in the first division after a poor start.

Pittsburgh fans figure Hazen Cuyler, the brilliant young Pirate outfielder, has no rival for the nomination. If the Giants had won the pennant, George Kelly, the greatest all-around star in baseball, might have been elected unanimously and he is yet one of the outstanding candidates.

BASEBALL DROPPED
