## Get Rid of Your Rheumatism

Before Winter Sets In

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-Four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and plentious and where the patient was helpless.

James H. Allen, of 26 Forbes St., Rochester, N. Y., the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he has instructed druggists to guarantee it as above in every instance.

Hook's Dependable Drug Stores, Haag Drug Company, Goldsmith's Drug Stores are my appointed agents in this country. If you live out of town I'll gladly send you full particulars.
