

STIRRIN' the DOPE

By VEDDER GARD

D R. HOLLAND, Indiana University physician, stated in an address here to the I. H. S. A. A. that in his experience of some ten years of college work he had noticed that the physical condition of freshmen was much better now than some years ago.

This is a cheering sign and shows that, at least, high school athletics do not "burn out" the youths. It also may prove that the athletes are going to college instead of dropping out.

Nowadays there is more activity than ever before among alumni of the various higher institutions of learning to prevail upon athletes to enroll. And why not?

Many a youth has gone to college thinking only of what he could do on the athletic field and has found that there are many other important things in life.

ACROSS THE BOARD TODAY

We were right in the statement that those big fields at Churchill Downs were going to make the going pretty tough for the "pickers," but the prices would be good if one could only light on some winners. The closest we got on Friday was second, Mascal Barton placed and paid \$9.90 and \$6.90. Our smallest wager was on that filly, Fete was third, losing the place by a nose. Dare Day third in the stretch and was fourth. Captain Hat was third in a flash in which half a length separated the first three. Rocky weakened in the stretch. It was a losing day; something we feared even before the results were known. The bank roll today is \$208.00.

Today an uncertainty as to track conditions makes selections more difficult and we will go easy. We will put \$5 across on WILDWOOD in the sixth and the same on BASSORAH in the seventh. Guessing that the track will be heavy we'll select DEEMING in the big race over Sir Peter for a \$5 across play. Deeming run a fine race on a heavy track in the Latona Handicap.

THE Indianapolis High School eleven are gradually coming to the front in the State. It takes some time to come back after a sport has been banned, but looking into the future, we more among the very top among Indiana teams. Man power is needed in the modern game of football and the big Indianapolis institutions have plenty of grid fodder if the youths can be prevailed upon to get their hair mussed.

De Pauw fooled everybody on Friday except Illinois Wesleyan. The game was a dark secret here in Indianapolis, everyone believing the contest was to be played today. The Bloomington, Ill., team knew the Tigers were coming, however. The score showed that.

SOME of the State high schools seem to have the wrong idea about football. There is a ruling in several large schools which prohibits a boy from playing both football and basketball.

Those institutions probably never will have very strong grid teams. They probably don't care. This is a baseball State. Because of the general sentiment a boy would rather play basketball if he must make a choice.

The grid sport is being played more and more among the high schools of Hoosierdom. Give it a chance and it will spread even more to the mutual benefit of all concerned.

Rain, rain, go away! Come again some other day. Wabash and Butler want to play.

The Central Normal College grid team should not cheer much over their victory on Friday, against the State School for Deaf.

When boys play men the result is usually a foregone conclusion.

Some of the football teams fooled the weather man. They played their games on Friday.

MAID AT ARMS is a great two-year-old filly. Further evidence of her high class was shown Thursday in an easy victory in the Ellerslie Handicap at Laurel. She carried 126 pounds in the mile race on a muddy track. Man of War was a wonder horse on the track and his sons and daughters are showing the same sterling qualities.

Two former Technical High School athletes were to be seen in action today with the Wabash football team at Irwin field. They have quite a handicap to overcome. It has been the ill-luck of other local athletes to try too hard when they came back home.

Bring out the weather beaten phrase today—A SEA OF MUD.

Mrs. Malaprop said that this perspiration (she probably meant precipitation) had upset all her plans. She had pretended to go to the Wabash and Butler game, but now was forced to stent her derangements. She stated that she had read the "Scarlet Letter" when just a girl and was anxious to see the play at Irwin field.

It is reported that Jack Dempsey is going to Mexico for some sparring exhibitions. The champ should try out his latest sport of tossing the bull. They like that pastime down there.

No, Dora, there are no South Americans on the Peru team which plays the Ferndales on Sunday.

Something to worry about: A six-day bike race starts on Sunday at Chicago.

Intersectional Classic Witnessed by 64,000—Fine Weather at Philly.

PHILADELPHIA, Oct. 24.—Pennsylvania and Chicago, pioneers of intersectional football, resumed relations after a lapse of twenty-four years, in the Franklin Field stadium this afternoon in one of the most interesting games of the day.

Pennsylvania, with one of the best teams developed here in years, is campaigning for the championship of the East and Chicago, Western Conference champions of 1924, is still in the race for the championship of the Big Ten.

Ideal weather prevailed. There was just enough bite in the wind to make it feel like football weather and the playing field was firm enough for fast football.

Pennsylvania officials said 64,000 tickets had been sold. The two teams have met four times and Chicago's best showing was a tie score in 1899, Pennsylvania having won the other three games.

J. J. C. GAME
East Siders Play Soldiers Sunday at Pennsy Park.

Manager Hayes of the J. J. C. football team today announced that after Sunday's game with the Ft. Harrison Battery B eleven the east end squad will be reduced to twenty-two men, and the decision insures a hard fight Sunday, not only for a victory against the soldiers, but for places on the team which will represent the east side.

Word comes from the fort that the Army eleven has been bolstered and Lieutenant Clark, coach, has been handing out a few West Point puzzles that should be good for lots of yardage.

Sunday's game starts at 2:30. Popular prices will prevail for all games at Pennsy Park.

ELWOOD PLAYS KOKOMO
Rival Legion Grid Teams Meet in Sunday Battle.

By Times Special
KOKOMO, Ind., Oct. 24.—Grid fans of this city are agog over the game Sunday, when the Elwood American Legion team comes to form the opposition for the local American Legion eleven. The rivalry between the two cities is very keen. The greatest game of the season locally is looked for.

Elwood is strutting four victories this year, one a 7 to 6 defeat, they handed the Ferndales at Indianapolis. Kokomo has three victories over the strong Dayton (Ohio) Koor eleven, but last Sunday the locals fell before the strong Notre Dame reserve squad. That defeat, however, does not mar the locals' standing in the State championship race.

Helvie and Buckles, who were injured in last Sunday's fracas, will be back in the harness tomorrow. The game will start at 2:30.

Full Back Hitting the Line.

WHEN the fullback crashes through the center of the line, his greatest fear is the possibility of a fumble. Note position of hand carrying the ball, thought being to eliminate tumbling as much as possible. The fullback should run high. It makes it difficult to get hold of both legs by defense. The head should be down, but the eyes up to pick advantageous openings.

FINAL WORK

Ferndales Finish Practice for Sunday Struggle.

The Ferndale football team held its last practice and scrimmage of the week Friday in preparation for the Peru C. & O. game at Washington Park Sunday at 2:30 p. m.

During the week Coach Erhardt has added several new plays and hopes to use them in bringing victory to the locals.

The upstagers have a clean record to date in their drive for the State championship. The management of the locals is angling for more new players, and if they are obtained the roster will be completed for the year, as all the locals lack is reserve power. The first string line-up is set, with the acquisition of Drayer and Carmen at tackles and Dutenhaver at half back.

The Peru team is made up of men who played at college, or at least were stars in their high school days and since have played great ball independently, and the scores of previous games show the upstagers to have an offense that will be hard to stop.

DE PAUW HITS A SNAG
Illinois Wesleyan Too Much for Hoosier Eleven.

By Times Special
BLOOMINGTON, Ill., Oct. 24.—Illinois Wesleyan proved too strong for De Pauw here Friday afternoon and defeated the Hoosiers, 20 to 0. All of the points were scored in the first half. The visitors were held almost helpless on the offense.

Arends plunged over for two touchdowns and Green made two forty-yard place kicks and two kicks after touchdown.

ILLINOIS STADIUM JAMMED

67,000 Gather at Urbana to See Michigan Meet Grange's Team.

By Edward C. Derr
United Press Staff Correspondent
URBANA, Ill., Oct. 24.—Red Grange and his Illinois football warriors played hosts today to Benny Friedman and his Michigan team in a game that drew 67,000 fans to Memorial stadium.

The twin cities of Champaign and Urbana were stampeded by rosters from Michigan and fans from all sections of the Middle West. More than twice the number of people living in the two cities were pounding the pavements toward the huge stadium, and policemen from Chicago directed automobile traffic.

Tickets could not be purchased at any price. The 67,000 were sold several weeks ago, and many thousands requests were turned down.

A spirit of revenge was obvious in the Michigan partisans. It was Grange who spilled Michigan last fall by springing to four touchdowns in the first quarter of the Michigan-Illinois game. This year Red's support is weak and the Wolverines are strengthened, which pointed to a Michigan victory today unless Grange broke loose again.

ONE CENT PER MILE VIA UNION TRACTION

Another Saturday of Thrills for College Fans—Wabash Invades Butler Camp for Battle.

In all sections of the country today enormous gatherings of football fans were reported on hand to witness grid features. Even in Indianapolis, the "home front," bad weather was not expected to discourage many from charging on Irwin Field, Irvington, to view the annual rivalry struggle between the Wabash Little Giants and the Butler Bulldogs.

A heavy advance sale of tickets assured a large crowd here and football followers were willing to take a chance in order to be as close as possible to what promised to be a thriller fracas on a wet field.

Wabash came to the city with its usual force of strong-voiced rooters, staged a parade downtown this morning and then kept up spirits by yell-fests before game time. The contest was scheduled to get under way at 2:30.

As the rival warriors prepared for the afternoon's task, the "dopesters" discussed the merits of the teams and the majority figured the game a "toss-up." However, Butler was the ruling favorite among the boys who like to wager a little on their judgment.

Wabash rooters occupied the west bleachers at Irwin field and the Butler supporters were on the east side. Wabash grads held a banquet at the Severin Friday night and tuned up for today's event. Former Scar-pit grid heroes were present and urged the 1925 Wabash warriors "to get out there and win." The annual pep session "went over" in usual style and there was no lack of entertainment for the old timers.

A number of local youths were on both elevens this afternoon, and for this reason added interest was attached to the contest.

Darcy Signs
Canadian Puncher to Clash With Wallace Monday.

Len Darcy, crack Canadian light heavyweight, has been signed to battle Roy Wallace, local mauler, in the ten-round feature scrap at Tomlinson Hall Monday night. Darcy, who was forced to cancel the engagement on account of illness.

Promoter Harter of the Washington A. C. arranged for the substitution of Darcy and he believes he has obtained a boxer capable of giving Wallace plenty of action.

Darcy and Burns recently fought a draw and Friday night, at Grand Rapids, Darcy defeated Jimmy Nuss, Michigan light heavy, in a ten-round scrap.

Darcy hails from Vancouver and he is said to carry a wicked wallop. He is more of a puncher than a boxer, which means that local fans may look forward to viewing a slug-ging match.

There will be six bouts Monday, one ten-rounder, four sixes and one four.

PITTSBURGH, Pa., Oct. 24.—From the world's champions to the minors. Such is the fate of three Pirate players, two of whom were more or less heroes in the defeat of Washington in the series for the baseball championship.

Carlson Bigbee, outfielder, and Eddie Moore, second baseman and outfielder, along with Pitcher Cul-ton, have been sent to San Francisco along with plenty of cash for Hal Thyme and Paul Waner, youthful slingers of the Pacific Coast League champs.

Bigbee helped win one series game with a double as a pinch hitter. Moore played every game at second base and his home run was responsible for one victory of the Pirates.

TECH IN THRILLING VICTORY

Touchdown and Kick In First Quarter Defeats Muncie High School.

Technical did it. The local high school eleven defeated Muncie on Friday at Tech field, 7 to 6, and remains undefeated against State opposition this season. Muncie had not been defeated until Friday's reversal. The victory puts Tech up near the top among the prep teams of Hoosierdom.

It was no easy victory—far from it. The visitors threatened continually and the Indianapolis team barely managed to stave them off.

Tech scored in the first period as the result of a forward pass, Baley to Fox. Baley place-kicked the extra point which proved the margin of victory.

The Green and White held Muncie at bay until the final period, when a pass, George to Boston, but the ball on the one-yard line. George plunged over for a touchdown. His place kick went slightly wide on the second attempt, after both teams were offside on the first try, which Balseck blocked.

George was the brilliant star for the losers and Fox was in almost every play for Tech.

A big crowd of Muncie rooters was present and went home disappointed. The game was a thriller, with forward passes raining all over the field.
