List Advances Despite Heavy Selling Pressure.

Average Stock Prices

Average price of twenty industrial stocks for Tuesday was 153.60 (new high) up 1.3. Average price of twenty rails for Tuesday was 105.10 (new high), up 1.48.

By United Press

NEW YORK, Oct. 27.—Despite heavy selling that took place in many sections of the list, industrial and railroad averages reached new high ground for the current bull market at the close.

The ability of the movement to wade through realizing sales to higher levels furnished a new demonstration of the unimpaired character of the buying power underlying the market and encouraged further bullish activities in various representative issues in the early dealings. Chrysler continued its sensational advance, jumping 2¼ points to 218 on the initial transactions.

In the Sugar Market

By Thomson & McKinnon

NEW YORK, Oct. 27.—Spot raw sugar dropped 1 to another new low overnight, one sale having been confirmed at 1 15-16, while in the West price cutting by beet interests continues. Very little improvement is discernible in the weekly statistics and only a moderate amount of refined is being sold in eastern territory. Although there is no sign of betterment in the industry as yet, new crop options continue to resist selling pressure remarkably well. While we do not anticipate any decided improvement for the next month, we do look for betterment directly after Dec. 1, when the Cuban government's first crop forecast is announced.

COOLIDGE GIVES VIEWS

President Hopeful of Locarno Pact Ratification.

By United Press

WASHINGTON, Oct. 27.—President Coolidge let it be known today that he views as hopeful the European situation. Resignation of the French cabinet should not affect French ratification of the debt funding agreement with the United States, he believes.

The President is hopeful of ratification of the Locarno security pact by the nations concerned.

WHEAT WEAKER WITH OPENING

Argentine Crop News Offsets Advances.

By United Press

CHICAGO, Oct. 27.—Wheat started with a weak undertone on the local Board of Trade today. Coarse grains were firm.

What traders derived selling inspiration from disappointing cables. Favorable crop reports from Argentine offset advances in American markets yesterday, cables said. Despite the initial break buying conference in the local pit was unshaken.

Lessened corn receipts were looked for today. Oats held firm. Provisions were lower.

(Continued From Page 1)

way. Sam Gerrard, farmer, was accepted. James Bush, grocer, was accepted.

Jury Passed

Inman passed the jury with the one change at 10:30 a. m.

Kane then questioned Gerrard Bush, whom he had tentatively passed before, was excused when he admitted an opinion as a result of reading the dying statement of Miss Oberholtzer, brought out in the bail hearing last June.

Frank Darnell followed Bush and was accepted. Kane passed the jury back to the defense.

No Change

Inman then passed it back without change, putting the issue up to Kane. He accepted by removing Harry Morrow in seat twelve. John Kirk, farmer was accepted and Kane then passed the jury back to the defense.

Inman dismissed Kirk, Ray Forrer and Charles Quick, all farmers, for having opinions, finally accepting Malcom Dardall, another farmer. Court adjourned for lunch.

Thus the jury stood: Frank Darnell, Floyd Newby, Thomas Millikan, Jacob Dawson, William Lehr, Jesse Quear, John B. Wiseman, W. O. Inman, Leotus Neese, Emery Hall, Samuel Gerrard and Malcom Randall.

JURY PROBES LIQUOR RING

(Continued From Page 1)

Saturday and will report by that time. An indictment, if found, will be returned in open court to Judge Robert C. Baltzell.

"Nothing to Say"

Remus, in his rooms at the Claypool hotel today said, "I would say nothing, I could say nothing, and I shall say nothing.

"I have been connected with national liquor propositions, but have never been bofore a grand jury."

Remus admitted that he had an interest in the Jack Daniels' distillery at St. Louis, where Federal officers sometime ago found that water had been substituted for whisky in 890 barrels.

It is rumored the original investigation of the present case started in Washington about two years ago, when Remus was first convicted on a liquor charge.

It also is said that the investigation of the case was transferred from the Federal Court at St. Louis to Indianapolis on order of the United States attorney general. J. B. Marshall, special assistant to the attorney general in the case, is in Indianapolis.

Released Sept. 1

Remus was released from the Federal Prison at Atlanta Sept. 1 after serving twenty-one months of a two-year term given him in Federal Court at Cincinnati, Ohio, on a liquor conspiracy charge.

He was charged in Federal Court here with operating seven large distilleries in Indiana and neighboring States, among them the Squibbs distillery at Lawrenceburg, Ind. The case was not heard.

Approximately 1,500 cases of Squibbs' liquor, now being held by authorities here, is said to have been part of the Remus' supply.

A flood of fresh material, estimated at 10,000, and 420 holdovers from the first session of the week, were too large to be absorbed readily and prices were forced 25@35c lower today in the hog division of the Indianapolis Livestock Exchange. Heavy hogs received the largest cut and dropped from Monday's price of $11.85@12 to a price of $11.65. Medium weight material was cut the same. Light stuff lost 25c. Pigs were fully 50c lower and sold at a price of $11.65@11.75. Top price for the session was $11.75 on light light swine. The bulk of the transactions were made at $11.65.

Cattle Trade Slow

Hogs were sold over the following scale of prices: heavies brought, $11.65; medium weight material averaged, $11.65; lights cashed at, $11.65@11.75; smooth packing sows moved at, $10@10.50; roughs brought $9.25@9.75, and stags were $9@10.50.

Trading in the cattle division of the Exchange was rather slow, being hampered by the large offering, estimated at 1,100 head of cattle. The choice material was sold at steady prices and the common run of stuff was steady also. Steers averaged $7@13.50; heifers, $5@10; cows, $3@7.25.

Calves Lower

Prices were strong in the sheep and lamb department at the start of the trading period. The run of material, estimated at 500 cleared the pens rapidly with a top price of $14. Some few sales were reported above this figure. Sheep were steady at $5@7.

The extreme top price of $14 placed on calves Monday, was dropped to $13.50 at the outset of the day's trading. This represented a loss of 50c. INSPECTOR LIST PASSES COUNCIL OVER PROTESTS

Democrats Charge Bootleggers and Gamblers Are Included.

Democratic councilmen charged the list of election inspectors submitted by George V. Coffin, Republican city chairman, and approved by the city council Monday night over protest of Democratic members, contained known bootleggers, gamblers and persons not freeholders.

Minor changes were made in the list of 225 names. President Ben H. Thompson had proposed the list be composed of an equal number from both major parties. Voting places were approved.

"I have no objection to the list as a whole, but I will not use what power I have to help name some of the men on that list," said Councilman William E. Clauer, Democratic city chairman.
