

ROBINSON MUM ON NEW TERM

Gives No Indication in
Crawfordsville Talk.

By United Press
CRAWFORDSVILLE, Ind., Oct. 28.—Whether Arthur R. Robinson, recently appointed United States Senator, will be a candidate for the short term nomination next spring is still a matter of doubt today.

The Senator Tuesday addressed two meetings at the Ninth District Republican rally here, but not one word did he say that would lead political observers to predict that he would make the race.

Beyond renewing his pledge of support to President Coolidge and praising the administration of Governor Jackson, in Indiana, the Senator confined his remarks to praise of his colleague, James E. Watson, and of the Republican national administration.

Senator Watson also praised Senator Robinson and said he was "proud to be associated with him."

Governor Jackson in a short speech told of the reasons for the appointment of Senator Robinson and paid tribute to the late Senator Ralston.

Philippine Relations to Be Talked

Judge John W. Haussermann

Members of all committees of the Chamber of Commerce have been invited to attend a luncheon at noon Friday at the chamber, when Judge John W. Haussermann, soldier, jurist and mining engineer, will speak.

Relations between the United States and the Philippines will be discussed. Judge Haussermann, a young lawyer, enlisted for the Spanish-American War. After the war he remained in the islands, and was assigned to legal work in the military department.

He was a member of the board that prepared the charter for the city of Manila and was appointed assistant attorney general of the Philippines. He later resigned to take up the practice of law. He is one of the chief owners of a large gold mine in the islands.

GAIN FORECAST BY DEMOCRATS

State Committee Discusses
Senatorial Prospects.

Democratic organizations will regain at the approaching mayoralty elections much of the ground they lost in the State election last fall. Democratic State central committee members who met in Indianapolis Tuesday reported to Walter S. Chambers, State chairman.

The State body agreed to further city organizations. About the lobby of the Claypool there was considerable discussion of the senatorial race. One committee member proposed Frank C. Daily, Indianapolis attorney, and State Senator Joseph W. Cravens of Madison as a good combination.

The names of four other prominent Democrats were mentioned as likely senatorial timber. They are Frederick C. Van Nuyse, Indianapolis; Dan Simms, Lafayette; John E. Frederick, Kokomo, and Evans Woolen, Indianapolis.

DENIES DUVALL MADE PROMISE

Ex-Policeman Speaks on
'Chief' Rumor.

Arthur B. McGee, former member of the Indianapolis police force, Tuesday denied he had received a promise from John L. Duvall, Republican nominee for mayor, that he would be police chief if Duvall wins.

"I'm not a second John Zener," he said, when asked whether a report he is soliciting funds for Duvall is true.

"Since Zener's career, police are paying their money direct to headquarters and they're paying it to Duvall's fund because they believe he is going to win," McGee asserted.
