INTERESTING ITEMS FROM BUTLER CAMPUS

By James Carvin

WANTED: A drum major. Must be under medium height. Experience unnecessary, but useful. Apply at Butler University. The newly organized Butler band is in a serious predicament. Recently the Men's Club of the university purchased new uniforms for the members of the band, including a gorgeous regalia for the drum major.

Sherman Jones was selected for the position of leader and his uniform was made to order. Succumbing to the lure of Florida, Jones turned in his uniform, left school and went to the land of the Everglades, leaving the band leaderless with a small sized uniform on its hand.

No one has been found who can fill the shoes, or rather, the uniform of the absent drum major. Tryouts are being held, but so far the efforts have been in vain.

After years of absence, the chapter of Sigma Chi fraternity has returned to the Inter-Fraternity Council. The petition for reinstatement was made shortly after the beginning of school, and each fraternity on the campus passed the petition.

Expulsion of the fraternity came

after it had violated the rules of the council in regard to initiation of new members. A pledge to the Sigma Chi fraternity was initiated without having the fifteen hours and credit points required by the council.

The possibility of playing last week's Butler-Wabash game again grew more remote after members of the faculty objected. Butler students were unanimously in favor of another game. However, officials at both schools vetoed the proposition.

Wilson Daily, editor of the Butler Drift, has named Lucy Ashjian associate editor and Austin Johnson sports editor, with Robert Finney and Joe Helm assistants. Ralph Lockhart, Billie Mae Krieger, Maude Searcy and Stewart Springer have been appointed on the business staff to aid Ralph Hitch, business manager.

Chimes, honorary women's organization, is planning its annual "Sweetheart dance" to be held in November. At the dinner-dance, members of the club dress as men and escort their "best" girls to the party. Dorothy Avels is chairman.

The Woman's League is planning

a bazaar for the month of December to aid in raising funds for the woman's building at Fairview, the new site of the school. Billie Mae Krieger, Rosemary Smith, Helen Pascoe, Margaret Haldy and Mary Swain are on the ways and means committee.

The annual freshman-sophomore scrap has been set for Nov. 24, by Pat Page, athletic director. A football game between the two classes will take place at 3 p.m., and the flag rush will follow. Harrison Collier will lead the sophomores while Robert Armill will be at the head of the rhines.

Kappa Kappa Gamma initiated Martha Beard, Ona Boyd, Margaret Elrod, Dorothy Gandal, Margaret Hackleman, Joyce Jackson, Mary Margaret Patrick, Martha Dean and Margaret Woessner recently.

a dance which will be given at Carr's Hall Saturday night.

Brewer Graham, Shuler Bass, Paul Fink and Thomas C. Jaledson were selected as Rhodes scholarship candidates by the faculty committee. With candidates from other schools in the State, they will appear before the committee Dec. 12 for examination, and one will be selected for the scholarship.

Petition of Delta Phi Sigma has been passed on by the Sigma Nu Fraternity and a vote of all chapters of the fraternity will be taken on the installation of a chapter of the fraternity at Butler.

Clermont Air Tight Hotblast

It Burns Everything Burnable Without Gas, Smoke or Soot

The Clermont Airtight Hotblast is, in our opinion, the best Heating Stove on the market today.

One ton of soft coal, or even slack, will give just as much heat as a ton of anthracite. It consumes practically every kind of combustible material without gas, smoke or soot. The Clermont heats the floor better than any baseburner made. It is unequaled as an all-day or all-night firekeeper.
