

## WABASH BRIDGE TO BE CLOSED UNTIL NOV. 5

Ferry Will Take Care of Traffic at Vincennes, Says Bulletin.

The Wabash River bridge at Vincennes, which takes care of Indiana-Illinois traffic from State Rds. 5, 10 and 12, will be closed for repairs until Nov. 5, the State highway commission announced in its weekly bulletin today.

A ferry, operating north of the structure, will take care of the traffic.

Contrary to first expectations of the commission, work has been rushed to such an extent on the temporary bridge on State Rd. 12, two miles north of Gosport, that it may be in place by Saturday. When the bridge is opened, traffic from Indianapolis to Spencer and Bloomington may go over its old route without detouring.

Conditions on State roads out of Indianapolis were set forth in the bulletin as follows:
