

## TEACHER'S FUND GAIN SET FORTH

Annual Report Made by  
State Administrator.

Benefits are now being paid out of the State teachers' retirement fund to 333 teachers, Estes Duncan, fund administrator, announced today in his annual report for the fiscal year, which ended Sept. 30, 1925.

At the end of the year there were more than 14,000 contributors to the fund and the present school year will add 2,500 beginning teachers.

"Teachers of the State have exhibited a decided change of attitude toward the retirement fund law," Duncan said. "Where there was considerable lassitude there is now enthusiasm."

## PASSWORD IS 'ME-OW'

Culver Citizens Make Terrible Mistake in Cat Rescue.

By Times Special  
CULVER, Ind., Nov. 2.—The next time Culver citizens go to the rescue of a cat, the password will have to be "Me-ow."

Two citizens saw a kitten running around with its head in a glass jar.

A third citizen, seeing the others put to rout, shot the "critter." The "critter" was a skunk.

**INGROWN NAIL**  
Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—Advertisement.

## MARDI GRAS IS HAILED SUCCESS

Indiana Towns Brought  
Closer, Walker Says.

Indiana towns have been brought closer together by the Greater Indiana Mardi Gras celebration Saturday night, John F. Walker, chairman, said today. Civic leaders and business men declared the State-wide event a success. One of the largest crowds in Indianapolis' history attended. The revelers covered several downtown blocks.

Mayor Shank declared members of the Legislature are moral cowards for failing to put through the laws they know are right and good for the people, at the dinner at the Indianapolis Athletic Club.

"Prohibition has done a lot of wonderful things like putting out the

saloon, but it has fixed things so the rich can still have their liquor and the poor man can not," he said. Other speakers were Frederick Van Nuys, Senator Arthur Robinson, John B. Reynolds, Charles E. Coffin, and James M. Ogden.

Franklin was given the \$200 silver cup presented by Harry O. Cobb to the most enthusiastic out-of-town delegation.

A glittering white float entered by William H. Block Company received first prize in the parade. The progress of the city was depleted.

By United Press  
SOUTH BEND, Ind., Nov. 2.—Relatives of William Deavel, 65, a retired farmer, today discredited a theory of suicide in his death.

He was found asphyxiated in a rooming house. It is believed he did not know how to turn off the gas and blew it out.

## Here the Whole Wide World is Your Market Place

THE sun never sets on L. S. Ayres & Company's world-wide buying of wares. Each hour of the twenty-four our buyers and agents are busy buying, at some of the many centers of commerce around the globe where our offices are advantageously located. We bring the world's best products to Indianapolis for distribution in Hoosierland. We buy where we can get the best for moderate prices—none of the cheapest (for it is generally shoddy); and only a modest proportion of the very expensive. Frequently our local buyers travel abroad. And for five years we have had a permanent staff of resident buyers in foreign markets in each of thirteen different cities. The world thus becomes your source of supply,

because Ayres' makes the world its market. Our stocks are truly representative of the best natural resources, the truest skill and the most favorable conditions of production. Of course we prefer and buy American-made goods. If America offers the best, or even equal quality, we buy in America. But when peculiar resources or conditions or traditional artistry give some other country leadership, we go there.

Next week we hold a World-Wide Exhibit in which foreign-made goods are brought to the fore. It is an exposition of actual educational value for young and old, and is especially suggestive of gifts for the coming holiday season.
