Largest Community House in City Is Assured of Success.

The opening of Zaring's Egyptian Theater Monday night at Central Ave. and Fall Creek Blvd., was as much an event for the entire city as it was for the north side.

This beautiful \$200,000 movie theater, equipped as costly as it is, was a downtown theater, was formally opened by Mayor Shank, James Oden and A. C. Zaring, the owner of the theater.

Mayor Shank said that Indianapolis had a right to be proud of the theater and congratulated Zaring upon the making of Central Ave. a great street in the city.

"I dedicate this house to all of the people who have made possible the building of this theater," Zaring said. "We built a stage so when

## Lemons Tighten Wrinkled Skin

Squeeze the juice of two lemons in a bottle containing three ounces of Orchard White, which any drugist will supply for a few cents, shake well and you have the very mildest anti-wrinkle lotion to tighten relaxed skin, erase fine lines and eradicate crow's feet. Massage this sweetly fragrant lemon lotion into the skin at night. By rubbing most of the tell-tale wrinkles, tired lines and crow's feet are smoothed out, giving a more youthful contour to cheeks, chin, throat. It leaves the skin velvety soft, clear and fresh. Beauty experts use this astringent lotion for enlarged pores, also to bleach and whiten sallow, tanned skin. Mix this harmless lotion yourself since it acts best immediately after preparation.—Advertisement.

## Cuticura Talcum Is The Ideal Powder

Its purity, smoothness and fragrance, combined with antiseptic and prophylactic properties which help to overcome disagreeable odors, make it an essential toilet requisite.

Soap, Cuticura and the Talcum are sold everywhere. Sample each free. Address: "Cuticura Laboratories, Dept. 409, Malden, Mass." Cuticura Shaving Stick 25c.

## Don't Fuss With Mustard Plasters!

Musterole Works Without the Blister—Easier, Quicker

Don't mix a mess of mustard, flour and water when you can relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients. In the form of a white ointment, it takes the place of mustard plasters, and will not blister.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, spasmodic croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pain and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds of the chest (it may prevent pneumonia).

## WELL-MERITED SUCCESS

A distinguished citizen, honored politically and professionally, Dr. R. V. Pierce, whose picture appears above, made a success few have equalled. His pure herbal remedies which have stood the test for fifty years are still among the "best sellers." Dr. Pierce's Golden Medical Discovery is a blood medicine and stomach alternative. It cleans the skin, beautifies it, increases the blood supply and the circulation, and pimples and eruptions vanish quickly. Beauty is but skin deep and good blood is beneath both. For your blood to be good, your stomach must be in condition, your liver active. This Discovery of Doctor Pierce's puts you in fine condition, with all the organs active. Ask your nearest drugist for Doctor Pierce's Golden Medical Discovery, in tablet or liquid form, or send 10 cents for trial package of tablets to Dr. Pierce's Invalids Hotel in Buffalo, N. Y.—Advertisement.

## "Frosh" Paddled at Dance

By United Press.  
DES MOINES, Iowa, Nov. 3.—Freshmen at Drake University who are pledged to various fraternities suffered the ignominy of releasing fair co-eds from their arms at a dance here last night and being paddled by 300 upper classmen. The older students used the floor of the ballroom for paddling while the co-eds looked on and giggled.

Freshmen had violated certain fraternity rules, the upper classmen explained. Police were called to quell what threatened to be a riot, but they made no arrests.

Low Shank takes up vaudeville again he can come out here.

Mayor Shank laughed and said that "this was Zaring's coming in party and Shank's going out party."

"We may not agree upon Duvall or Myers, but we can agree that this is a beautiful theater," the mayor said.

Zaring, in the actual planning of the opening of his new theater, had the services of R. W. Case, who has built many theaters over the country. Case has about put himself in the sick bed because of the many hours of hard work in getting the theater ready for the opening. Case succeeded and the theater opened on the dot.

The lobby was filled with flowers from merchants and business men of the neighborhood as well as all over the city.

The feature picture on the first bill is "Kiss Me Again," a Warner feature, with Monte Blue, Indianapolis actor, in one of the chief parts.

The bill includes a news reel, a cartoon comedy and other events. Alex F. Taylor made his first appearance as soloist at the new pipe organ. His overture, "Poet and Peasant," resulted in a big ovation.

The new Zaring seats about 1,500 people. The policy will be to change bills three times a week after the opening week. It is not the intention to put vaudeville in this house, but to make it a great community movie theater with an all city appeal.

The interior of the theater is one of rare beauty as the Egyptian idea is carried out in every detail. Winking lights in the ceiling give one an idea that the stars in the heavens have been captured and placed in the theater.

Here is a theater that is a credit to the growing spirit of Indianapolis.

REBUS TO BE UNDER GUARD

Continual Watch to Be Kept Over 'King.'

George Remus, Cincinnati, millionaire bootleg king, will be guarded continually from now until the trial of those persons said to be indicted by the Federal grand jury in the alleged St. Louis and Indiana booze ring.

Wherever he goes, which will be kept secret, he will be under the watchful eye of a Federal agent and one of his close personal friends.

There are two things behind this. Although it is not thought that he will "jump country," the Federal authorities will want to have him on hand when desired and his personal friend will be on a continual lookout for gunmen of certain alleged bootleg crowds that might have a grievance against him.

When questioned as to where he would go after leaving Indianapolis, he replied, "Really, I couldn't tell you that. I beg your pardon. Surely you can appreciate the fact that there are some persons who would like to know my every footstep and move. Some might want the information for no good purpose."

Stutz Fire Engine Company, told police he first saw the youth ransacking his auto parked at Ohio and Alabama Sts. Long said he remanded the boy and sent him away and shortly afterwards came upon him again, this time carrying the light.
