

NORMAL PLANS REUNION NOV. 14

Blue and White Day Will Be
Celebrated.

By Times Special
TERRE HAUTE, Ind., Nov. 6.—Preparations are being completed to make the 1925 Blue and White Day at Indiana State Normal, Nov. 14, the homecoming for old grads and former students, the greatest ever.

The program will open on Friday, Nov. 13, with the annual girls varsity-alumnae basketball game in the Normal gymnasium, while a big pep session will be held on the campus in the evening.

A color rush and two or three other athletic events between freshmen and sophomores will form the program for Saturday morning. The feature event of the afternoon will be a football game between the Eastern Illinois State Teachers' College and Normal at Memorial Stadium.

In the evening the "N" athletes' banquet will be held. The letter athletes' dance in the Normal gymnasium will close the two days' reunion.

REQUISITION IS HONORED

Posey County to Get Suspected Robber of Wadesville Bank.

By United Press
SPRINGFIELD, Ill., Nov. 5.—Governor Len Small has honored a requisition for the return to Posey County, Indiana, of August Melsner, wanted on a charge of robbing the Farmers' National Bank at Wadesville, Ind.

Melsner is serving time in the Danville (Ill.) jail, following a federal conviction. His term expires Nov. 10, and Indiana officers will be waiting for him outside the door of the Danville jail.

TALKS SENATORIAL RACE

Cravens Says It's Hard to Tell Who Will Be Candidates.

"It is hard to tell who will be Democratic candidates for United States Senator," said State Senator Joseph M. Cravens, of Madison, here Thursday.

"No body seems to know much about it yet," he said.

Cravens, who has been mentioned as a possible candidate, said he had given no thought to it.

JAPS BORROW IDEAS IN U. S.

American Style Apartments Are Planned.

By N.Y. Service
TOKIO, Nov. 6.—The Japanese borrowed American ideas to construct their first apartment house in Tokio. But who loaned them the name?

Named the Bunka Apartments, this new structure is an experiment in Tokio. The building is a four-story fire and earthquake-proof reinforced concrete structure, containing forty-two apartments.

The building is thoroughly modern and will be ready for occupancy the middle of November. There are already nearly 200 applications for suites—which shows that while it might be Bunka, it's not bunk!

LOCAL BOY IN HAITI

Marine With Detachment Sent to Little Republic.

When John William Vogus, son of Mrs. Mattie Vogus, 1448 W. New York St., joined the Marine Corps, he last July, he didn't know where he was going, but he was on his way. And now word has been received that he is in the little Re-

public of Haiti in the West Indies where he probably will remain with a detachment of United States Marines for several months. He is attached to the First Brigade of Marines.

Small detachments of Marines have been on duty in Haiti since 1815, when a force landed there to quell a revolution. Now peaceful conditions prevail.
