OLD-FASHIONED VIRTUES URGED

Young people can't be expected to respect the laws and the eighteenth amendment if their elders do not set an example, asserted Senator Woodbridge N. Ferris of Michigan at the initial Y. M. C. A. Big Meeting Sunday afternoon at English's Theater. He advocated a return to the old-fashioned principles of life.

"When the elder people 'crack' jokes at the Volstead act or keep alcoholic beverages, they can't expect their sons and daughters to live up to the letter of the law," Senator Ferris said. He declared obedience, diligence and loyalty, the fundamental Christian principles of the pioneers must be stressed in American homes.

Pity the Weak Skinny Children

Nature's greatest health builder and strength giver is Cod Liver Oil—it's full of vitamins of the first class—everyone knows that.

But pity the poor children—how can they take this nasty, nauseating stuff that invariably upsets their small, delicate stomachs?

Most of them can't and now—thank goodness—none of them have to.

For now Cod Liver Oil comes in tasteless sugar coated tablets, that are as easy for the kids to take as candy and they sure do build up the youngsters in double quick time. So mothers, if any one of your loved ones is frail and peaked or isn't feeling right just ask Hook, Haag, Goldsmith Bros., or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets—60 tablets—60 cents.

Splendid for any run down, weak, skinny, nervous man or woman—thousands of boxes are sold daily—but be sure and ask for McCoy's Cod Liver Oil Compound Tablets—the original and genuine. Try them for 30 days and if you aren't delighted with the improvement your druggist is authorized to hand you back the money you paid for them.—Advertisement.
