

LEADER OF GANG IS SHOT DOWN

Guns Blaze in Chicago
Booze Feud.

By United Press
CHICAGO, Nov. 11.—Samuel Amatuna, booze gang leader, was near death today as a result of the war that is being waged for control of Chicago's illicit alcohol. Amatuna was shot down last night as he was preparing to attend the Chicago opera. The assailants escaped.

Since the death of Michael Merlo, recognized "king" of the Italian quarter, feuds have been raging between rival factions, each backing its leader for Merlo's throne. Amatuna was one of the popular choices. Next month he was to have married a sister of Merlo's widow, and factional leaders saw in the wedding a chance for Amatuna to gain the support of the Merlo crowd.

BILL CUTS TAX \$308,000,000

'Maximum Reduction' Chairman Green Says.

By United Press
WASHINGTON, Nov. 11.—The nearly completed tax measure, shaving \$308,000,000 from annual payments, represents the absolute maximum to which the Government can go in reducing revenues for many years to come. Chairman Green of the House Ways and Means committee said here today.

"It business moves along on its present expansive lines I believe the taxes we have adopted will net the treasury a surplus of perhaps \$30,000,000 by 1928," Green said.

"On the other hand, if business has one bad year this bill might leave the Government with a \$50,000,000 deficit."
