Women Believed Oldest Twins

Mrs. Hanna Abbott and Mrs. Elizabeth Bryant

Mrs. Hanna Abbott of Hope, Ind., and Mrs. Elizabeth Bryant of Brewersville, Ind., are believed to be the oldest twins in the State. Recently they celebrated their eighty-third birthdays.

They were born near Brewersville on Government land entered by their father, Abraham Hodson, pioneer settler.

As twins their resemblance is marked. Even members of their

immediate families find it difficult to distinguish one from the other. Their features are identical and their weight practically the same.

Are You Saving Money?

YOU will receive 4% interest on money you deposit in our Savings Department. The interest compounds twice a year. Savings depositors, as well as other customers, appreciate our all-day-Saturday service.

You may believe your salary does not permit saving part of it. But suppose, for instance, your rent was raised \$10 a month. You would find a way to pay it. What if your salary was reduced \$10 a month? A way would be found to make ends meet.

These things sometimes happen. Why not imagine that one of these misfortunes has occurred and start this month paying \$10 into a Bankers savings account to prepare for the time when you can use a "nest egg" to good advantage?

Highland Jones

Assistant Secretary-Treasurer
