

MAYOR-ELECT FOR MANAGER

Official Indorses Business Form of Government.

By Times Special
 INDIANAPOLIS, Ind., Nov. 13.—The city manager form of government, as the best and most practical governmental system for the average city, was indorsed by Morris Petty, mayor-elect of Frankfort, before the Rotary Club here. Many of the Rotarians supported the ideas given by Petty.

"The city manager form and other new systems which have been tried in many places are opposed by the old-line politicians, because they feel they would be left out in the cold when business organization is voted into power," Petty asserted.

The mayor-elect said he believed the city manager form would be installed in many Indiana cities if the power of the politicians had not kept down sentiment for a change.

LADY EXPERT COMING TO HELP RUPTURED WOMEN

Demonstrates Rice Method Free to All

A lady expert representing William S. Rice, Adams, N. Y., inventor of the famous Rice (Non-Surgical) Method for Rupture, will be at New Colonial Hotel, Indianapolis, Ind., Monday, Tuesday and Wednesday, Nov. 16, 17 and 18, to demonstrate a new special corset attachment that holds any rupture no matter how large. Even if the abdomen is very fleshy, it holds any rupture with ease, comfort and security.

Special Combined Rupture and Corset Back Support.

Every woman who has been compelled to wear an ordinary truss or abdominal support knows the gouging, cutting and chafing caused by narrow bands. The weight of the abdomen or pressure necessary in holding the rupture must be carried by the band this around the back and the pressure is sometimes very great, causing untold suffering.

The special, broad support, holding corset back distributes the pressure so as to do away with all cutting and chafing.

There are thousands of women who are in perfect misery because they cannot find anything that will hold their rupture and the abdomen at the same time. The appliances usually worn are hot, bulky, chafing and irritating. But this wonderful Combined Corset Back Support is light, flexible, durable and cool and fits the figure like a glove. It gives you a sense of absolute comfort and protection while at the same time greatly improving abdominal outline.

Trusses in common use are not adapted to women and often do great harm. Women therefore, suffer more and are in greater danger from rupture than men, and all women, who have ruptures or who wear an abdominal support of any kind should not fail to call and see this wonderful Combined Corset Back Support. No description or illustration can fully convey the remarkable utility of this splendid support. It must be seen; it must be put on to convince any woman that it was designed for her.

This lady expert takes a large woman just as she is, all out of shape and unsightly and by this remarkable Corset Support gives her a natural, neat, trim figure.

She will also give full instructions on how to handle and care for any rupture, large or small. She will show how to hold any kind of rupture from the simple groin and femoral to the large and difficult Navel and after Operation Ruptures, without chafing or squeezing, also how to wear the corset correctly.

Don't let this great opportunity get away from you. Don't continue to suffer the burden of rupture and girdle wearing when it is so entirely unnecessary. Your call on this Lady Expert is sure to prove one of the best things you ever did. She will be there only three days, then your opportunity will be gone. The fitting and demonstration are free. It don't cost you a penny to learn all about the Rice Method and the wonderful opportunity for help it offers in your case. After demonstration you can purchase the Outfit required if you wish.

Call any time from 9 to 12 a. m., 2 to 5 p. m., or 7 to 9 evenings. Just ask at the hotel desk for the Rice Representative and she will do the rest.

Sues to Recover Lost Bet

Robert Prout

Robert B. Prout, St. Louis auto salesman, lost \$1,500 betting on the ponies at East St. Louis, Ill. Now he has sued to get the money back, under a forgotten Illinois law that enables a loser to sue the man that won from him. He also asks damages for being ejected from the race track.

CHAMPION DOG ESCAPES CRATE

English Whippet Forsakes Track for Movies.

By NEA Service
 LONDON, Nov. 13.—Inspired by the antics of Rin-Tin-Tin, his canine brother, Pull-Your-Leg, champion British whippet, is believed to have forsaken the track for the films. Pull-Your-Leg was sent to Pasadena recently by his owner, Councilor W. Docwra of Great Yarmouth, where he was due to take part in the championship races. He arrived safely at Los Angeles, but there some one carelessly opened the crate in which he was journeying. Like a flash Pull-Your-Leg hopped out and left. When last seen he was making all speed for Hollywood.

WALK TO MISS TROUBLE
 LONDON.—It is no offense to walk around the city at night in hopes the wife's temper will cool, William Beute, Hornsey gas-fitter, found. He was discharged when he explained to a magistrate he had been drinking and was afraid to go home.

STATE TO GET LAKE ON PARK

Virgin Forest Will Be Given, Says Lieber.

Preparations have been completed by the State to acquire before Jan. 1 the 560 acres of virgin forest along the east shore of Lake James in Steuben County for conversion into a State park, Richard Lieber, State conservation director, said today.

The land is to be given the State as a result of private contributions and a bond issue authorized by the Steuben County commissioners.

At present a suit against the bonds is pending in the Steuben Circuit Court, but it is understood that even should the courts overrule the com-

missioners, the chambers of commerce in Steuben County will underwrite the cost of the land.
